COOPER LAUNCHES SATELLITE

CAPE CANAVERAL, Fla. (AP) — Astronaut Gordon Cooper raced 'round and 'round the world today en route toward an American man-in-space record. He described his flight as "quite a thrill," and launched his own private satellite into orbit.

As Cooper's Faith 7 spacecraft sped high above the South Atlantic Ocean during the third of his intended 22 orbits, the pilot pushed a switch which ejected a 10-pound sphere from the base of the capsule.

The sphere, 5.75 inches in diameter and equipped with two high intensity flashing lights, settled into an orbit slightly different from that of Faith 7.

Cooper reported to a tracking post on Ascension Island that the sphere had been released successfully. But there was no immediate report on his observance of the xenon gas lights which were to blink once every second.

However, Mercury Control Center reported later that it had received a partially garbled message from Cooper which indicated that perhaps the experiment was not as successful as originally thought.

The Air Force major, 36, was to observe the lights during night-time phases of the third, fourth and fifth orbits in a test of his ability to judge distance and to see a light of known intensity in space. This would be important to future rendezvous missions in the Gemini and Apollo manned space programs.

Cooper kicked the satellite into orbit three hours 29 minutes after he blasted off from Cape Canaveral at 8:04 a.m. (EST) atop an Atlas rocket. The great booster performed perfectly in propelling him into an orbit ranging from 100.2 to 166 miles above the earth.

Faith 7 reached a peak speed of 17,546 miles an hour and circled the globe once every 88.45 minutes.

Among millions of earth-bound people around the globe, there seemed to be greater enthusiasm for the American manned space flight than at anytime since John H. Glenn Jr. soared aloft as the first orbiting American on Feb. 2, 1962.

This probably was because the two orbit flights in between were relatively short—M. Scott Carpenter's three orbits and six orbits by Walter M. Schirra Jr.—in comparison with the 64 and 48 orbit missions made by Soviet cosmonauts Andrian Nikolayev and Pavel Popovich.

Some three hours after the blastoff, the U.S. Relay 1 communications satellite beamed pictures of the launching to

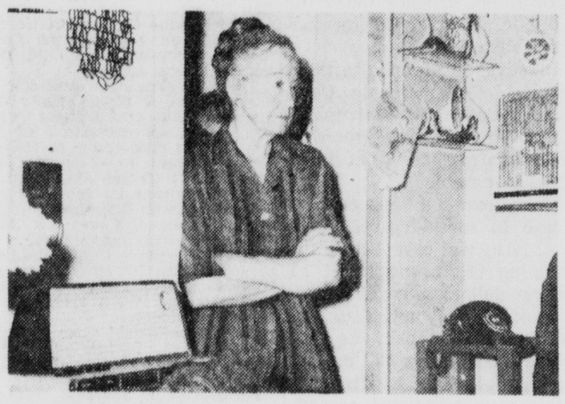
HERE ON EARTH

Wife Says Shot 'Beautiful'

TAYLOR LAKE VILLAGE, Tex. (UPI)—"Beautiful," Mrs. L. Gordon Cooper said today of her husband's faultless flight into space.

Mrs. Cooper sent the one-word description of her reaction out by Dave Schwartz, a public affairs officer for the National Aeronautics and Space Administration, almost an hour after her husband's journey started.

Mrs. Cooper and her daughters, Camala, 14, and Janita, 13, went into a bedroom by themselves to watch the liftoff on a television set. Schwartz was in the living room. The family wanted to be alone at a moment when they might have watched Cooper die.



Mother 'Knows Gordon Thrilled'

TECUMSEH, Okla (UPI)—Mrs. Hattie Cooper dropped her knitting when her astronaut son was launched into orbit today and said "Don't you know Gordon is thrilled!"

Mrs. Cooper's eyes clouded with tears as the time for the launch neared. A green afghan she was knitting dropped idly into her lap as she intently watched a television set.

When Faith 7 capsule lifted into the sky she put her head in her hands for a moment, then went into the kitchen and came back dabbing her eyes with a handkerchief.

8,000 Watch On Giant TV

NEW YORK (UPI)—A roar of applause came from an elbow to elbow crowd in Grand Central Terminal today as they watched Gordon Cooper's launch on a giant television screen.

About 8,000 persons jammed the floor, stairways and balconies to see the take off.

The crowd grew silent and tense as the countdown proceeded into the final seconds. Then it exploded into applause and exclamations of delight as the capsule and missile roared out of sight on the screen.

Astronaut Had Longest Wait

CAPE CANAVERAL (UPI)—L. Gordon Cooper spent more time in a Mercury spacecraft before launch than any other U.S. astronaut.

Yesterday's five-hour, 51-minute wait, ending with a 24-hour postponement, and today's two-hour, 23-minute wait before liftoff, made his total eight hours and 23 minutes.

The previous record, also made on two different days, was six hours and 19 minutes for Virgil I. Grissom who made a suborbital space hop July 21, 1961.

Uncle Sees Shot In California

TULARE (UPI)—"The blastoff looked real good and I'm going to spend the day watching the television coverage."

This was the reaction of W. L. Herd after his nephew, astronaut L. Gordon Cooper, began his space flight today from Cape Canaveral.

"It was really something!" declared Herd. "I knew he could do it. I sure was disappointed over the delays yesterday, though."

No Water For Drake Subdivisions

Supply Needs Approval Of State PUC

By RICHARD LYTTLE

Two Drakes Bay subdivisions, approved by Marin County supervisors April 23, have no authorized water supply.

If the California Public Utilities Commission should not approve service for the tracts by the Inverness Water Co., 185 lots would be without water. And the PUC has not yet been asked to approve service.

The two tracts are among the five that Drakes Beach Estates Inc. has subdivided in an area the federal government is expected to purchase soon for the Point Reyes National Seashore.

Final maps have been approved for all tracts. Benjamin P. Bonelli, San Rafael attorney who is president of Drakes Beach Estates, has stoutly maintained that the development is not a speculative deal. Several lots have been sold and some houses built in the earlier tracts.

New Aide Selected For Schools

The assistant chief of the University of California at Los Angeles education extension program was named last night as the San Rafael schools' first assistant superintendent in charge of high school instruction.

He is Mitchell L. Voydat, a mathematics graduate of Queens College, N. Y., with master's and doctor's degrees from Columbia University Teachers College. He has served as director of high school education for the Santa Monica Unified School District and has held administrative positions in Alameda and New Mexico schools. He also taught mathematics in Long Island, N. Y.

The San Rafael Board of Education made the appointment last night.

Although the San Rafael school system has long had an assistant superintendent for elementary schools, there has been none for high schools. With two high schools in full four-year operation and others projected, the board of education early this year created the new position. Months have been spent in screening a large field of applicants.

$3.9 Million Bond Vote For Schools

San Rafael Election In October

A $3,966,500 bond election for the San Rafael Elementary School District in early October was unanimously approved last night by the San Rafael Board of Education.

Supt. Bert C. Corona said the bond issue, if approved, would provide additions to existing schools and five or six new school sites need by the district for the next six years.

"We would sell approximately $600,000 of the new issue each year and gradually complete the expansion program," said the superintendent.

The bond election will be divided into two sections, giving the voters a chance to vote separately on each. The first, for $3,294,500, would provide funds for five or six new school sites, a $120,000 addition to the administration building, and six classrooms for physically and mentally handicapped children.

It also provides $365,500 for additions to existing elementary schools and $405,000 for additions to the two junior high schools. Elementary school additions include classrooms at Gallinas and Sun Valley schools and libraries at Hartzell, MacPhail, San Pedro and Sun Valley Schools. Additions for the junior high schools include classrooms and libraries at both Davidson and Santa Venetia, a gymnasium at Santa Venetia, and an industrial arts building at Davidson.

The second section provides $642,000 for multi-purpose rooms at Coleman, Gallinas, Glenwood, Hartzell, Laurel Dell Elementary, MacPhail, San Pedro, Sun Valley and West

SENIORS HEADACHE TO NEW REC CHIEF

Kelvin J. Nelson, Marin County's new director of parks and recreation, made his initial appearance before county supervisors yesterday with a candid confession of confusion over his first assignment—to deal with the "senior citizen headache".

"You're right in saying that you're lost," exclaimed Supervisor George H. Ludy. "We're all lost."

But after a patient unraveling of technicalities, responsibilities and assignments, ordinarily critical Supervisor William D. Fusselman told Nelson, "You're right in your approach."

County Counsel E. Warren McGuire was summoned to help in the job of clarifying Nelson's assignment, which initially turned out to be one of checking with San Rafael city officials about help for existing senior citizen groups.

Nelson started discussion by saying he had "visited the old California Automobile Assn. building on Fifth Avenue" and found it being used by three senior citizen organizations, retired school teachers, and a

'Balanced' Budget In Novato

A preliminary 1963-64 budget which calls for expenditures of $561,445 against an income of $538,225 was given to the Novato City Council last night by City Administrator J. Julien Baget.

The budget does not call for any change in taxes from 15 cents for street lighting, five cents for general purposes and 10 cents for parks and recreation—a total of 30 cents per $100 assessed valuation.

Baget called the budget "balanced," although it calls for spending $23,220 more than the expected revenue.

He pointed out that in the three years of the city's existence, revenues have always been larger than estimated and expenditures have always been less. This has left the city a comfortable balance of more than $300,000 in cash despite capital outlay of $62,500 for the Presbyterian Church properties.

The 1962-63 budget called for spending $421,330 against an estimated income of $387,201. In actuality, Baget reported, the city will take in about $401,790 and spend $373,445. So the city will wind up the fiscal year with $28,335 more than it spends.

The council accepted the budget without comment. It set 8 p.m. Tuesday for the first public hearing.

Principal Named For Terra Linda

George Yertson, principal of Temple City High School in Los Angeles County, will succeed Webster Wilson as principal of Terra Linda High School.

Leo Shortino, now principal of Bayside and Central schools in the Sausalito School District, will become the first principal of San Rafael's new Glenwood School.

The two appointments were made last night by the San Rafael Board of Education, both effective July 1.

Yertson is a science graduate of Montclair State College with a master's degree in education from Columbia University. He will take over Terra Linda High when Wilson leaves to become principal of a new experimental high school in the county Yertson is leaving —Los Angeles.

Shortino, a San Jose State College graduate in music and education with a master's degree in school administration from the same college, will direct the future Glenwood School at E Street until the new quarters are completed, which is expected to be next February or March.

CONTROL IN SAUSALITO

Windmills, Yes; Penthouses, No

By BRUCE COLEMAN

Windmills, spires and belfries are "in." Cupolas, penthouses and gables are "out."

The Sausalito City Council discussed these subjects last night in a somewhat balmy "study session" on the city's proposed new zoning ordinance.

The council moved item by item through many pages of the ordinance, making recommendations to William E. Spangle Jr., city planning consultant.

It was the fifth such session with Spangle. The study, according to Mayor Paul Micou, is about three-fourths complete. On completion Spangle will redraft the ordinance, and public hearings will be held. Micou said he hopes the ordinance will be ready to adopt by July 31. The council set

Novato Asked To Do Something About Pool

A score of irate parents in the vicinity of an uncompleted swimming pool which almost claimed the life of a four-year-old boy Monday demanded last night that the Novato City Council "do something" about the pool.

Emery (Guy) Curtice, 4, was rescued from the pool in St. Francis Heights Monday afternoon by his mother, Mrs. Lynn Curtice of 2375 Dominic Drive. He was reported in excellent condition today at Novato Hospital.

Mayor M. E. Silva calmed the parents somewhat by naming Councilman Howard Schoof and himself to a committee to investigate the pool.

George Caldwell of 767 St. Francis Avenue told the council that he had been after city officials for a week about hazards at the pool, which is being built by John Novak Inc.

"Why wasn't Novak cited last week?" Caldwell asked. "It's inconceivable that something like this must happen to get action on it."

"That man (Novak) has been a thorn in my side. I've warned him repeatedly to get that fence fixed," said Chief Building Inspector Fred Westfall.

Unidentified mothers in the crowd said they had complained for six weeks about the pool.

"I went out there today. I saw the fire department pump out the pool and Novak's men put up the fence," said Mayor Silva.

"The mothers themselves once repaired the fence," said Mrs. James R. Gilday of 766 St. Francis Avenue. "What good does fixing the fence do anyhow? Children and dogs can crawl under it."

SHOWS 'SMUT'—Assemblyman Richard E. Barnes (R-San Diego) shows some of the books and magazines he said he purchased and regards as "smut." (AP Wirephoto)

'AMERICAN SLANG'

Book Is Called Too Frank For Schools

SACRAMENTO (AP) — Assemblyman E. Richard Barnes says the book obtained for him from a high school library by a now-suspended student is too frank in its definitions of sexual matters, narcotics terms and expressions which defame minority groups.

The San Diego Republican called a news conference yesterday to explain why he asked Dennis Warren, 17, to get the "Dictionary of American Slang" from the library of Sacramento High School.

Warren got it, but was suspended Monday for four days because he checked the book out on another student's card. The book was returned by Barnes.

John M. Price, Sacramento district attorney, talked with the assemblyman, called the affair "a tempest in a teapot" and said he wouldn't file any charges.

But F. Melvyn Lawson, Sacramento school superintendent, said he didn't like the way Barnes got the book. He called it "a serious matter which can only breed fear and distrust."

Double Defeat On Credit Bills For State Consumer Counsel

SACRAMENTO (AP) — The legislature has handed the state consumer counsel a double setback on bills dealing with credit.

The mabjor defeat yesterday for the counsel, Mrs. Helen Nelson, of Mill Valley, came when the Assembly Finance and Insurance Committee killed Gov. Edmund G. Brown's main consumer protection bill of 1963.

The "truth in lending" bill would have required full, clear disclosure of the price of credit. Only one assemblyman, Phillip Burton (D-San Francisco) was heard to vote against sending the measure to interim study.

The bill's sponsor, Assemblyman Charles Warren (D-Los Angeles) was backed by organizations and a Kansas professor.

All said people now haven't the vaguest notion of the amount of interest they pay, and abuses of credit are frequent. Warren proposed that the finance rate be expressed as a simple annual rate on the unpaid balance, and that this this rate be in big type just above the spot where borrowers of credit sign their names to contracts.

The bill also would have required a statement of the total amount to be financed, expressed in terms of dollars and cents. Violators could be jailed for up to a year, fined up to $5,000, or both.

Opponents said the measure simply wouldn't work and wouldn't solve the credit abuses. Arthur Kaiser, California Retailers' Assn. spokesman, called the bill "confusing, impractical . . . difficult to police . . . and entirely unnecessary."

Opponents presented a Michigan professor who said the bill would "vastly complicate" the extending of credit.

The other setback came when the Senate Insurance and Financial Institutions Committee sent to the floor a bill extending the business of providing credit to pay for insurance premiums.

Mrs. Nelson said the bill by Sen. Luther E. Gibson (D-Vallejo) would lure families into financing their premiums from credit with interest rates as high as 30 per cent.

"This bill is unnecessary because it doesn't offer any service that isn't available now," she contended. The bill permits an industrial loan company to incorporate to finance premiums if it has $135,000 capital.

Reverse Death Penalty Move Fails

SACRAMENTO (AP) — The reverse moratorium on the death penalty proposed by Assemblyman George Deukmejian (R-Long Beach), got short shrift in its first legislative hearing.

The Assembly Criminal Procedure Committee rejected it yesterday, with only Deukmejian objecting.

He proposed extending the death penalty to armed robbery, burglary and kidnaping involving great bodily harm.

Final Exams Start At Ole Miss

OXFORD, Miss. (AP)—Final examinations begin today at the University of Mississippi and run through May 23.

James H. Meredith, 29, the university's only Negro student, will be taking his exams along with other students.

Girl Who Showed Knees Sent Home

ST. LOUIS, Mo. (AP)—"She has nice knees and I don't blame her for showing them," said John Pfifer, whose daughter, Jo Ann, was sent home yesterday from a high school class tour of Washington because her skirts were too short.

Jo Ann

Jo Ann, 18, had completed five days of the scheduled 10-day bus tour of the East Coast with 87 classmates. She worked as a sales clerk to earn most of the $400 required for the tour.

Her Knees

Jo Ann, a senior at suburban Mehlville High School, said the principal and four teacher chaperones warned her to lengthen her skirts, borrow another girl's clothes, constantly wear a coat, or return home.

Half of the clothes Jo Ann took along were those she has worn to school," said her father.

Kermit Bierbaum, superintendent of schools, declined to comment.

Hawaii Mops Up After Storm

HONOLULU (AP)—Islanders began mopping up today in areas of Honolulu that were struck by flooding rainwaters yesterday. The storm took the life of a child and forced about 75 families from their homes.

A two-hour deluge dumped up to six inches of rain in some areas of Honolulu and other communities on Oahu Island. Communications throughout the island were disrupted.

Rafferty Describes Politics Battle

SAN JOSE (AP)—Dr. Max Rafferty, state superintendent of public instruction, vowed yesterday a fight to the finish in his self-described battle to get poltics out of education.

Rafferty

Rafferty was warmly applauded by 700 delegates at the 60th annual convention of the California Federation of Women's Clubs.

He declared he had seen bills designed to help students from economically distressed areas turned into political footballs with legislators voting on straight party lines.

He urged the women to demand that legislators vote on the merit of school measures "instead of the party line."

"It is my job to blow the whistle on this sort of thing, and I am going to keep doing my job," Rafferty declared.

New FCC Chairman Named

WASHINGTON (AP)—To replace Newton N. Minow as chairman of the Federal Communications Commission President John F. Kennedy has picked a 34-year-old lawyer who finds some "green shoots" sprouting in what Minow once described as "a vast wasteland"—the field of television.

Minow

Minow, 37, handed in his resignation yesterday, five years before his term ends, to become executive vice president and general counsel of Encyclopaedia Britannica Inc.

To take his place, Kennedy chose E. William Henry, former member of a Memphis, Tenn., law firm, who has served as a commissioner on the FCC since last August.

Henry

To fill the vacancy on the commission, the president announced his intention to appoint Asst. Atty. Gen. Lee Leevinger, 50, who has been in charge of the Department of Justice's antitrust division.

William H. Orrick Jr., 47, deputy undersecretary of state for administration, would replace Leevinger.

William J. Rockett, assistant secretary of state for administration in charge of personnel would succeed Orrick, and Herman Pollack, deputy assistant secretary, would take Crockett's office.

Sub To Be Sunk In Thresher Probe

PORTSMOUTH, N.H. (UPI)—A World War II submarine was making its final sea voyage today—one Navy officials hoped would lead to the discovery of the sunken nuclear attack submarine Thresher.

The submarine Toro was taken out of mothballs yesterday and will be sacrificed at the scene where Thresher was lost April 10 some 220 miles off Cape Cod.

The Navy said it hoped that by deliberately sinking the Toro it would help guide searchers using sonar to the crushed hulk of the Thresher.

Anti-Billboard Bill Gains

SACRAMENTO (AP) — The view from the driver's seat on California highways is going to change—perhaps radically.

The definite change stems from a bill signed yesterday by Gov. Edmund G. Brown, altering the freeway and expressway numbering system. The measure by Sen. Randolph Collier (D-Yreka) eliminates the three main designations now used: state, federal and interstate.

Instead, when the bill takes effect late in September, there will be only one number for each highway, and it will be known simply by route and number. Some roads now have more than one number.

Collier said none of the state's major highway numbers will be changed—except U.S. 40—Interstate 80, which will switch to Route 80.

The possible revolutionary change would come if a bill approved yesterday by the Assembly Natural Resources, Planning and Public Works Committee is enacted.

Sponsored by Assemblyman Edwin L. Z'berg (D-Sacramento) on behalf of Brown, it would eliminate almost all billboards from state highways. The measure now goes to the Assembly Ways and Means Committee for financial consideration.

Sen. Fred Farr (D-Carmel) told the committee that "If you turn on the radio and don't like the ads, you can turn it off. But billboards you can't turn off."

The bill would bar most billboards in an 800-foot wide swath on either side of federal interstate routes and state highways not used as city streets.

Advertising now in these areas would have to be gone by late 1968. Some private signs could remain, such as those giving specific traveler aid or advice. Those advertising business on whose ground they stand, or on property offered for sale or lease, also would be permitted.

These, however, would have to come up to standards determined by the state vocational and professional standards director, who would be in charge of the program.

Billboard industry officials blasted the proposal. They said they didn't like the idea of an administrator telling "us what to do," and said regulation of outdoor advertising should remain in the hands of cities and counties.

Resolutions For Reshaping U.S. Fail

SACRAMENTO (AP)—California's legislature has turned down resolutions asking Congress to initiate constitutional amendments that would reshape the federal government.

On would abolish the federal income tax. Another would create a Court of the Union with the power to reverse decisions of the U.S. Supreme Court. The third would permit state legislature to initiate constitutional amendments.

Two of the proposals are under the aegis of the Council of State Governments in Chicago. Both were turned down by the Assembly Constitutional Amendments Committee.

One, killed outright, would set up a "Court of the Union" composed of chief justices of the 50 state supreme courts. Five legislatures of states not sharing a common boundary could summon the court into session within two years after any decision by the U.S. Supreme Court. A majority vote of the 50 men could reverse any decision of the federal court.

The other would require Congress to submit a constitutional amendment to the state if asked by two-thirds of the legislatures. If passed by three-fourths, it would be law.

The Assembly Rules Committee killed a resolution asking Congress to initiate an amendment to the U.S. Constitution abolishing the federal income tax and taking the federal government out of any activity which competes with private business.

The proposed amendment, by Assemblyman Robert Badham (R-Costa Mesa) has been called "the Liberty Amendment."

Air Fare Hike Public Hearing Is Called For

WASHINGTON (AP) — Senators angered by the U.S. backdown on a fare increase on transatlantic air routes called government officials today for a public airing of the international dispute.

In advance of an afternoon hearing of the Senate Committee, Chairman Warren G. Magnuson (D-Wash), protested this country had capitulated without a fight.

He estimated a 5 per cent increase in round-trip economy class fares will cost Americans traveling to Europe about 15 million dollars a year.

What does it mean to the individual passenger? He will be paying an extra $27 for his New York-London economy tourist roundtrip ticket, according to State Department officials. His fare will go up from $486 to $513.

The increase voted last fall by the International Air Transport Assn. actually is a reduction in the discount allowed for return tickets—5 per cent instead of 10 per cent.

The change went into effect Saturday in Europe, but until yesterday the Civil Aeronautics Board had refused to permit American Airlines to adopt the higher fares.

It announced then through an exchange of letters between CAB Chairman Alan S. Boyd and Secretary of State Dean Rusk that it was yielding to diplomatic pressure.

Rusk had suggested that in the absence of CAB authority to regulate international air route fares, Pan American World Airways and Trans World Airlines should be permitted to file the increased fares.

But Pan American said it planned to continue present rates for several days "until the situation clarifies." Trans World also seemed in no hurry to act.

Great Britain had threatened to confiscate American airliners landing in London and to take other steps to prevent their operation on the Atlantic run unless they went along with the rate boost.

Pilots Sought Over Pacific

HONOLULU (UPI) — Military aircraft flew precise patterns over the Pacific north-northwest of Johnston Island today searching for two lost California airmen.

The federal aviation agency in Honolulu indentified the missing airmen as pilot Ross Cairns and navigator Hartel Smith, both employees of Skyways Aircraft Ferrying Service, Sherman Oaks.

They were ferrying a twin-engined Beechcraft C-45 from California to Formosa.

Arrests In Germany

FRANKFURT, Germany (AP)—The West German government has arrested 11 East German journalists, including four who worked in West Berlin. The Bonn government permits East Germans to live in West Berlin but does not recognize their Communist regime.

Cooper Goes 'Round And 'Round In 22 Orbit Try

Continued from page 1

western Europe where it was presumed that millions of persons viewed the film. It included the first shots of an American space pilot in action in space. A television camera aboard Faith 7 sent live photos of the astronaut during the boost phase to monitors at Cape Canaveral.

As Faith 7 whirled through the heavens, Cooper frequently made satisfactory reports about his personal condition and the systems in the spacecraft. Early in the flight there was some concern about high temperature in the cabin but this quickly cleared up.

At 9:37 a.m., Cooper's Faith 7 spacecraft passed above the Florida-Georgia border to complete the first orbit.

That was one hour, 33 minutes after an Atlas rocket blasted off from Cape Canaveral to propel Cooper's spacecraft into a nearly perfect orbit ranging from 100 to 166 miles above the earth.

Each orbital pass was to take 88.7 minutes. The first circuit required longer because it included the boost phase of flight.

As Cooper completed orbit No. 1, he talked with astronaut Walter M. Schirra Jr. at Cape Canaveral. Schirra, whose six-orbit space flight record Cooper was out to break, told the pilot, "It was a beautiful shot."

"It looks pretty good from up here, too," Cooper answered.

Schirra told Cooper to turn on his television camera and as the pictures were relayed to a monitor at the Cape, Schirra said, "You look pretty casual up there."

"Boy, I am," Cooper replied.

As he whirled into his second orbit, Cooper shut off all controls and electrical power and commenced drifting flight, allowing the craft to move freely on its yaw, pitch and roll axes.

In this condition the vehicle rotates slowly, making about one revolution every 30 minutes if control is not re-established by the pilot. The capsule will not move far off course because it is flying an orbital path determined by the laws of nature.

Cooper said he had seen many of the sights witnessed by previous American astronauts, including the air glow layer on the horizon. As he passed over the Pacific near the end of orbit No. 1, he saw the "fireflies" first reported by John H. Glenn Jr. on his pioneer orbital flight last year.

L. GORDON COOPER JR.
Ready to go

The fireflies are created by flakes of frost falling off the capsule and being illuminated by the rays of the rising sun.

Cooper described his view of the sunrise as he came over the Pacific as tremendous.

As on all previous American manned orbit flights, the city of Perth, Australia, turned on all its lights as a greeting. Cooper said he saw the lights clearly from his vantage point about 160 miles in space. He hit the high point of his orbital path over Australia.

Minutes after entering orbit Cooper reported by radio that everything was "mighty good."

Astronaut Walter M. Schirra, in communication with Cooper at Cape Canaveral, said: "Great sport, isn't it?"

"It sure is," Cooper replied as he whizzed along on the first of a planned 22 circuits of the globe.

Cooper rocketed into space aboard a powerful Atlas booster which blazed away from Cape Canaveral at 8:04 a.m. (EST) with a roar and a flash of flames.

Five minutes later the one and one-half space craft had settled into its planned orbit path more than 100 miles above the earth. This was formally announced by Mercury Control Center.

Cooper took the control stick to rotate his capsule 180 degrees so that he was riding upright and backward, with the craft's blunt heat shield pushing a path through space.

As he turned the capsule around, Cooper told Schirra he could see his spent Atlas booster following behind him very closely, also in orbit.

Cooper, the 10th man and the sixth American to rocket into space, was slated for the longest U.S. manned flight yet.

Cooper's Atlas lifted off only four minutes behind the earliest possible launching schedule. The short delay was caused by a minor malfunction in the ground control guidance system for the Atlas.

The shot had been postponed yesterday because of trouble with a tracking radar on Bermuda.

Cooper's Atlas started him off today in the same flawless manor as other Atlases last year boosted astronauts John H. Glenn Jr., Malcolm Scott Carpenter and Schirra into orbit.

Once in orbit, the gravity pressures were suddenly gone and Cooper was in the strange world of weightlessness—in which he was to remain until re-entering the atmosphere at flight's end.

San Rafael Planners Urge More Park Sites

The San Rafael Planning Commission approved tentative maps of two subdivisions in East San Rafael last night, urging that school and park sites be included in the developments.

Maps were approved for a 226-lot tract proposed by Kerner-Bellam Realty Co. east of Bellam Boulevard, and 38 lots of San Rafael Cayes, planned by Luther H. Lincoln on land to be filled on the eastward extension of Canal Street.

Commissioners received a letter from Supt. Bert C. Corona of San Rafael schools, requesting action be delayed on the Kerner-Bellam map because the school district is considering purchasing a seven-acre school site in the area.

Commissioners approved the map with the stipulation that the applicant negotiate with the school district on a site.

Commissioner Gene F. O'Connor said that some provisions should be made in the area for recreational and park areas. "I think its high time the school board and the recreation commission be given an opportunity for land," he declared.

Commissioners also approved the final map of a 38-lot subdivision planned by Redmond and Walters Development Co. at the extension of Briarwood, Brentwood and Maplewood drives, and a tentative map of a 146-lot tract for Terra Linda Unit 20 at the west end of Manuel T. Freitas Parkway, proposed by Alameda Homes Corp.

The San Rafael Planning Commission also:

1. Approved the final map of a 16-lot subdivision at Rafael Terrace proposed by Eugene Treasrau.

2. Postponed until May 28 action on a four-lot subdivision along Bret Harte Road by Guy Duryee and a tentative map of Graceland Park Unit Two.

3. Set for May 28 second hearing on rezoning a parcel between Belvedere and Larkspur streets from commercial-light industrial to special residential, and second hearing on rezoning of 219 Ross Street from single family to duplex. There was no opposition to either proposal last night.

4. Denied a two lot subdivision on Tamal Vista Drive, north of the Miracle Mile.

5. Granted architectural approval to a Kaehler-Farrar five-unit building on Fairfax Street and another building at Sonoma Street, both at Bellam Boulevard.

6. Approved the resubdivision of two lots into three at Tweed Terrace by Charles Parmalee and the resubdivision of two lots at the Clorinda Avenue extension by L. W. Niggeman.

7. Approved a four lot subdivision on the east side of Glen Park Avenue, opposite Roger Drive, by Frank Merz.

8. Granted a use permit for a commercial parking lot at 912 Lootens Place to Jonn A. Brunner, and for an automotive repair shop at 25 Vivian Way to Edward Santa.

9. Granted Sperio Spilotis a permit to remove earth from the end of Mountain View Avenue until May 24 with the provision that he stop the dust and keep the streets clean. The commission received a letter with 24 signatures opposing the hauling.

10. Granted a use permit for extension of the D. W. Auto Parts wrecking yard on Mill Street, between Hoag and Harbor streets.

group representing the blind.

"Is that sufficient to comply with law about public funds?" asked Fusselman.

Nelson said the Elks Lodge originally agreed with Harry Heifetz, heading a senior citizens committee for the supervisors, to rent the building to the county at $215 monthly but the rate was subsequently set at $350. Meanwhile, Bank of Marin purchased the property, and plans to demolish the building in August.

"I have a check list of other buildings," said Nelson, "but I'm not clear about my responsibilities."

Behr said it would be up to Nelson to find a place for recreational operations not limited to any given group, but Nelson said that provision of a building in San Rafael is a city, not county responsibility.

When Behr said Nelson could be "a liason" with San Rafael, Supervisor William A. Gnoss wanted Novato to get similar attention.

Behr moved that the county take Heifetz off the financial hook for any rent he had personally assumed but it was finally decided to await reaction from the City of San Rafael.

MARIN FIRE CALLS

YESTERDAY:

1:06 p.m., Marin City—Fire at boiler room, Building C-41, caused by furnace leak. Marin County Fire Department responded. Damage about $25.

3:55 p.m., San Rafael—Car fire at Lincoln and Mission streets in car owned by Letty E. Williams, 101 Golden Hind Passage, Corte Madera; out on arrival; possibly caused by cigaret; damage to back seat $50.

5:30 p.m., San Rafael—Gravy in pot on stove in home of Frank Lento, 17 Delores Street; no damage.

7:30 p.m., San Rafael — After hours burning by Dale Friberg, 19 Perry Walk.

8:17 p.m., Tamalpais — False alarm at 115 Wisteria Way.

JOHN W. FORBRICK
Waiting for Cooper

Ex-Marinite Is On Hand In Pacific

When Maj. Leroy Gordon Cooper Jr. descends from spacecraft Faith 7—which is scheduled to be after 22 orbits of Earth—a former San Rafael student will be among those waiting to snatch him from the Pacific.

Capt. John W. Forbrick, who was graduated from San Rafael High School in 1950, is already in the Pacific as a member of a specially selected crew from the Air Force's 79th Air Rescue Squadron, based at Andersen Air Force Base in Guam. Similar crews are on station at points around the globe along astronaut Cooper's path of flight, to assist him if he comes down outside the designated landing area.

The captain is a son of Mrs. T. E. Venn, who resided in Novato when he was attending school in San Rafael. He is a graduate of Annapolis, and is married to the former Marilyn S. Browne of Alexandria, Va.

DRAKE

Continued from page 1

from the Inverness Water Co., which purchased the Limantour Mutual Water Co. a year ago for $5,000.

The PUC certified Inverness Water Co. to serve Inverness and Seahaven, which had been served by the Limantour company, and permitted extension of service to the 81-lot Drakes Beach Estates, 88-lot Drakes Bay No. 1, and 49-lot Drakes Bay No. 2. But it has issued no certificate to extend service beyond them. There are 89 lots in Drakes Bay No. 3 and 96 lots in Drakes Bay No. 4.

T. L. Chenault of Sacramento, general manager of Inverness Water Co., said today he was in no position to say whether the PUC would grant a certificate to extend water service to the last two tracts.

He said extensions are usually granted, but "I don't want to be in the position of second guessing the commission."

Chenault, however, wrote a letter dated March 18 saying water service "will be extended according to rules and regulations of the Public Utilities Commission."

County Planning Director B. D. Dobbs said today he and the supervisors relied on this letter when the final maps for the two tracts were approved April 23.

There was no particular conversation about water, Dobbs said. The supervisors asked if all conditions had been met, and "I said they had." Assurance of water is one of the conditions.

Dobbs said that when a large water district, such as Marin Municipal Water District, which is not regulated by the PUC, assures delivery of water, the assurance is reliable. The letter from Chenault was taken at the same face value.

"Those tracts will never be developed," Dobbs said. "I don't attach any significance to anything that happens either way."

Chenault said his letter to supervisors saying water service would be extended to the new tracts was written at the request of Bonelli.

BONDS

Continued from page 1

End schools. Each multi-purpose room is estimated to cost $78,000 except for one at West End School, estimated at $48,000.

No new bonds for the high school district are included in the proposed October election. Corona said one million dollars is left from a 1960 high school district bond issue of $2,800,000. These funds are to be used to purchase a new high school site, remodel San Rafael High School, and complete Terra Linda High School.

Corona said the elementary school district bonds, if approved, will raise the elementary district tax rate six to seven cents for two years. "The rates should then drop back," he said.

A priority chart for which improvements should be made first if the bond issue is approved will be ready in three or four weeks, Corona said.

Terra Linda High Contract Is Let

A $253,194 bid by Herrero Brothers of San Francisco to build an addition at Terra Linda High School was accepted last night by the San Rafael Board of Education.

The addition will provide 10 classrooms, including home economics, arts and crafts rooms. The two story building will be started almost immediately, said Supt. Bert C. Corona, and should be ready for use by February, 1964.

Other bidders were W. J. Kubon Co., San Rafael, at $259,976; Midstate Construction Co., San Francisco, $225,200, and Zoellner Construction Co., Ross, $254,230.

Sclerosis Victim Is Burglarized

A three-foot vase nearly filled with 25,000 pennies, 26 coinbooks full of coins from numerous countries, other coinbooks full of silver dollars, and a transistor radio were stolen yesterday from the home of a Corte Madera multiple sclerosis victim.

Mrs. Virginia Matheny, 45, of 100 Grove Street, told Police Sgt. David L. McIntosh she discovered the loss, which will total "several hundred dollars," on returning home around 9 p.m.

Mrs. Matheny is able to move around only with the aid of braces and a wheel chair and usually leaves her home only when taken by friends, said McIntosh.

Police found no signs of forced entry.

New Appraisal Reviews About 1.5 Per Cent

Inquiries about new appraisals of property in Terra Linda and Marinwood indicate so far that only about 1.5 per cent of the total appraisals in the area are being submitted for review, Marin County Assessor Bert W. Broemmel said today.

About 95 parcels of newly appraised property were discussed yesterday at the first of three information bureau hearings held by Broemmel's office for Terra Linda and Marinwood property owners.

Property owners in Santa Venetia, Los Ranchitos and Rafael Meadows will receive notices of new appraisals tomorrow and Friday. Information bureaus will open next Wednesday and Thursday from 1 p.m. till 9 p.m. in the Marine Corps Reserve Training Center at 153 Madison Avenue in Santa Venetia.

Drivers Escape In Auto Crash

Two drivers escaped with minor injuries last night from a broadside auto collision in Santa Venetia.

Marguerite Hudson, 19, a College of Marin coed of 4 Garden Avenue, Santa Venetia, started to make a left turn from San Pedro Road into Garden Avenue when her car was hit by one driven by Charles van Chalscha, 41, salesman of 629 Vendola Drive, Santa Venetia, the California Highway Patrol reported.

Miss Hudson was treated for a cut nose, and van Chalscha for rib injuries, both at San Rafael General Hospital.

Salesman Injured As Car Rams Power Pole

Robert E. Brown, 39, of 50 Fairfax Street, Apt. 5, San Rafael, suffered chest injuries at 8:34 p.m. yesterday when his car rammed a power pole on Francisco Boulevard near Bay Street. He was reported in satisfactory condition today at San Rafael General Hospital.

San Rafael police reported Brown, a real estate salesman, told them he pulled left to pass a slow-moving car, then had to swing right to avoid an oncoming vehicle.

CONTROL

Continued from page 1

May 28 at 8 p.m. for its next study session.

"Windmills. That makes me real homesick," said Councilman Jan Paul Dyk, who is Holland-born. The council discussed windmills under conditional use permits. Windmills stayed in the ordinance.

"Belfries are definitely needed," said Micou. Belfries remained.

Hose towers were deleted, fire towers kept. Also remaining are scenery lofts, commercial radio and television towers, spires and chimneys. Out are penthouses, cupolas and gables. Spangle admitted that requests to build these "appurtanances" are rare but said they should be spelled out in a city ordinance.

Round houses (homes) were also discussed with reference limitation, Building Inspector William L. Hynes saying they can be troublesome when it comes to determining where to measure them. (Height limitation for houses on inclines is measured at 32 feet from midpoint of house down the slope.)

"Let's go away from round buildings," said Dyk, "because I haven't seen many of them. Do you see problems with square buildings?"

"Yes," said Hynes, pointing out that a square building can be set cockeyed on a lot.

Hynes also questioned whether ramps are part of houses and can thus be used to measure center point for height limitation. No stand was taken on this.

The council concluded it will hold fast to its 32-foot height limit.

Bouncing to "step-down buildings," Councilman Michael Harris declared "They are swell if you live in them. If you look at them from the outside, they are monstrous." (Step-down buildings are stepped down on an inclined lot.)

Dyk spoke against pole and stilt houses, saying they do not look good to the man living below.

Carl W. Spring, in the audience, suggested a requirement that floor joists, plumbing and pipes be covered on the underside of a house. Micou suggested this be put into the building code.

The council gave television aerials a twirl, deleting a provision that chimneys, flagpoles, radio and television aerials may exceed the height limit by up to six feet.

Councilman Howard Sievers said "a lot of TV aerials obstruct a lot of views." Hynes said there has been no complaint so far.

"They don't stay up long. A good southeasterly blows them down," said Russell H. Papenhausen in the audience.

Councilman also spoke in favor of putting all utility wiring underground in new subdivisions. Another recommendation was that poles, when allowed, be 40-50 feet high instead of 75 as proposed by Spangle.

"All power lines," said Harris, "should be elevated at least minus three feet."

OBITUARIES

Ambrose Lamperti Dies At 77

Ambrose E. Lamperti of 104 Clark Street, San Rafael, a retired welder, died in a local hospital yesterday after a brief illness. He was 77.

A native of Lonate Pozzolo, Italy, Lamperti came to California at the age of 20. He settled in Marin County 10 years later. His last job as a welder was at Hamilton Air Force Base. He retired there in 1950, completing 33 years in the trade.

He leaves his wife, Rosa Lamperti of San Rafael; two sons, Modesto R. Lamperti of San Rafael and Charles J. Lamperti of San Anselmo, and four grandchildren. Modesto Lamperti is assistant building inspector for the City of San Rafael.

A funeral cortege will form at Harry M. Williams Mortuary at 9 a.m. Friday and go to St. Raphael's Church, San Rafael, where a Requiem High Mass will be offered at 9:30 a.m. Burial will be in Mount Olivet Cemetery, San Rafael.

The Rosary will be recited at 8 p.m. tomorrow at the mortuary.

HARVEY WINSTEL

Funeral services for Harvey J. Winstel of 632 Wilson Avenue, Novato, who died yesterday, will be held at 1 p.m. tomorrow in the Redwood Chapel Funeral Home.

Winstel, who was a bartender at Karl's Klub in Novato for 10 years, was a veteran of World War I. He was active in the American Legion, helping to organize the Twin Cities Post in Larkspur-Corte Madera. He was a member of the Lloyd Andrews Hamilton Post of the American Legion in Novato. He was also a member of Bartenders and Culinary Workers Union Local 126.

Burial will be in Golden Gate National Cemetery in San Bruno.

Directors 'Have Lot To Learn'

By FRED WYATT

Directors of the Corte Madera Sanitary District have many things to learn about it after firing Sec.-Mgr. William A. Adam last week.

This was disclosed by Director John R. Adlard, under questioning by the Independent-Journal, as directors faced an adjourned meeting at 7:30 p.m. today at 500 Tamalpais Drive.

Adlard said:

1. He, at least, isn't sure whether the board will want a new manager.

2. The whole board does not know the facts about a payroll account in Larkspur.

3. "No one knows" the number of the district's employees.

Adam, secretary-manager since 1954, was summarily fired by unanimous board vote last Wednesday after an uproar at a meeting the preceding night over a long buildup of complaints by town officials, residents and a maintenance man, Max H. Graefe, who was fired by Adam on May 3.

Adlard said rehiring of Graefe last Friday was temporary at Graefe's old rate of pay of $4.70 an hour—but only "for a nominal 40-hour week unless there is an emergency."

Graefe, who last week termed himself employed for supervisory and inspection duties as well as maintenance, is limited now to maintaining pumping stations.

The board last Dec. 4 instructed Adam to offer Graefe $734 a month salary, after his pay on hourly basis for several months ran to $1,000 to $1,100. The old hourly rate would equal $188 a week or $827.20 for a 22-work-day month. Graefe said he received his excess over this at the straight-time pay rate.

An insurance salesman talked to the board last week of "eight employees" of the district, but Adlard could recall only four besides Graefe. He said their status is undetermined.

These are Mrs. Porta Fitzgerald, recording secretary named secretary by the board last week; Marjorie Toller; Frank Dumalo, a maintenance man, and another maintenance man who may have been hired by the day.

Sausalito School Board Renews Three Contracts

Contracts for three principals in the Sausalito School District were renewed Monday night by the board of trustees for one-year terms. Action was taken in closed session.

Principals are Robert D. Thompson, Richardson Bay; Morris Brown, Manzanita, and Leo M. Shortino, Central and Bayside.

The Sausalito School District board also:

1. Decided to ask the state fire marshal to inspect Central School and heard that a fire escape from second floor to upper terrace would cost about $4,500.

2. Agreed to renew a KQED television service contract for Central School for $233 and to look into possibility of television service at Manzanita School.

3. Accepted resignation of bus driver Larry Brown.

4. Requested a $25,000 loan from the county due to shortage of funds, the money to be repaid when tax funds come in.

5. Stated its intention of dedicating certain portions of Buchanan Drive to the City of Sausalito and set a hearing for May 27.

6. Decided to re-hire Mrs. McGhee, fifth grade teacher at Richardson Bay, for one year.

7. Agreed to set up a speech clinic during summer school program at Richardson Bay at no cost to the district.

In Key Society

Gregory M. Heine of Terra Linda has been elected to the Key Man Society of the San Francisco Junior Chamber of Commerce. Heine is a board member of the junior chamber and serves on the civic development committee of the San Francisco Chamber of Commerce.

Larkspur Council Is Due Budget

The fiscal 1964 budget, a proposed personnel ordinance, and a public hearing on rezoning part of Magnolia Avenue will occupy the Larkspur City Council at an adjourned meeting at 8 p.m. today in city hall.

City Mgr. Ronald E. Piper has recommended that the council cut $63,000 from $460,719 tentative budget. It carries a 30-cent tax rate hike for most of Larkspur.

The public hearing will be on a planning commission recommendation to rezone Magnolia Avenue from Hillview Gardens to College Park Avenue from residential to restricted commercial.

Redwood High Spring Music Fete Friday

Music ranging from boogie to Beethoven will be featured in Redwood High School's spring music concert, "On the Mall," scheduled for Friday at 8 p.m. in the Larkspur school's central quad.

The program's theme originated from summer concerts in New York City's Central Park, where the march, "On the Mall," was used as the opening number.

Three Redwood bands will play. The regular band will perform musical comedy and classical selections. The newly formed stage band will play boogie and blues numbers. The regular, stage, and intermediate bands will combine to form a group of 65 musicians to play several compositions, among them "Overture Eroica" by Beethoven.

Other selections include Leonard Bernstein's "Candide," a musical staged before "West Side Story," and Rimski-Korsakov's "The Golden Cockerell," a wild, ritualistic, Pagan wedding march.

Refreshments will be served by members of Redwood's Music Federation, a club composed of music students and other interested persons.

Eagles, being fish eaters, prefer to live on a shore.

Hub Patrolman Quits For Job In Fairfax

Patrolman Andy J. Grimes Jr. of San Anselmo resigned from his $556 per month job last night to join the Fairfax Police Department, where he sees "opportunity for advancement within the near future."

Grimes has been with San Anselmo for four years. His resignation is effective June 1.

In his letter to Chief Raymond R. Buchignani, Grimes expressed "deepest gratitude and respect to you, Chief, for making my term of employment both enjoyable and pleasant."

"My decision to leave this community for what I believe to be advantageous to my family and myself is, therefore, with regret due to the friendship and courtesy shown by all concerned."

Fairfax has vacancies in the position of sergeant because two sergeants resigned there during the past few months.

20 Rings, 2 Necklaces On Display At Redwood

Twenty silver rings and two necklaces, all hand made by applied arts classes at Redwood High School, are now on display in the school library.

The rings, produced by the "lost wax" casting method, were made by the students for $1.30. The rings would have ordinarily cost between $25 and $300 if purchased in a jewelry store, according to Thomas E. La Mantea, applied arts instructor.

A Cappella Choir Slates Concert At College Friday

College of Marin's A Cappella Choir will present its spring concert Friday at 8:30 p.m. in Olney Hall on the Kentfield campus.

The major work on the program is "Alleluia" by the contemporary American composer, Randall Thompson, according to director John H. Myers, who heads the college's music department.

Soprano Kathryn Greiner will sing the solo part in the Negro spiritual, "There Is a Balm in Gilead." Craig Bond will be heard in solo parts of "South Pacific Choral Selections" by Rogers and Hammerstein. Judy Paplov will accompany the choir.

Other works to be sung are by Bach, Palestrina, di Lasso, Mozart, Ippolitoff-Ivanov, Elgar, Sacco and William Billings, America's first native born composer.

'Bring A Book To School' Drive Is Planned For Friday

"Bring a Book to School," a drive intended to fill the Marin County Library with children's books, will be held throughout the county on Friday. The drive is sponsored by the Marin Council for Civic Affairs and various parent-teacher associations.

Nursery school children through eighth grade students have been asked to take books to school, where they will be picked up by members of parent-teacher associations.

"It will be some time before the library can buy enough books to overcome the sudden jump in demand since the library moved to the new Civic Center," said Mrs. Vera Schultz, chairman of the council's civic center committee.

The drive will put a number of people in the position of being unable to use the books they have donated without paying for them. The county library does not lend books to residents of San Rafael or San Anselmo unless they pay a $5 membership fee to the library.

The county library and the Sausalito and Mill Valley public libraries are all part of a North Bay library cooperative which has a reciprocal lending policy among members.

Directors of several schools, who asked not to be named, declined to participate in the drive after learning the books would not be available for their students' use.

The books, said Mrs. Schultz, should be hardbound, in good condition, and suitable for library circulation.

Fishermen Back At Sea As Salmon Price Rift Ends

Northern California salmon fishermen, including many from Marin County ports, went back to sea yesterday after a 10-day dispute over prices.

Fishermen brought in their lines and refused to go after salmon on May 3 when wholesalers cut prices by five and 10 cents a pound. Under the agreement reached yesterday, price of large salmon will stay the same, 65 cents a pound.

Medium salmon and small salmon will each drop five cents to 45 and 35 cents, respectively.

Vernon Mendenhall, manager of A. Paladini Inc. at Point Reyes, said all boats were out today. The Point Reyes fleet varies. On a busy day, the Paladini firm will handle catches from as many as 100 boats, Mendenhall said. A total of 400 boats from Monterey to Eureka were idle during the dispute.

Safe Bus Driver

Clarence H. Doty of 1232 Irwin Street, San Rafael, has been awarded a gold watch for 10 years and 35,000 miles of safe driving for Western Greyhound Lines.

Hub Legion Post Nominates Smith

Chester Smith of San Anselmo was nominated Monday night for commander of San Anselmo Post 179 of the American Legion.

Smith is now first vice commander of the post. Alexander J. Rzepiela was nominated for first vice commander and Ralph Lewis for second vice commander.

Nominations will continue and an election will be conducted at the May 27 meeting.

Walter Berta, post commander, reported that post membership for 1963 has reached 348.

The post will have its annual dinner honoring past commanders May 25 at the Legion Log Cabin, and will be host to a Fifth District meeting June 9.

Numbers May Blossom Out In Street Rift

The controversy over changing the name of Blossom Court in San Rafael may be resolved by the numbers.

The postmaster and fire chief want to change the name to avoid confusion with Blossom Drive, but the residents of Blossom Court want to keep the name.

Several residents told the San Rafael Planning Commission last night there was no "confusion" in locating them. They claimed that the "utilities found us, the salesmen finds us, and the mailman finds us."

Commissionsr decided that since some of the confusion results from similar house numbers on Blossom Drive and Blossom Court, possibly the names could remain, but the numbers changed. They postponed decision until May 28.

Mrs. Dalrie S. Lichtenstiger, 16 Hawthorne Lane, Corte Madera, executive director of the Tuberculosis and Health Assn. of California, today described the use of electronic data processing equipment at the annual meeting of the National Tuberculosis Assn. in Denver.

SLIGHT TAX HIKE PROPOSED IN HUB

San Anselmo's proposed budget for 1963-64 fiscal year shows a slight increase over the current year, but the tax rate will increase only about 1½ cents, City Mgr. Douglas J. Flautt reported last night.

The proposed new budget shows total expenditures of $682,200, as compared with this year's $622,500. It calls for a tax rate of $1.89, as compared with the present $1.875.

City councilmen decided they would meet two or three nights next week and perhaps the following week to go over the budget department by department. Exact dates for the budget meetings will be set at the council's meeting next Tuesday night.

The San Anselmo City Council Also:

1. Gave first reading to an ordinance to annex 38 acres between The Alameda and Durham Road. Del May Investment Co. of San Rafael wants to put homes on about 50 acres of land in that area. There was no protest last night against the proposed annexation.

2. Approved rezoning of the lots closest to Center Boulevard will remain commercial, and the rest of the lots along San Anselmo Avenue rfom Center to Oak Knoll Avenue will be rezoned to apartments

3. Approved apartment zoning for two lots at the northeast corner of Saunders and Center Boulevard. Ray E. Nolan plans to put in eight apartment units.

4. Awarded L. H. Leonardi of San Rafael a $2,195 contract to install a pedestrian push button signal on Ross Avenue at San Anselmo Avenue. School children need the signal to cross busy San Anselmo Avenue.

5. Appropriated $515 to repair roof leaks at the city hall and the recreation building at Memorial Park. Vincent Pallavicini will do the work.

6. Granted a blasting permit to Kaehler-Farrar Development Co. at a building site at Rafael Racquet Club Estates.

7. Proclaimed May 24 and 25 as Poppy Days in San Anselmo.

8. Re-appointed Jerry Lloyd to the planning commission. Postponed re-appointment of Walter Carter to the city board of review until councilmen learn whether Carter is willing to serve another term.

9. Postponed a decision on a 21-foot high sign, requested by Ken Shields of Ken's Drive-In. City councilmen decided they wanted more information about the proposed sign.

10. Gave first reading to rezone the Rosenthal and Prosser Tracts so that minimum lots would be 20,000 square feet. The area lies in the hills on the western edge of San Anselmo, between Ross and Fairfax.

Reed Application Approved By State

The State Allocation Board yesterday approved the application of Reed Union School District for $16,432.

Supt. Edward Pinot said the money was for preliminary planning for the 14-room Marin Estates-Mariner Highlands elementary school, scheduled for occupancy in September 1964.

'Troopers Threat In Alabama'

BIRMINGHAM, Ala. (AP) — A Negro leader says Gov. George C. Wallace is trying to undermine a biracial agreement on Birmingham's racial problems by keeping state troopers in the city.

While the Rev. Fred L. Shuttlesworth was calling on Wallace last night to remove the highway patrolmen, Wallace again was calling on President John F. Kennedy to withdraw special federal troops he sent into Alabama.

Wallace replied to Shuttlesworth, one of the top leaders in the desegregation campaign, that the state troopers would remain in Birmingham as long as he thinks they are needed to help maintain law and order.

The White House announced no reply to Wallace's latest telegram protesting the federal troops, but the president has shown no inclination to recall the soldiers in previous exchanges with the Alabama governor.

The president had lunch yesterday with 24 Alabama publishers and editors and the main topic of discussion was the state's racial problems.

Novato Sets Up Three Fire Zones

Fire zones were established in Novato last night by the city council.

Fred Westfall, chief city building inspector, asked the council to adopt the standard three fire zones.

"Novato is under zone three in Marin County, which has the loosest type of regulations," Westfall told the council. The new zones apply only to new construction. Commercial buildings, in zone one, will require a four-hour fire wall; zone two, with restrictions much less, takes in all types of multiple housing; zone three takes in single family residences.

The zones will be determined by the land use put on the property, so they will change as areas are rezoned for use, Westfall explained.

Lloyd T. Hunter was awarded a $28,376 contract to remodel the city owned Presbyterian Church properties into city offices. Hunter's bid was lowest of four.

The assessment in St. Francis Heights assessment district was lowered from $116,000 to $98,820. James Milne, attorney for the district, told the council construction had cost less than expected. This lowers the assessments on each lot from $3,225 to $2,745, Milne said.

A claim of $5,123.26 in damages against the city by Leonard Smith of 879 Eucalyptus Avenue, was denied. Smith's car was hit by a police car driven by officer Harold E. Sutton (since discharged) on March 2.

The Novato City Council Also:

1. Annexation of four lots on Arbor Circle off Wilmac Avenue.

2. Approved a summer recreation program to cost $7,780 compared to $9,095 spent on the identical program last year. This year 16 part-time employees will conduct the program under Edmund Mahany, director of parks and recreation.

3. Approved closing city offices, except police, from noon to 1 p.m. daily, effective June 3.

4. Accepted with regrets the resignation of William Schneeflock from the planning commission.

5. Approved the city administrator joining the North Marin Coordinating Committee composed of the administrators of the city of Novato, North Marin County Water District, Novato Fire District and both school districts.

6. Approved $41,005 on claims for April.

7. Adjourned to 8 p.m. next Tuesday to hold the first public hearing on the 1963-64 budget.

Proposed Marin Budget To Be Ready Tuesday

Marin County's proposed budget for 1963-4 will be ready for the supervisors' meeting next Tuesday, Auditor-Controller Michael Mitchell told supervisors yesterday.

Administrator Alan Bruce said Asst. Personnel Director Robert D. Elliott is nearing completion of a survey and analysis of county salaries, to be included in the budget.

He gave the supervisors some preliminary aspects of the budget in a special message, not read or considered yesterday, estimating a 7.2 per cent population increase during the present year adding up to 1,000 new residents monthly.

"With due respect to the Marin County tradition of making eary estimates" on tax rate, Bruce said it's not possible to do this at all accurately yet.

Unknown factors, he said, include the increase in assessed value not to be disclosed until August; carry-over balances not known until July 1; estimates of revenue from non-property tax sources due for revision in July and August, and changes in state laws.

But present state law changes make many increases unavoidable, Bruce said, though most will be accomplished by more state and federal tax money—"not 'free' money (but) return of some of our money paid." Welfare, he cited, is up $114,000 but with estimated subventions increased by $116,000.

Some things with no non-property tax revenue are apparently up to a total of $193,000, including law enforcement, jail and allied items.

The board approved a schedule of meetings with county department heads from June 12, starting at 9 a.m. with "superintendent of schools, miscellaneous education," through June 21 when 10 a.m. is to start the last item with both overall policy and specific item decisions on 22 applications for money under "promotion and development."

San Rafael School Trustee Questions Cost For Nursery

A proposal for a third session at the Terra Linda Cooperative Nursery School, with the San Rafael Board of Education paying part of the bill, was questioned last night by one of the board's new members.

Supt. Bert C. Corona estimated the cost to the high school district for the expanded program at $1,100. The remainder, more than half the expense of running the school, is paid by parents of children enrolled in the school.

"Is there somewhere in the high school budget where we can use the $1,100 better than at the nursery school?" asked Walter J. Doll, the new member.

District funds for the nursery go under the heading of "adult education" since parents of nursery school children are required to attend night classes in "child development."

Board members agreed to look into the program at their next meeting May 28 when they discuss the budget.

The San Rafael Board Of Education Also:

1. Authorized appraisals of five lots it expects to sell at the Glenwood school site by Edward P. Morphy of San Rafael and Ray Farrington Jones of San Anselmo.

2. Received approval from the State Division of Architecture of additions planned for the West End School, including a classroom, book room, and new corridor.

3. Heard a letter from William F. Dresia, science teacher at San Rafael High School, in which he said: "I am very sorry indeed if I have offended any of my friends on the board." Doll criticized a report from Dresia on a science teachers' convention he attended recently because Dresia included a plug for higher teacher salaries.

4. Approved televised lessons by station KQED for grades three through six during the next school year (1,802 pupils) at 75 cents a pupil and for 65 teachers at $1 teacher for a total of $1,416.50.

5. Approved calling for bids on athletic equipment and supplies estimated to cost $25,688, a new office for the administration building, $3,500, and miscellaneous equipment for the district, $1,310.

'Negro And Politics' Talk For Young GOP

Jefferson A. Beaver, Negro business executive, will discuss "The Negro and Politics" at a meeting of the Marin Young Republicans at 8 p.m. Tuesday at the Terra Linda Community Center, 670 Del Ganado Road.

Beaver, executive vice president of Trans-Bay Federal Savings and Loan Assn., is a resident of San Francisco.

VOICES RAISED AGAINST REED UNIFICATION PLAN

Voices protesting unification of the Reed School District were heard at last night's meeting of district trustees.

Letters from Mrs. Joseph Marshall and Mrs. William Ferguson both urged reconsideration of the trustees' stand against unification of the entire Tamalpais High School District.

Mrs. Marshall said she favored the broader community contact which a large district could provide.

Mrs. Ferguson said that now that the County Committee on School District Organization had "disallowed the Reed proposal it was the logical time to explore other ideas." To this Chairman David D. Ring replied he supported the idea but "the way the county committee works we won't have time."

Trustee Richard J. MacLaury said the Reed study committee felt a unified Reed district could start with a high school, ample in every respect and comparable favorably to Novato and Redwood high.

"The only thing we have decided is to present our plan to the augmented committee and ask them to study it. We are not committed to it," he said.

MacLaury added he prefers a small district because residents are divorced from the schools in a large district.

Mrs. Marshall said she feared the tax situation if Reed tries to go it alone without Strawberry and Larkspur. Trustee Alyce Farkas replied: "We do not gain by adding them. In fact we are better off financially without them."

"We shouldn't use the schools for uniting Southern Marin," trustee Leon Souza told Mrs. Marshall.

Ring claimed studies indicate there would not be much tax increase if Reed were unified. If the Tamalpais District unified, he said, taxes would increase.

Benton Bostick, a spectator, urged compromise. He recommended joining with Larkspur, and Ross districts.

Mrs. Farkas described the augmented county committee meetings as "Mad Hatter's tea parties" at which nothing was accomplished. She said the deciding vote to study unification of Tamalpais district as a whole was cast by a man who favored a four-way split but wanted to get the issue before the voters.

Trustees accepted the resignation of Gail R. Jamar, Marilyn Fitterer and Yvonne C. Hickey. Ronald G. Ottesen was appointed probationary teacher.

Supt. Edward C. Pino was authorized to establish the position of lead teacher in each building, whose primary function would be to act in emergencies during the absence of the principal.

The bid date for Del Mar School addition was changed from May 28 to June 4.

Salaries of certified and classified employees were discussed but action was postponed until the May 28 meeting.

Man, Woman Injured In Bridge Crash

A San Rafael man and an Oakland housewife were injured in the crash of three eastbound cars on the San Rafael-Richmond Bridge when the woman halted for a flat tire yesterday.

Mrs. Nellie Dodge, 64, stopped her car about 8 a.m. near a call box to summon aid. A car driven by Paul E. Melcher, 43, of 106 Ridgewood Drive, swerved to avoid her but struck Mrs. Dodge's car, then spun around and sideswiped a car driven by Catherine Elsa Janke, 20, Santa Rosa clerk, the California Highway Patrol reported.

Melcher was treated for a cut lip and bruised right forearm at Marin General Hospital, where he was reported "satisfactory" today.

Mrs. Dodge suffered chest, knee and elbow injuries, and was transferred by ambulance to Oakland.

On September 21-22, 1961, Antonio Bertondo of Argentina became the first man to swim the English Channel round trip, taking 43 hours and 15 minutes.

Former Novato Employee Rips Baget

Mrs. Katherine Clark, who resigned from the Novato Police Department on April 1, last night charged City Administrator J. Julien Baget with unfair treatment in filling a position promised to her.

Mrs. Clark charged that Baget tried to get her to take a position as secretary to the public works department at $324 per month, then hired someone from outside city employ at $357. The job went to Mrs. Inez Burdick of 617 Rowland Boulevard.

"A 'squeeze play' being carried on by the highest salaried official of Novato," was the way Mrs. Clark described Baget's dealings. She read her charges from a three page letter to the council.

She charged "methods of operation used by Baget resulted in his not having the cooperation of his department heads."

She accused Baget of "blasting" her with the statement, "I run the city."

"I was under the impression that the taxpayers run the city through the city council," she read.

Baget told the council Mrs. Clark had been hired on a temporary basis at the city hall when he was absent on sick leave. He said her work was satisfactory and she transfered to the police department because there was a permanent position there. She then quit the police department because her family life would not allow her to work the night shift to which she had been assigned, he reported.

"Mrs. Clark and one other applicant were the two finalists for the (public works) position," Baget told the council. "I relied on the judgment of the department head in picking his secretary."

The council took no action on the complaint.

Bowles Will Speak To Marin Democrats

Chester Bowles, ambassador to India, will speak briefly at a fund-raising reception for Marin County Democrats at 5:30 p.m. Monday at the home of Mr. and Mrs. Bennet Skews-Cox on Laurel Grove Avenue, Ross.

Reservations may be made by calling Democratic Headquarters or Mrs. Herbert Appenzell in San Rafael.

Aerojet May File For Engine Tests At Islands Off Point San Pedro

Aerojet-General Corp. will probably file application next week for permission to test rocket engines in deep water close to the Three Sisters, small islands a half mile off Point San Pedro.

"This site seems most desirable and we have heard of no objections from adjacent property owners," Robert Truax, manager of the firm's advance development division, said today.

A proposed deep water test site off Angel Island was dropped Monday after protests from Tiburon residents.

Truax said application to the Army Corps of Engineers on the Three Sisters Site will probably be filed next week. There is a mandatory 30 day period of notice before the corps can act on the application.

Truax said the deep water testing will make little or no noise. There will be noise in the shallow water testing where the engine will rise above the surface of the bay.

Truax said the shallow water testing off Richmond Point will probably begin in September. The noise, he said, will be largely supressed by spray kicked up by the engine.

The deep water testing, where the engine is held underwater during the firing, will start after the shallow water tests are completed, Truax said.

If the firm is unable to get clearance on the Three Sisters site, it will probably seek permission to test south of Red Rock. This is three miles from San Quentin and about a half mile south of the Richmond-San Rafael Bridge. There are navigation lanes on both sides of this site. It is no so desirable as the Three Sisters site, Truax said.

Terra Linda Interchange Work Due

Construction of access roads from the Terra Linda interchange on Highway 101 to the county fairgrounds site adjoining the Civic Center will be started by the county within the fiscal year, public works director Donald R. Frost told the board of supervisors yesterday.

Frost presented plans he will submit to Hale Champion, state director of finance, of a five-year program for development of the fairgrounds site.

The county expects to assure a continued appropriation and retention of $105,000 a year from state race-track revenue. The device was worked out to avoid the usual necessity for spending every appropriation within the year which it is appropriated, not an efficient process for such a large under-undertaking.

The architect is to prepare final plans for an exhibition building and grandstand during fiscal 1964-65. Actual construction is to be within the fiscal 1965-66, according to Frost's schedule.

Frost noted that the proposal to construct a Veterans Memorial Auditorium on the fairgrounds, rather than on the Civic Center area as initially projected, is still under consideration.

Mill Valley Lions Officers Elected

Louis Pizzio has been elected president of the Mill Valley Lions Club to succeed William Gilmore. Pizzio and other new officers are to be installed in ceremonies June 22.

Other officers are James Canepa, first vice president; Stephen P. Dimitroff, second vice president; Ernest Sanders, third vice president; Richard Harrison, secretary; Richard Ferns, treasurer; Jack Brabo, bar master; Gordon Reynolds, tail twister; Michael La Torre, Lion tamer; George Larson, bulletin editor. Elected as directors were Leonard Blakely, Joseph Brewster, Cecil Brown, and Jack Meyers.

Pike Warns Tongue, Non-Tongue People

Warnings for both those who speak in tongues and those who do not are carried in a report on the subject released today by the Episcopal Diocese of California.

Clergymen who do not practice glossolalia, or speaking in tongues, were told to avoid contempt in dealing with the subject and with those who practice it. Clergy and laymen who speak in tongues were warned against a feeling of "spiritual superiority" over those who do not.

The warnings that tongue people and non-tongue people should see eye-to-eye were in a 20-page report requested by Bishop James A. Pike. The report, given the Bishop May 2, but not then made public, was the basis for his pastoral letter read in all churches in the diocese on May 5.

In his letter, the bishop asked for caution in the use of tongues and said there was danger of heresy in the practice were carried to extremes. Rev. Tod W. Ewald, rector of the Holy Innocents Episcopal Church in Corte Madera, leads a healing service at his church Thursday night at which there is glossolalia.

The report, sent today to all clergymen in the diocese and other Episcopal bishops throughout the country, estimates that there are about 12 Episcopal clergymen and 200 laymen who practice tongues. The movement, common since the last century in Pentecostal churches, has entered the Episcopal church within the last two years.

Traffic Study Is Requested By Directors In Terra Linda

Terra Linda Community Services District directors decided last night to request once more a comprehensive traffic study at the intersection of Manuel Freitas Parkway and Las Gallinas Avenue.

The board will ask both the city of San Rafael and the Marin County Public Works Department to make traffic counts at the intersection.

"The last complete traffic count was made apparently in 1959 by the county," said secretary-manager Annette Bode. "Conditions have changed a lot since then."

Traffic at the location has concerned the CSD board for more than a year. The San Rafael public works department reported traffic signals were not necessary. CSD directors claimed San Rafael's alleged study may not have included traffic counts more recent than the 1959 count.

Firewood Taken At Building Site

A big load of newly cut firewood disappeared from a building site in Bolinas, owner Earl D. Baldwin of Mill Valley reported to the sheriff yesterday.

Baldwin, a contractor, said he hired Thomas Jones Barfield of Bolinas to cut and clear eucalyptus logs from two lots at Ocean Parkway 885 in Bolinas. On Monday Barfield cut the logs into two-foot lengths and stacked enough to fill a pickup truck.

Yesterday morning, all the firewood had vanished.

HUB, SUNNY HILLS MIGHT MAKE DEAL

The City of San Anselmo and Sunny Hills might be able to work out a land exchange deal "mutually advantageous to both sides," Mayor John M. Reichmuth said last night.

The city council appointed Reichmuth as a committee of one to discuss with Sunny Hills officials on an informal basis what type of land-swap can be worked out, if any.

"I certainly won't make any commitments," said Reichmuth. "It may all come to nothing. And then we might be able to work something out."

Sunny Hills has a home for children and a large parcel of land on the east side of Sir Francis Drake Boulevard near Isabel Cook School and the city's Memorial Park. However, about 13 acres of choice Sunny Hills land will be taken over by the San Anselmo School District for a new school site.

The city, on the other hand, has about 60 acres now being used as a corporation yard on the old Sorich Dairy property at the end of San Francisco Boulevard.

Reichmuth reasons that if Sunny Hills can use some of the Sorich property, the city might be able to use some of Sunny Hills land to expand Memorial Park. But Reichmuth emphasized that this is all mere conjecture thus far, and nothing may ever come out of it, although "there's no harm in talking it over."

Performing Arts Fete Set May 29

A group of Marin County musicians will open the third annual Festival of Performing Arts May 29 at 8 p.m. in the Barn of the Marin Art and Garden Center in Ross.

Appearing will be the Marin Arts Quartet and two choral groups: Maria Pro Musica, founded and directed by Wilbur F. Russell, and the Winifred Baker A Cappella Choir, organized and conducted by Winifred Baker.

Russell's group will sing selections from the Brahms' "Liebeslieder Waltzes," with Anne DeCook and Anne Klucksdall accompanying at the piano.

The Baker choir will conclude the program with Elizabethan composer John Blow's work, "Ode to St. Cecelia's Day." String accompaniment for this work will be the Marin Arts Quartet, and Russell will be at the harpsichord.

Opening the evening's performance will be the Marin Arts Quartet, playing Samuel Scheidt's "Suite for Strings and Cembalo" with Russell at the harpsichord, and modern composer Boris Blacher's Quartet No. 3, Opus 32

Tickets will be available at the door.

California Teacher Aid To Talk In Mill Valley

Dr. Arthur F. Corey, executive head of the California Teachers Assn., will speak on "The Issues We Face" at the quarterly meeting of the Mill Valley Teachers Assn. at 3:45 p.m., May 28 at Park School Auditorium, Mill Valley.

Corey is a member of the Whittier College board of trustees and committee chairman on accreditation of the State Board of Education. The meeting is open to the public, said Helen DeBerry, Mill Valley public relations chairman.

Novato Park Plan Runs Into Red Tape

The beautification committee of the Novato Garden Club yesterday found that government red tape could not be avoided even in Novato.

Last week the committee obtained a 60-day option to purchase the Louis Nave home on five acres at 1524 Hill Road for $125,000 for a city park.

Mrs. Lawrason Driscoll, garden club president, asked the city council, and directors of planning and parks and recreation, to go over the proposed park site yesterday. The group toured the site.

Mayor M. E. Silva said Mrs. Driscoll should have gone to the parks and recreation commission before approaching the city council.

Edmund Mahany, parks and recreation director, said the site must be studied and compared with other sites before the parks and recreation commission could say, whether it is a good buy for a park.

Robert Lagle, planning director, said the site has good possibilities for a playground type park, with buildings that clubs and other organizations could use.

"I guess I goofed," said Mrs. Driscoll after the tour of the site. "Monday I'll start back at the beginning and take it to the parks and recreation commission."

All-School Art Show Due Novato

The first all-school art show in the Novato Unified School District will be opened to the public on May 24 and 25 in the new multi-purpose room of Rancho School.

"Art through the ages," is the theme of the show. Kindergarten through the 12th grade will be represented in pottery, three dimensional effects, tempora, water color, and crayon work.

All the work is original, with only the framing done by the teachers, said William Luft, art teacher at Novato High School, who has arranged the show.

A preview of the show for the teachers, school personnel and children will be held from 9 a.m. to 5 p.m. on May 22 and 23. The show will be open to the public from 3:30 to 5 p.m. on May 24 and from 10 a.m. to 5 p.m. on May 25.

Intoxicated Driver Given $166 Fine

Owen K. Perry, 36, of 946 Sir Francis Drake Boulevard, Kentfield, paid $166 fine yesterday for drunken driving.

Judge Harold J. Haley of Marin Municipal Court sentenced Perry for driving while intoxicated at C and Treanor streets in San Rafael last Dec. 31. Perry must remain on probation for six months.

2 New Jobs Approved In Reed Schools

New jobs in the Reed Union School District for Jack L. Usilton, principal-teacher of Del Mar School, and Robert B. Gaw, principal of Reed School, were approved last night by the district's board of trustees.

Gaw will become principal of the new Del Mar Intermediate (seventh-eighth grade) School. Construction of a 16-room addition to the school, currently used for lower grades, is expected to begin within a month and be completed in time for fall classes. About 300 seventh and eighth graders are expected to enroll in the new school.

Usilton will become principal of Reed Elementary School, with grades through sixth. The school is now used by fifth through eighth graders but was intended for an elementary school.

Both appointments are effective July 1.

Gaw has worked for the Reed district since 1958 and is doing advanced study at University of California and San Francisco State College.

Usilton has worked in various schools in the Reed district since 1955. He was graduated from the University of the Pacific and earned a master's degree in elementary administration from San Francisco State College in 1957.

Medical Society Sets 'Health Career Day'

"Health Career Day," designed by the Marin Medical Society to acquaint students with aspects presented in a career of health, will be held May 25 from 8 a.m. to 12 noon.

Guided tours according to interests in the various fields of a health career will be taken at Marin General Hospital, Marin Medical Center, and the county health department.

On Kidney Diseases

A symposium on kidney diseases will be held for Bay Area doctors on June 13, starting at 9:15 a.m. in the Sheraton Palace Hotel in San Francisco, according to chairman Dr. Alex L. Finkle of Kentfield.

Board Will Meet On Jury's Report

A special meeting of the Marin County Board of Supervisors will be called, probably this week, to consider the county grand jury's annual report.

State law requires that county elected officials make comments within 30 days of the impaneling of the new year's grand jury. The 1963-64 jury was impaneled March 18.

"We should do something about this not later than next Tuesday," suggested Supervisor George H. Ludy.

"We haven't done anything within 30 days," added Supervisor Peter Behr, "largely because there was no penalty attached—to put it bluntly."

The grand jury report due to receive attention scored the supervisors for "failing to develop sound personnel and administrative procedures."

The county offices committee of the grand jury also complained that the supervisors would not respond to inquiries by the jury without constant reminders and prodding.

Drainage Study Is Authorized

Members of the Marin County Soil Conservation District board Monday authorized an engineering study of drainage to improve 269 acres subject to flooding at Black Point.

The land is owned by Peter J. Ferrarese, P. Strozzi and Americo Pozzi.

Directors yesterday also adopted a preliminary 1963-64 budget of $1,329. Matt Clemer, recording secretary, said this is up $266 over the current budget. The budget is supported by county funds. Next meeting of the board is set for June 10.

France would fit comfortably inside the state of Texas.

Tomales High Work To Be $71,500

It will cost approximately $71,500 to bring the main building at Tomales High School up to state earthquake standards, George Quesada, San Francisco architect, Monday night told Tomales High School District trustees.

In a 22-page report, Quesada analyzed the present condition of the building, gave a structural analysis, and estimated cost of repairs.

"The State Division of Architecture has arrived at the point of diminishing returns on rehabilitating buildings," Quesada told the board. "That is 65 per cent of the cost of replacing the buildings. This rehabilitation will cost only 45 per cent of the cost of replacing the building."

On the strength of that, Quesada recommended the building be brought up to state standards. The board took the recommendation under advisement until its next meeting.

The board approved a 1963-64 preliminary budget of $250,800. This year's budget was $234,096.

"The budget shows a slight increase in everything," Supt. Anthony Matulich told the board.

Resignations of James G. McGowan, physical education and social studies teacher, and Irvin Kettelsen, vocational agriculture teacher, were accepted.

Tight Control Measure On Addicting Drug Rejected

SACRAMENTO (AP) — The Assembly Criminal Procedure Committee early today rejected the last remaining major bill in the dangerous drug control program, backed by Gov. Edmund G. Brown and Atty. Gen. Stanley Mosk.

The measure, to put pain-killing pills called Percodan on the triplicate prescription list, was defeated 6-4 after a four-hour hearing which ran until nearly 1 a.m.

Mosk charged that hundreds of Californians are becoming addicted to Percodan which contains a synthetic morphine-like drug and several non-narcotic ingredients.

He said Percodan has created more involuntary addicts than any legally dispensed narcotic since the Civil War, when morphine was carelessly administered to wounded soldiers.

He called the bill's defeat shocking, and attributed it to lobbying by the drugs manufacturer, Endo Laboratories of New York. The firm has branches in Chicago and Montreal.

Fred Zweiback, lobbyist for Endo, said Percodan has been on the market 14 years and has presented no problems, except in California. He denied that it is creating a large number of addicts, although he said there are undoubtedly abuses.

Percodan can be sold only on a doctor's prescription, written on a single blank or phoned to the pharmacist. Mosk said spot checks at pharmacies in Los Angeles and San Francisco had turned up hundreds of forgeries. He showed stacks of lists of addicts convicted of forging Percodan prescriptions.

Under triplicate prescription, one copy is forwarded to state narcotic control headquarters where machine sorting can quickly detect fraud.

The measure was defeated once before on a 6-6 tie vote in the Senate Judiciary Committee, headed by the bill's author, Sen. Edwin J. Regan (D-Weaverville). It was revived and passed the Senate.

This time the defeat appeared final, although Mosk declined to tell reporters whether he would try for another revival.

Airman Gets Honor Medal

Airman 3/c James M. Kelley, son of Lt. Col. and Mrs. Frank W. Kelly Jr. of 221 Bolling Drive, Hamilton Air Force Base, has been awarded the American Spirit Homer Medal at Keesler AFB, Miss.

Airman Kelly was selected for the award as the airman who best demonstrated the qualities of leadership which express the American spirit: honor, initiative, loyalty, and high example to comrades-in-arms. He is a student in the electronic data machine repairman course at Keesler.

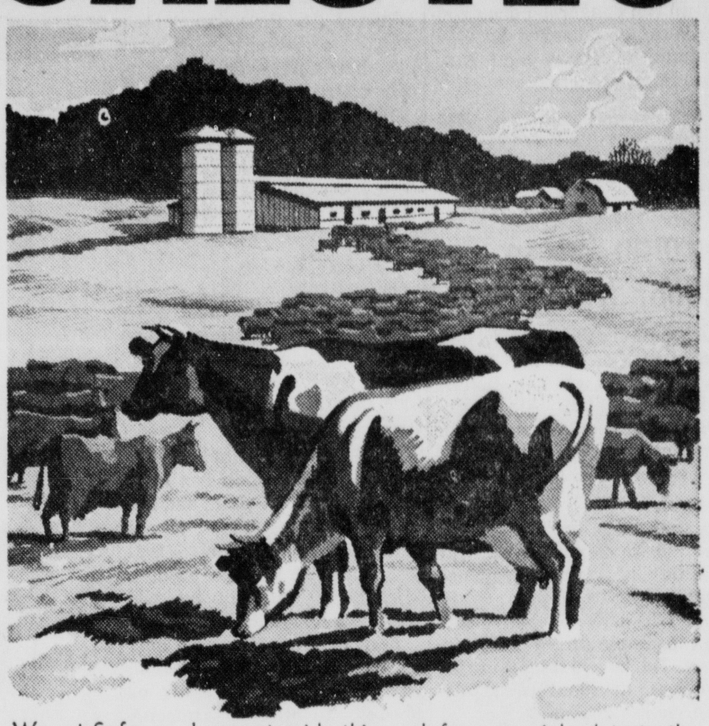
SAFEWAY SALUTES



Calif. is the Leader In Production of Fruits & Vegetables...Safeway's a Leader In Distribution!

We, at Safeway, have set aside this week for a special salute to the farmers, ranchers, and to everyone who is a part of California agriculture. It is highly appropriate for us to express our good will to this number one busines of our now number one state. (Did **you** know that Agriculture is California's biggest industry?) California agriculture produces the kind of merchandise that it is our business to sell. California is our best source of dependable quality foods of many kinds. It leads the entire nation in total farm production and farm income. Here, for example, is grown 43 percent of the country's vegetables and 42 percent of its fruit and nut crops. Many hands are needed to move these products to consumers throughout the land. Safeway is happy to be among those who provide California agriculture with efficient distribution of its products, not only in this state, but in many other states too. You are welcome to join us as we tip our hats to California agriculture, to our "partners" in the food business.

Clark Street Area Wins Duplex Fight

Residents of the Clark Street area won their battle against duplexes last night after a 50-minute hearing before the San Rafael Planning Commission.

They broke into applause when the commission voted 5-0 to deny D. W. Barnard's request for a change of zone on 18 lots in Toyon Estates from single family to duplex residential. The lots are at the end of Clark Street.

Attorney Thomas E. Schaal, representing Barnard, contended there is need for duplex housing in San Rafael. He presented a petition signed by 19 real estate agents in support of the zone change.

The petition claimed a shortage of duplex housing because of lack of acreage zoned for duplexes.

James Milton of 5 Clark Street said the duplexes would be "out of character" with the neighborhood.

John Strachan of 148 Greenwood Avenue said, "We should not let outside, San Francisco people tell us what to live with."

Commissioners Carl S. Brown, Orlando Conti, Gene F. O'Connor, Walter J. Coyne and Thomas R. O'Toole voted to deny the rezoning. Chairman Pat Hetherton and Commissioner Charles J. Hendrickson were absent.

Novato Planners Approve Maps Of Six Subdivisions

The Novato Planning Commission approved six of seven subdivision maps considered Tuesday night.

The tentative map of Seabreeze Hills Unit 3 was continued until May 27 for further study.

Tentative maps approved by the commission include: Seabreeze Hills Unit 1 of 33 lots on 13 acres; Seabreeze Hills Unit 2 of 15 lots on 40 acres; Seabreeze Hills Unit 2-A of nine lots on 33 acres, all in the Loma Verde master plan and submitted by Seabreeze Construction Co.; Novato Pines of 34 lots on 10 acres on Novato Boulevard and McClay Road, submitted by Kenny Brothers, and Sheila Estates of 17 lots on five acres on Sutro Avenue, submitted by Harry W. Locke.

The planning commission reversed a previous denial to approve rezoning from planned residential to commercial for two acres at South Novato Boulevard and Center Road, requested by William Nave. The first denial by the commission had been appealed to the city council by Nave. The council reversed the commission's decision at its last meeting.

The commission denied Warren Gilbert a permit to build an addition to enlarge a three-bedroom home at 1273 Cambridge Street.

The Novato Planning Commission also:

1. Approved plans for duplexes on 11 lots in Beverly Knolls at San Jose Boulevard and Kathy Court.
2. Set for May 27 public hearing on a request by Edgar Garavatti to rezone from limited agriculture to multiple family one and one-half acres on Dusel Court near Hamilton Air Force Base.

County Gets $62,479 From Liquor Fees

The County of Marin has received $62,479 as its six-month share of fees paid by holders of alcoholic beverage licenses.

The City of San Rafael received $15,712 as its share of the amount for the six-month period ending Feb. 28, 1963.

Hub Bus Depot Case Due To Go To Court

Price negotiations between San Anselmo and Northwestern Pacific Railroad for the old Greyhound depot site at the Hub have bogged down, and the case will have to go to court, City Atty. John G. Buresh reported last night to the San Anselmo City Council.

The council authorized an appraisal of the half-acre property by appraiser Farrington Jones. His appraisal, along with two others already made, will be used in the condemnation trial.

San Anselmo had hoped to get the half-acre site for about $82,500, but NWP is holding out for considerably more. The city needs the land for widening of Sir Francis Drake Boulevard.

The old depot has been torn down, and Greyhound has moved the bus station to Center Boulevard across the street from Sprouse-Reitz Co.

City Administrator Douglas J. Flautt reported the new bus stop is working out satisfactorily, although many patrons are still bewildered because the old depot building suddenly vanished.

At suggestion of Councilman Woodrow V. Capurro, councilmen decided that a light should be placed on a pole near the new bus stop because the area is too dark at night.

City fathers also authorized four parking spots for Yellow Checker Cab Co. across the street from the new bus stop. The spaces are located on Center Boulevard behind the Hub fountain, next to the San Anselmo Super Market parking lot.

Air Cadet Honored

Cadet Lt. Col. Charles C. Putney, son of Mr. and Mrs. Charles C. Putney of 123 Eldridge Avenue, Mill Valley, has received the Air Force Times Award as the outstanding cadet in his detachment of the Air Force Reserves at George Washington University, Washington, D. C.

COUNTY PASSES UP CRONKHITE LAND

Acquisition of nearly 32 acres of Fort Cronkhite land declared surplus and available for recreational purchase at half-price is a job for the state rather than Marin County, the county supervisors decided yesterday.

"This fits into the state's acquisition program and will strengthen its development," reported Kelvin J. Nelson, new county parks and recreation director.

He added that the state supervisor of advance planning had expressed intention to file for acquisition and could see no reason why the county should concern itself with the parcel, three and one-half miles west of the north end of the Golden Gate Bridge and with no access to public roads.

Nelson said he understood there would be progressive relinquishment of other fort land which the state would like to take over. On motion of Supervisor William D. Fusselman, Sacramento was advised of Marin's attitude.

The Marin County Board Of Supervisors:

1. Confirmed appointments of Alice Cassidy to the Bolinas Beach Public Utility District Board for the unexpired term to next year of Donal Ingerman, and of Portia FitzGerald as secretary of the Corte Madera Sanitary District.
2. Authorized county librarian Virginia V. Keating to spend an extra $450 on school materials pursuant to agreement with school districts which turned in $900 more revenue than expected for this fiscal year.
3. Receiving reminder of Novato Junior Chamber of Commerce that supervisorial redistricting has been termed "urgent," assured that further work will soon be done since a requested planning commission map is ready.
4. Voted formal relinquishment of state license for the former Marin County Hospital in Lucas Valley.
5. Approved a new reduced-staff schedule for Lucas Valley buildings to adjust abolition of hospital with continuation of Juvenile Hall.
6. Awarded an $81,645.85 contract to Ghilotti Brothers of San Rafael for resurfacing parts of Paradise Drive, Bolinas-Olema Road, Bon Air Estates roads, Evergreen Road, Los Ranchitos area roads, and Manuel T. Freitas Parkway; also to Ghilotti Brothers a $5,846 contract for sidewalk and drainage along Manuel T. Freitas Parkway; both lowest bids.
7. Returned for planning commission consideration next Monday J. L. Hays' denied application for adjustment to divide an 8,650 square-foot parcel into two sites at 1800 Vistazo West Street, Tiburon, due to possibility of adding by purchase 4,000 square feet of lane; final decision promised by supervisors next Tuesday.

Marin Airspace Canceled By FAA

Marin County supervisors yesterday accepted without protest the cancellation of airspace reservation in the Point San Quentin area.

The airspace was reserved for the county by the Federal Aviation Agency in 1958, but the county still has no plans for air strip development there. Willis M. Green, a grading contractor from Novato, has a 1,200 strip on the point. He uses it for two biplanes.

G. G. Hand, district airport engineer for the FAA, told the board of the cancellation yesterday.

ARTHUR W. SMITH
Back in well-warmed chair

Art Smith Once Again Mayor Of San Anselmo

Veteran City Councilman Arthur W. Smith is back in an old familiar post — mayor of San Anselmo for the next 12 months.

He was elected unanimously last night, under a system of annually rotating the mayor's post. Woodrow V. Capurro was elected vice mayor.

Smith, on the city council for 20 years, eight of them as mayor, is mayor again for the third time.

"I appreciate the honor of being mayor for the coming term," said Smith. He complimented Mayor John M. Reichmuth for an "excellent job" of presiding during the past 12 months.

Smith will take over the gavel at the next meeting, set for 8 p.m. next Tuesday, when the city council meets with the Sleepy Hollow Fire District officials to discuss Sleepy Hollow's share of paying for fire protection for the 1963-64 fiscal year.

This year the average U.S. consumer will use only 19 per cent of his earnings to buy food, a record low.

Windows Are Broken At MacPhail School

Vandals broke windows and caused $150 damage at MacPhail School in Santa Venetia, Principal Anne Philbert reported to the sheriff yesterday.

Three windows were broken and one pried open in the faculty room. Books had been scattered but nothing of value appears to be missing.

Marin Real Estate Board Gets Salute During National Week

This is National Realtor Week and we salute the **Marin County Real Estate Board** which was started in 1920 with **Thomas Minto** as its first president. It was reorganized in 1934 and at that time had about 25 members. Today it has a roster of more than 800 realtors, salesmen and associate members, and is recognized as one of the finest boards in the state. Last year it also received an award for its "high consistency in cooperative sales" on multiple listing service.

The term "realtor" as distinguished from "real estate broker" is defined by Marin board president **Paul Crowley** as one who "is pledged to follow a strict code of ethics that is enforced through the local board of the National Assn. of Real Estate Boards of which he is a member. The primary obligation of the realtor under this code is to keep the interests of both buyer and the seller uppermost in his mind during a transaction."

NOW with York and Co., investment securities firm, at its San Rafael office under resident manager **Jess J. France Jr.**, are **George E. Croke** of Fairfax and **Avery McClurg** of San Rafael. Both have been undergoing a concentrated training program at York's main offices in San Francisco.

MOVES from Fourth Street offices above **Crocker-Anglo National Bank** in San Rafael: **Fred C. Robbins** has taken his collection agency business to 1005 A Street where he'll be on the same floor as his attorney son, Fred Jr.

Certified public accountants **Dalton, Graupner and Barber** will relocate in California Pacific Title Co's. new building at Mission and Nye streets about Aug. 1.

Tenant moves from the building are resulting from Crocker-Anglo's plans to tear it down this fall and put up a new one.

A NEW SET of officers for 1963-64 has been elected by the Marin County unit of **Independent Garage Owners**, according to executvie secretary **C. F. Pendleton. Joseph Rossi** of Duffy Brothers Auto Service will be president; **Emil Lauchenauer** of Locke Brothers Garage, first vice president; **Aldo Barsotti** of Barsotti's Body and Fender Service, second vice president; **Tom Parks** of Parks Auto Electric, secretary-treasurer.

Directors named for the year are: **Thomas O'Toole**, Milani's Garage; **James Walker**, Marin Wheel Alignment and Brake Service; **William Duff**, Marin Radiator and Muffler Service and past president **John (Red) Dillman**. Installation will take place June 2 at a membership picnic at McNear's Beach.

MARIN COUNTY insurance agent **Fred A. Banducci** was scheduled to address the Insurance Agents Assn. of Orange County today at Orange Coast College, Santa Ana as part of the group's first "Insurance Day" program. His subject was on forms and systems used in agencies.

ABCD ADVERTISING of Sausalito has been appointed to direct the new **San Rafael Federal Savings and Loan Assn.** opening promotion in July when the association moves into its headquarters at 874 Fourth Street, San Rafael.

Bike, Car Hit; Boy Is Injured

An 11-year-old boy was injured about 6:35 p.m. Monday when his bicycle collided with a car at a crossing in Kentfield.

Robert Smallman of 35 Idlewood Road was treated at Marin General Hospital for head and hand scratches.

California highway patrolmen said the bike, going south on Ridgewood Avenue, collided with the car of Edward S. Vest, 55, of 423 Woodland Road, Kentfield, westbound on Woodland Avenue.

Promotional Groups Must Submit Paper

All promotional groups desiring to be included in the Marin County budget for financial support next year must submit within 30 days statements of willingness to contract and report on what they are doing to help the county, by terms of a resolution passed by county supervisors yesterday.

This followed recommendation by Administrator Alan Bruce, who said he had felt for some time that the promotion budget needed some such protection. Twenty-two organizations have asked for various sums in the 1963-64 budget on the theory that they help advertise Marin county.

Bruce quoted a proposal for contractual arrangements sent in by Fred F. Enemark as president of the San Rafael Chamber of Commerce, including the idea of quarterly reports.

Someone Cares For Belvedere Council

At least one Belvedere resident believes that the working conditions of the Belvedere City Council ought to be improved, with fringe benefits for the audience.

In a letter to the council at Monday night's meeting, Neville J. Rich recommended:

1. Improving public participation through a public address system (maybe the nonused tape recorder could be turned in, he suggested).
2. A table so the whole council could face the audience.
3. A part-time stenographer to relieve the city manager of taking minutes.
4. Posting maps when an area is discussed.
5. Posting minutes and a condensed financial statement.

Obviously pleased that someone cared, the council voted to acquire a new council table.

Oil-Eating Animals

NEW YORK (AP) — Believe it or not, oil scientists have found a way to obtain edible proteins and vitamins from certain petroleum compounds. The American Petroleum Institute said the aim of the process is to develop low-cost food supplements for animals.

Sixty-four per cent of all employed persons reported using a private automobile or car pool as their means of transportation to work, in the 1960 4census.

PLANNED PARENTHOOD—Mrs. George E. Gillespie Jr., chairman of the Affiliates Committee of the Planned Parenthood Federation of America, will speak to members of the Marin County Planned Parenthood Assn. at a meeting at 10 a.m. tomorrow at 18 Mary Street, San Rafael.

Eight College Students Announce Candidacy

Eight College of Marin students have announced candidacy for fall 1963 student body offices, John Gillin, college student government adviser, said today.

"We expect a number of other nominating petitions to come in soon," added Gillin. Among those expected, he said, are the petitions of David Campbell of Inverness, who has announced verbally his candidacy for student body president, and Paul Molinari of San Anselmo, for vice president.

The student election will be held May 20 and 21.

Candidates submitting petitions for public relations commissioner are: David Lehman, 108 Willow Ave, Corte Madera; Michael Thiercof, 15 Chanticleer Road, Larkspur, and Bill Zimmer, 37 Filbert Road, Sausalito.

Other candidates are: Danial A. Collins Jr., 700 Summit Avenue, Mill Valley, for rally commissioner; Edward L. Hodges, 729 Sir Francis Drake, Kentfield, for treasurer, and Marilyn Heller of 301 Ross Drive, Mill Valley; Kathy Bohanna, 30 Terrace Avenue, San Anselmo, and Bill Bagge, 315 Margarita Drive, San Rafael, for cheer leader team.

At Garden Society

Dr. Frederick W. Coe of Ross, an authority on rhododendrons since his medical school days, will speak and show slides at the Garden Society of Marin meeting May 17 at 8 p.m. in the chemistry room of College of Marin. Mrs. Walter Andersen, president, said guests are welcome to attend.

Could 1963 Be Start Of The Finish For Willie Mays?

It may be nasty to think, and frightening to hint, that Willie Mays, the high-salaried S. F. Giant centerfielder, is slowing up. But there is whispering, serious too, that the great little guy who runs with his hips and acts like a ballet dancer in the outfield has so many financial problems on his hands, and other matters, that make him a marked man for his only ordinary season in 13 years as a big leaguer.

After 33 games in which he has been hitting around .250, those who seem to be his greatest admirers are beginning to slacken up. Yep, they're wondering whether this season could be the beginning of the end for the Say Hey Kid.

Mays has been in slumps before but always he would intersperse those batting letdowns with a few homeruns and lose some hard hit balls that were snatched by opposing players. But in 1963 Willie just "ain't" being robbed at all. He looks bad, acts bad and their doesn't seem to be anything the Giants can do about it, unless remove him from the lineup.

Giant friends of Mays shrug off the extended slump by saying, "Oh, don't worry. Willie will be okay. He's a banana hitter—gets 'em in bunches. Before long he'll be dropping in those basehits and be up there with the leaders."

That has been the history of batting slumps of Mays in the past but the "KNOW BOYS," like the scouts and coaches, take a dim view at this kind of thinking.

The BULLPEN

With JOHN J. CONNOLLY

Leo Durocher, Dodger coach, in a recent article in the Saturday Evening Post discussed Mays at length. And one observation "Lippy" made was "he got the most out of Mays because he pampered him a lot."

From the way Mays is batting one has to wonder if Manager Alvin Dark is kicking him in the pants.

When all time greats are mentioned, Alvin Dark never hesitates to name Willie as the "greatest of the great." And I would wager anything that Manager Dark, if asked today the same question, who he thinks is the "greatest of the great," would still unhesitatingly name Willie.

Tom Sheehan, chief scout master for the Giants, scoffs at the mention of Mays heading for the last round-up.

"Mays is temporarily not timing the ball properly but he's the kind of hitter nobody can help," says Tom. "He just has to snap out of his batting slump by himself."

Sheehan incidentally is looking for Mays to wake up at the plate any day now.

"The guy can't miss and hasn't for the last 13 years, but his slump hasn't helped other good hitters on the club either," Tom explains. "They think if Mays can't hit, then they shouldn't be blamed, so he does have a negative effect on the club."

Jack Sanford's pitching last night against the Pirates was a tonic for Giant brass. He pitched according to his 1962 schedule which prescribed that he pitch as hard as he could for as long as he could. Jack did that in the face of a small gale. When he's that good under trying circumstances, the Giants feel his work has to be the equal of any righthander in the circuit.

Tomorrow the NY Mets and the illustrious Casey Stengel clamor into Candlestick Park for three games, leaving Sunday to make room for a double header with the Phils.

It might just be that the Mets will snap Willie Mays out of his batting slump and when Willie "goes to town" he always seems to carry the rest of the club with him.

Marin Loses Double Bill

College of Marin's Tars dropped a doubleheader yesterday to powerful Santa Rosa, 14-4 and 7-1, on the Bear Cubs' diamond.

The twin losses dropped the Mariners out of contention for the Golden Valley Conference title. Marin's record is now four wins and six losses in GVC action.

In the first game yesterday, Tar starting hurler Ken Becker went three and one-third innings and gave up nine runs before being relieved. He was charged with the loss.

Bright spot for the Tars in the opening game was a three-run homer off the big gat of Jim Lucas in the fourth inning. But the score was already 9-0 and the home run was just not enough as the Bear Cubs scored five more times.

Santa Rosa collected a total of 13 hits and were helped by four Tar errors.

SECOND GAME

In the second game, nine Mariners struck out and they committed four errors in the seven-inning affair. Big blow for College of Marin was a double by Ron Sterling. The Tars scored their lone run when Jerry Smith was hit by a pitch, stole second, advanced to third on a past ball, and rambled home on another past ball.

The Mariners collected only three hits in the nightcap and Dave Perlis (2-2) suffered the loss.

Tar coach Ed Grimm today credited the team for going all out, even though hampered by not having a diamond of their own because of the replacing work now going on at the old baseball field at the college.

"This has been the best group of boys Marin College has had in my five years here," Grimm said.

The Mariners close out the 1963 season Saturday with a doubleheader in Napa. The Golden Valley Conference could end up with a three-way tie for the championship. Siskiyou (8-3) will take on Santa Rosa (9-2) tomorrow and Shasta (8-3) was to play Yuba today.

Balk Rule Amended

NEW YORK (AP) — The tick of the clock controversy that had brought about such a monumental rhubarb in major league baseball this season has been settled.

Baseball's rules committee, acting on the suggestion of Commissioner Ford Frick and the two league presidents, officially deleted the one-second aspect from the balk rule by unanimous vote yesterday.

National League umpires went on a balk-calling binge this season, playing it strictly by the book. Before the rule was amended, it read that a pitcher must stop in his set position for one full second when anyone was on base. The penalty — advance of runners on base.

American League umpires required the full stop, but did not enforce the time element.

By a week ago, 96 balks had been charged in the National —20 over the old full season record for one league — and only eight in the American. In one N.L. game, five were called against Bob Shaw of Milwaukee, and twice seven were called in a game.

Frick then declared a moratorium on the one-second phrase, and turned the matter over to the rules committee. Chairman Charles Segar, also secretary of baseball, polled the members by telegram, rather than wait until the next formal meeting in December.

In effect, the rule reverts to the wording prior to 1950, which was that a pitcher must stop but the length of time does not matter.

The change affects all teams using official rules, which includes all professional clubs.

Redwood Shares Track Title

Redwood High School won its first varsity dual track title in the Marin Athletic League yesterday with its sixth straight victory, 93-19, over Terra Linda High.

The win closed out the Redwood season with a 6-0 record in league action, giving Redwood its first track title in its six-year history.

"The boys worked hard to win this title and they truly deserved it," said Redwood track coach Tony Bailey. "It was a good group of boys that wanted to win."

Redwood won the MCAL meet last Saturday in both varsity and Class B divisions. Co-captains on the track squad are Randy Keller and Steve Solinsky.

In the Class B meet yesterday, Terra Linda won over Redwood 63-50 and the Giants of Redwood won the Class C competition in a close match, 39⅓ to 37⅔.

Sanford Hits 100 Victory Milestone

Burley Jack Sanford reached the 100-victory milestone in his late starting major league career and snapped the losing string of the National League leading San Francisco Giants in the process.

Although needing relief in the ninth last night when Pittsburgh posed a rally, the righthander notched his sixth triumph of this campaign with a 3-1 victory just four days before his 34th birthday.

That shoved the Giants 1½ games ahead of second place St. Louis and dropped the Pirates 2½ off the pace.

"It's a nice thing to have," commented Sanford on win No. 100 that snapped the three-game loss string, "but I really didn't give it much thought.

"I always wanted to be a big leaguer and stay in the big leagues. I still do."

Sanford broke into organized baseball in 1948 but didn't appear in a major league game until late in 1956 when he won his first game beating the Cubs 4-1.

The next campaign he won Rookie-of-The-Year honors with a 19-8 record. After a 10-13 performance the following year the Phils traded him to San Francisco for pitcher Ruben Gomez and catcher Valmy Thomas who have disappeared from the majors.

"I was just a thrower then," says the hurler who tried to blaze his fast ball past the hitters. "Last year I started really pitching. I have an idea now where I want to throw the ball. A big difference is that I can get the curve over."

Sanford also gives due credit to the Giant bullpen. Relief pitchers gave him lots of help in 1962 and the same was true last night.

In the ninth, with one down, Bill Virdon singled, only the third Pirate hit. When Sanford threw two balls to Bob Skinner, Manager Alvin Dark brought in Lefty Billy Pierce. Skinner singled. Then right-hander Bob Bolin retired Donn Clendenon and Roberto Clemente on infield grounders.

Sanford had to work without his favorite receiver, Tom Haller. After being called out on strikes to end the second inning, Haller complained so bitterly that umpire Ken Burkhart ejected him.

Rookie Willie Stargell and Bill Mazeroski singled in the second inning to score the Pittsburgh run.

The Giants scored two in the fourth on a walk to Willie Mays, singles by Willie McCovey and Orlando Cepeda, a throwing error by right fielder Roberto Clemente and Joe Amalfitano's sacrifice fly.

Another Giant run came across in the eighth after Harvey Haddix replaced Bob Friend, who had limited San Francisco to four hits.

Sanford had concentrated on his fast ball against the Pirates who put five left-handed hitters into the batting order trying to take advantage of the Candlestick wind which whips balls to left field.

"One mistake and the ball's over the fence," Big Jack commented.

Today the clubs met again with lefty Billy O'Dell seeking his fifth triumph without defeat this campaign against Pittsburgh's Don Cardwell who has posted only a 1-4 mark.

N. L. ROUNDUP

Spahnie Notches His 5th Victory

By U.P. INTERNATIONAL

That new contract looks mighty good to Milwaukee manager Bobby Bragan, but old Warren Spahn looks even better to him.

Bragan was signed through the 1964 season shortly before last night's game with the St. Louis Cardinals and what should have been a festive occasion nearly turned into a nightmare.

Stan (The Man) Musial threw a damper on the proceedings with a wicked second inning liner that struck Spahn in the pit of the stomach and knocked him to the ground.

Acting instinctively, the 42-year-old Milwaukee southpaw groped for the ball, came up with it and threw out Musial but then fell back on the ground.

The game was delayed for several minutes before Spahn finally got up and went on to pitch the Braves to a 4-3 victory that snapped their three-game losing streak.

Spahn was touched for 11 hits, including a homer by Julian Javier, but he was in front from the third inning on and personally singled home what proved to be the winning run in the seventh off loser Bob Gibson.

FIFTH WIN

The victory was Spahn's fifth in seven decisions and put him well ahead of the time-table he has set for himself for his 13th 20-game season.

The San Francisco Giants lengthened their National League lead to 1½ games with a 3-1 victory over the Pittsburgh Pirates, the Houston Colts shaded the New York Mets, 4-3, for their sixth straight, the Philadelphia Phillies downed the Los Angeles Dodgers, 5-1, and the Chicago Cubs ended a four-game losing streak with a 2-1 win over the Cincinnati Reds.

Dick Farrell survived a two-run ninth inning rally by the Mets to post his fourth victory for the Colts and help them equal their longest winning streak in history. Farrell allowed five hits while striking out eight. Rookie John Bateman hit his third homer of the year off loser Carl Willey and Johnny Temple collected four of the Colts' nine hits.

FIRST WIN

Cal McLish stopped the Dodgers on five hits in gaining his first victory of the season for the Phillies. The 37-year-old McLish, who helped his own cause with two doubles, had beaten the Dodgers only once before in his career. Wes Covington started Don Drysdale on the way to his fourth defeat with his eighth homer in the first inning. Drysdale had beaten the Phillies 13 straight times dating back to 1958.

Ken Hubbs' two-run homer off Joe Nuxhall in the eighth inning gave the Cubs their winning margin over the Reds. Cincinnati right-fielder Ken Walters dropped Ken Aspromonte's fly ball for a two base error before Hubbs belted his homer. Dick Ellsworth, credited with his fourth victory in six decisions, held the Reds to five hits before bowing out in the ninth in favor of Lindy McDaniel, who gave up one more.

Larkspur Star Making A Strong Comeback In Pro Minor League

Larkspur's Ron Blum, who couldn't make the grade in the Pittsburgh Pirates' farm system and was given his release last year, is making long strides in his attempted comeback in pro ball this season.

Blum, picked up by the Chicago Cubs, is hitting up a storm with the St. Cloud, Minn., Cubs of the Class A Northern League. Thus far the young infielder, a product of Marin Catholic High, has 9 hits, including a home run, in 21 at bats for a .429 average.

RON BLUM

Reports on four other Marinites in pro ball also have come drifting in this week.

Vince Pallavacini of San Anselmo, outfielder for the Thomasville, Ga. Tigers of the Class A Georgia-Florida League, has a double and single in his first four times at bat for a .500 average.

Doug Wilson, a Larkspur neighbor of Blum's, in his second season as outfielder with the Fresno Giants of the California League, is batting .222 on the season. His figures include 45 at bats, 7 runs scored on 10 hits, including a double and 3 triples, for 7 runs batted in.

San Anselmo's Neil Austinson, outfielder with the Decatur, Ill. Giants of the Midwest League, hit two singles and a home run in his first 15 at-bats this season for a .200 figure.

Pitcher Ron Cole of Mill Valley has a 1-1 won-lost record with the Modesto Colts of the California League. In 13 innings on the mound Cole has given up 13 hits and 7 walks, struck out 6 and has a 6.23 earned run average.

These are just early reports. We'll try to keep you up on our pros' progress as the season progresses.

NEXT MONTH Amador High School's new football stadium in Pleasanton will be dedicated "Patterson Field," in honor of George "Pat" Patterson, father of Greenbrae's Chet Patterson, well-known Meadow Club golfer.

The senior Patterson was for nearly 30 years known as Pleasanton's "Mr. Football" as coach of Amador teams.

FORMER TAM High swim star Gary Dahl was voted University of Oregon's most valuable swimmer in this, his senior season. Gary, a backstroke and freestyle star, plans to enter medical school next fall.

IF THE Fishin' Fool will pardon our intrusion into his specialty, we'd like to report that the generous Department of Fish and Game is scheduled to plant more catchable-sized Rainbow trout in Marin Municipal Water District lakes Phoenix, Lagunitas and Bon Tempe and also Rodeo Lagoon in southern Marin this week.

ON THE subject of fish, Nicasio Lake is an ideal place to take youngsters on their first fishing outing. Nicasio is loaded to the gills with blue gills and the kids are a virtual cinch to experience the thrill of reeling in a prize catch.

Also the possibility of hauling in a lunker trout.

CLYDE DEVINE, diving coach at Stanford, will be the guest speaker at the Tam High swimming squad's awards banquet Tuesday, June 4 at the Episcopal Church in Mill Valley.

Drake Clinches Tie For Marin Pennant

Lon Gallagher's two-run home run in the fifth inning provided the winning margin yesterday as the Drake Pirates shaded Marin Catholic 3-2 in their steady march toward the Marin Athletic League championship.

Drake, 9-1, thus clinched at least a tie for the title and needs just one more win in its remaining two games for the undisputed pennant.

Gallagher's fifth inning shot came after Hamish Tyler walked to break up a 1-1 ball game and put the Pirates into a 3-1 advantage, just enough to offset Marin Catholic's seventh inning rally that netted a run.

Marin took a 1-0 lead in the first inning on an error, but Drake retaliated in the top of the third when Mike Crabtree and Terry Tadlock singled, Larry Gerughty walked to load the bases and Crabtree scored on a fielder's choice off the bat of Hamish Tyler.

After Gallagher's fifth inning homer made it a 3-1 game, Marin stirred a fuss in the bottom of the seventh when Marin hurler Dave Beswick drove in a run with his third hit of the game, but Drake's hurler Charles Simontacchi rose to the occasion to retire the side and preserve his precious victory.

The line score:

Drake	001	020	0	3	5	1
Marin Catholic	100	000	1	2	6	1

Simontacchi and Hannigan; Beswick and Abballo.

Terra Linda Shades Novato On Homer

Terra Linda's Trojans took full advantage of only three hits to post a 3-2 victory over Novato's Hornets yesterday at Novato in a Marin Athletic League contest.

Big blast for the third-place Trojans was a fourth inning, two-run homer by catcher Mike Congdon that made the big difference. Congdon's homer came after Mike Telegin walked.

Walks provided Terra Linda's first run in the first inning when Novato's Jim Mair walked the bases loaded and Paul Meuse scored on a passed ball.

Congdon's homer made it 3-0 in the top of the fourth, but the Hornets came back with solo tallies in the fourth and fifth frames only to have the door slammed in their faces by lefty Bill (No-Hit) Lee.

Bob Paris and Jerry Howarth each had two singles for the losers.

The line score:

Bob Paris and Jerry Howarth each had two singles for the losers.

Terra Linda	100	200	0	3	3	2
Novato	000	110	0	2	5	0

Lee and Congdon; Mair and Rowell.

13 Walks: Redwood Breezes Over Tam

Redwood's Giants kept their championship hopes alive yesterday by literally walking to a 14-1 victory over the Tamalpais Indians at Tam.

If Redwood wins its next two games and Drake loses two, the Giants would tie the Pirates for the Marin Athletic League pennant.

Tam's young hurlers made it easy for the Giants yesterday by walking 13 batters. Those, coupled with five errors, gave Redwood an open door to the scoring column.

Jack Baglietto drove home three runs with a pair of singles, Ray Maher had two singles and one RBI and Steve Minutoli drove home a run with a double to feature Redwood's attack.

Tam's lone run came on a homer by Fred Mack, a 380-foot shot.

The line score:

Redwood	306	301	1	14	8	0
Tamalpais	010	000	0	1	4	5

Davi, Poole (5) and Maher; Daniels, Gilliam (3) and Long, Porsch (6).

Redwood Baseball Tournament Openers Set

First round pairings for the first annual Redwood Invitational High School Baseball Tournament were announced yesterday by Director Al Endriss.

The eight teams will play four games on Friday, May 30 and six games on Saturday, June 1, all action at Albert Park in San Rafael.

The May 30 opening round will be:

2 p.m.—Winner of Coast Counties League (still to be decided) vs. San Leandro of the Alameda County Athletic League;

4 p.m.—St. Elizabeth's, Catholic League, vs. Pacific of the ACAL;

6 p.m.—College Park, Diablo Valley League, vs. Hogan of Vallejo, North Bay League champion;

8 p.m. — San Jose vs. Redwood, Marin League.

The tournament will continue Saturday, June 1 with games scheduled for 10 a.m., 12 noon, 2, 4, 6 and 8 p.m. The latter contest will be for the championship.

Admission is $1 for adults and 50 cents for students and children.

Endriss, coach at the host Redwood High School, said it is hoped the tournament in future years will become a Tournament of Champions, patterned after the basketball T of C in Berkeley.

Terra Linda Golf Team Triumphs

Terra Linda's golf team yesterday downed the Drake High School linksters 4-2.

Terra Linda winners were Fritz Porter, medalist with a 39; Doug Ferguson, Curt Rutter and Chuck Bangert. Drake winners were Gordy Nelson and Phil Baiocchi.

Bobo Olson Gets Unanimous Nod

HONOLULU (UPI)—Carl (Bobo) Olson of Hawaii scored a unanimous 10-round decision over Jesse Bowdry of Chicago last night in the main event at Civic Auditorium.

Both fighters weighed 178 pounds and provided the 1,140 fans with a fast and furious bout all the way. There were no knockdowns.

Grace DeBaun, Ralph Haymart Roll Week's Top Marks At Nave Lanes

Grace DeBaun of the Alley Kats League took the spotlight in the week's league action at Nave Lanes as she topped all bowlers (even the men) with a 245 game on her way to a 558 series.

Both scores topped the women's action at Nave's. In the same league Evelyn Bemoll fired a 543 series and 223 game and Joyce Littler rolled a 540 series and 199 line.

High series for the men went to Ralph Haymart of the Friday Nite Leftovers League, a consistent 613 (203, 203, 207). High individual game went to Sam Butler who rolled a 230 line in the 810 Scratch League.

Frank Perachiotti topped the junior keglers with a 772 four-game set which included games of 213, 203 and 187. The Gold Coast qualifiers for the week were Feltcher Bates with a 675, including handicap, in the upper division and Ken Marks with a 676 in the lower division.

TEEN PARTY BUFFET loaded with unusual treats, is a neasy way to entertain your party-minded youngsters with an adult flair. Pink Haze punch, tricky sandwiches, Molasses Party Brownies and Banana-Chocolate Smoooothie parfaits will earn admiration from the whole gang.

Take Teen-Age Entertaining In Stride

"Hey Mom, I've asked the gang over here tomorrow night —OK?"

Don't panic when your teen-ager blithely makes such a last-minute announcement. It's really a compliment and shows that your child has confidence in your ability to cope with any domestic situation.

And you will be hearing it more as the school year ends and the round of graduation open-houses, after-the-prom and welcome-home-from-school parties begins.

You naturally want to do your offspring proud. But beware of ultra-fancy food or fixin's. Today's youngsters are informal and like things to sip and nibble at parties. They certainly don't expect the mounds of food that dad's poker cronies like—or the show-off culinary masterpieces you serve your women friends.

An important point to keep in mind is that all teen-agers want to be considered adults.

A candlelight buffet is an adult touch that the kids will appreciate. Center it with a frosty bowl of Pink Haze Punch. And flank the bowl with plates of tricky (but easy to make) sandwiches and canapes with unusual spreads such as Date-Nut Cheese or Cherry Butter.

It's a rare teen-ager who doesn't have a sweet tooth, so cater to that craving by whipping up a batch or two of Molasses Party Brownies. They're simple to make and delightfully different.

FOR A MORE exotic sweet, try Banana Chocolate Smoothie and serve it in adult style in parfait glasses.

A make-it-yourself sundae-soda bar is fun and it's easy on the hostess. Put out several flavors of ice cream, along with soda water, toppings and syrups, and the young people will take it from there. Make up some unusual syrups such as PRETZEL CRUNCH and FRUIT GOOP from the cane, corn or maple syrup you have on hand. You might shudder at the concoctions the kids make up, but they will love the whole idea. TAFFY SHAKES will be a real hit.

And if your nerves are frayed when the party's over, warm some milk and flavor it with one of the syrups you made up for the ice cream bar. You and Dad will find it relaxing and sleep-inducing . . . and delicious to boot.

MOLASSES PARTY BROWNIES

- 1 can (15 oz.) sweetened condensed milk
- 2 cups graham cracker crumbs
- ½ teaspoon salt
- 1 teaspoon vanilla
- ¼ cup light molasses
- 1 cup chopped nuts

Powdered sugar for dusting

Combine and mix all ingredients in order given, and spread in greased, waxed paper-lined 8-inch square baking pan. Bake at 350 degrees for 30 minutes. Turn out on cooling rack and remove waxed paper at once. Cut in squares and dust with powdered sugar while warm. Yield: 25 brownies.

PINK HAZE PUNCH

- 2 cups cranberry juice
- 2 cups light corn syrup
- 2 cups grapefruit or pineapple juice
- 1 quart chilled ginger ale

Ice block or cubes for punch bowl

Combine juices and syrup and stir well. Chill. When ready to serve, pour over ice in punch bowl and add chilled ginger ale. Yield: 16 servings.

BANANA CHOCOLATE SMOOOOTHIE

- 1 cup marshmallows
- ½ cup maple or maple-flavored syrup
- 1 cup mashed bananas (approx. 2 large ripe)
- 1 teaspoon vanilla
- ½ teaspoon salt
- ½ pint whipping cream
- 1 cup chocolate fudge sauce

Combine marshmallows and syrup in double boiler. Cook until marshmallows are melted, stirring often. Cool. Add mashed bananas, vanilla and salt. Whip the cream (save some for toppings). Fold banana mixture into whipped cream, and place in freezing tray. Freeze until firm (about three hours). When ready to serve, combine frozen banana cream with fudge sauce in alternate layers in parfait glasses. Top each with a generous portion of whipped cream, banana slice and maraschino cherry. Yield: 4 to 6 parfaits.

SANDWICH SPREADS

Ideal for open-faced sandwiches, and for making pinwheel, checkerboard or ribbon sandwiches.

Date-Nut Cheese Spread

- 2 3-ounce packages cream cheese
- 3 tablespoons dark corn syrup
- ½ cup finely chopped dates
- ¼ cup finely chopped nuts

Have cheese at room temperature, then cream or whip with syrup until smooth. Blend in nuts and dates. Add a little more syrup if needed for good spreading consistency. Super with fruit punch!

Cherry Butter

- ¼ pound butter or margarine
- 1 tablespoon light corn syrup
- ½ cup chopped maraschino cherries (well drained)

Have butter or margarine at room temperature. Cream, and then blend in syrup and cherries. Colorful and different!

SUNDAE-SODA BAR IDEAS

TAFFY SHAKE:

Combine 1 cup milk, 1 scoop ice cream and 2 tablespoons molasses and beat or whip until smooth. (Calorie watchers can substitute ½ teaspoon vanilla for ice cream.) You'll love it!

PRETZEL CRUNCH:

Add ¾ cup coarse pretzel crumbs to 1 cup cane, corn or maple syrup. Delicious!

FRUIT GOOP:

Add ¾ cup mashed peaches or strawberries to 1 cup cane or corn syrup. Toothsome!

ICE CREAM TOPPERS:

Whipped Cream
Broken or chopped nuts
Chopped candied fruit
Chocolate shots
Toasted shredded coconut
Maraschino cherries

Luxurious Tidbit Adds Party Glamor

This luxurious tidbit will add glamor to your party spread.

Party Mushrooms — Salad Bowl
Hot Biscuits
Ice Cream with
Strawberry Sauce

PARTY MUSHROOMS

- 3 cans (6 ounces each) mushroom crowns
- ¼ teaspoon salt
- 2 tablespoons sugar
- 3 tablespoons olive oil
- ⅓ cup cider vinegar

Turn mushrooms into a strainer over a bowl to drain thoroughly. Into a wide shallow container, put the salt, sugar, oil, vinegar and 2 tablespoons of the mushroom liquid; stir until sugar dissolves. Add drained mushrooms. Cover tightly and refrigerate for 6 hours or overnight, turning mushrooms once or twice in the marinade. If oil solidifies, allow to come to room temperature before serving; drain slightly. Makes 12 to 16 servings as a relish.

Casserole Features Duo-Cheese Topping

Take a well-seasoned, nutrition-packed cream sauce; combine it with tuna, mushrooms and versatile macaroni; top with not one but two kinds of grated cheese, and the result will be this main dish casserole that is likely to become a "family-asked-for" and oft-to-be repeated recipe. The cream sauce is made with smooth, blendable, pantry-shelf-handy evaporated milk. Its flavor-harmony will bring about paens of praise for the cook.

- 1 package (8 ounces) elbow macaroni
- 4 tablespoons (½ stick) butter
- 1 4-ounce can mushroom stems and pieces
- 1 tablespoon dried minced onion
- 4 tablespoons flour
- Liquid drained from mushrooms plus water to make 1½ cups
- 1 tall can (13½ ounces) evaporated milk
- ½ teaspoon salt
- Dash of pepper
- 1 tablespoon prepared mustard
- 2 tablespoons chopped pimiento
- 1 cup (7 ounces) tuna, drained
- ⅓ cup grated Parmesan cheese
- ½ cup shredded sharp Cheddar cheese
- Paprika

Cook macaroni according to instructions on package. Drain and rinse well. Melt butter; add mushrooms and onion to butter and cook gently about 5 to 7 minutes. Remove from heat and blend in flour. Gradually stir in liquids, keeping mixture smooth. Return to heat and cook, stirring constantly, until mixture is thickened, about 10 minutes. Stir in salt, pepper, mustard, chopped pimiento and tuna broken into pieces.

Turn macaroni into a well buttered 2 quart casserole. Pour tuna mixture over macaroni and mix lightly with a fork. Sprinkle with cheeses and paprika. Bake in preheated moderate, 350 degree, oven until mixture is bubbly and lightly browned on top, about 20 minutes. Makes 6 servings.

Strawberry Fluff Dessert Excellent With Casual Meal

A pleasant dessert to serve when you are having a casual meal.

Steak Sandwiches — Relishes
Giant Salad Bowl
Phyl's Strawberry Fluff

PHYL'S STRAWBERRY FLUFF

- 1 envelope unflavored gelatin
- ¼ cup cold water
- ½ cup boiling water
- 1 cup plus 1 tablespoon sugar
- ¼ teaspoon salt
- 2 packages (10 ounce each) frozen sliced strawberries (thawed)
- 1 tablespoon lemon juice
- ⅓ cup undiluted evaporated milk (whipped)
- 2 egg whites

Sprinkle gelatin over cold water to soften; add hot water and stir to dissolve. Add 1 cup sugar, 1 package of the strawberries and the lemon juice; stir to dissolve sugar; chill until it begins to thicken; beat until foamy and strawberry slices are broken up; fold in whipped evaporated milk. Beat egg whites until stiff, gradually adding the remaining 1 tablespoon sugar; fold into strawberry mixture. Turn into dessert glasses or dishes; chill. Top with remaining packages of strawberries. Makes six servings.

Cabbage Time

Green cabbage quarters and medium-sized pared potatoes and carrots need to be added to corned beef only about half an hour before the meat is cooked through and tender.

Use Glasses

If you are a sometimes-glasses wearer, be sure to put them on when you are doing such kitchen jobs as picking the cartilage out of crabmeat or picking over dried beans or wild rice.

MADE SMOOTH and creamy with readily-blendable "evap" this Tune-Macaroni Casserole is topped with a duet of flavor-harmony, sharp Cheddar and Parmesan Cheese.

Camp Fire Presents Highest Awards

The Luther Halsey Gublick pin, the highest of the Camp Fire Girl awards, was presented to Mrs. Gail Adams of Larkspur Monday night at the annual membership meeting of the Marin Section of the Golden Gate Council of Camp Fire Girls held at Christ Presbyterian Church in Terra Linda.

The citation read, "For your years of service to the Camp Fire Girls of Marin County as a leader, resource person and devoted worker. The success of our program is directly related to the contributions made by you, one of the important people in our program."

MRS. ADAMS has been in Camp Fire work since 1953. She was a leader until 1960, then handled council training, did public relations, was leader for District II, a volunteer clerk and office assistant and board secretary. She has served as annual meeting chairman, workshop trainer, basic training leader and torchbearer-reviewer.

The silver Wakan service award went to Mrs. Ernest Kroner of Mill Valley who has been a leader for six years. She has also worked as district chairman, school coordinator, district program committee chairman and has spent eight years giving service to the council.

The same award also went to Mrs. Donald Anderson of San Rafael for her five years as a leader, three years as resource person for training, district program chairman and chairman of first Junior Hi and section programs.

DR. ARTHUR ABLIN of San Rafael, Mrs. Hume Kinkade of San Anselmo and Mrs. Kenneth Reichard of Corte Madera were awarded the Ernest Thompson Seton circle pin for continued council.

DR. ABLIN has been a board member since 1958, organized sustaining members in drive, kept office and grounds and participated in almost every basic training class for the past 6 years. Mrs. Kinkade has been nature and outdoors resource person since 1957 when she was a leader for the first time. She served on training committees for three years, on district and camping and day camp committees for two years and is now a member of the staff.

Mrs. Reichard was awarded for her dedicated work to the Camp Fire Girls for the past six year, having been a leader and also a board member. She contributed heavily to the success of various district programs through photographic publicity and was District II publictiy chairman. While she was aware beforehand of all other awards presented Monday night, hers was a complete surprise and consequently did not include material on herself.

DURING THE BUSINESS meeting conducted by Paul Kent, the following new section committee chairmen were elected: Mesdames George Pelmear, chairman; Harold Bright, vice chairman and Southern Marin district chairman; Gail Adams, secretary and program chairman; Margaret D. Greene, group organization; Ulrich Karrer, hospitality; George McKenna, Redwood District chairman; Willard Ivarson, adult membership; P. G. Cochrane, unit crusade; Roscoe Smith, mint chairman; R. L. Rhoads, Jr., unit crusade co-chairman; Henry Pierce, San Rafael District chairman; Donald Anderson, art and garden; Steve Hall, day camp and J. D. Childs, Novato District chairman.

MILDRED DUNSHEE was named public relations chairman, Judge Joseph Wilson was appointed legal advisor and Dr. Ablin is new house chairman.

Appointed to head the small craft committee is James Barnett; the training committee, Paul Dunn and on the members at large committee are Paul Kent, George Renworth, Stephen Burke and Ralph Giovanniello.

Following the meeting Mrs. Edward Zeller presented an original play "Mollie Whippee" starring Mrs. Harold Craig's Novato Camp Fire Girls. Mrs. W. F. Scovill's Junior High San Rafael group did the decorations and Mrs. Hume Kinkad's group from San Anselmo served.

RECEIVING CAMP FIRE'S highest award—the Luther Halsey Gublick pin—at Monday night's annual meeting of the Golden Gate Council of Camp Fire Girls at Christ Presbyterian Church in Terra Linda is Mrs. Gail Adams of Larkspur, center. Making the presentation was Paul Kent, retiring chairman and Mrs. George Pelmear, Marin section chairman. (Ken Reichard photo)

MARIN'S SOCIAL WHIRL

Sister's Visit Inspires Duffy Family Reunions

By FLORENCE DONNELLY

The visit of Mrs. Ethel Duffy Turner in Marin County, where she was reared, has resulted in many family reunions. Mrs. Turner, who has written a number of books, now makes her home in Cuernavaca, Mexico. She is staying with her daughter, Mrs. Ray Lusk of San Anselmo and will remain there while the Lusks go on a vacation trip. Mrs. Turner is awaiting the arrival of her longtime friend, Mrs. Alma Reed of Mexico City.

Mrs. Turner's most recent book is about the Mexican revolution of 1910. I remember one of Mrs. Turner's first books, One Way Ticket. The setting was San Quentin prison in the days when convicts were brought to Greenbrae by train (on one-way tickets), then transported to the prison.

At one of the most recent family reunions were Mrs. Turner, her brothers, Clinton T. Duffy, former San Quentin warden, William Duffy of Woodland and Raymond Duffy of San Rafael and their wives, her sisters, Mrs. Ernest Zubler of San Quentin, Mrs. George Zang and Mrs. Edward Peters of San Rafael and her husband, Lt. Col. Peters, of San Rafael.

MRS. FRANK SCHROEDER, who has held many important posts in the California Federation of Women's Clubs, including the presidency of Golden Gate District, which includes San Francisco, San Mateo and Marin counties, is now president of Corte Madera Women's Improvement Club. She entertained members of her executive board at a luncheon at her Corte Madera home. Guests were Mesdames Clayton Drew, John Adlard, Thomas Zivic, Norman Richard, Nettie McLaren, George Johnson, Frank Wesel, H. W. Warne, Jack Mengel and George Entwistle.

NEW HILL HAVEN (Tiburon) residents are Mr. and Mrs. William Kaffer, formerly of Pasadena who have purchased the Thomas F. Shea home. The Kaffers are personable additions to the community. Mrs. Kaffer is a professional model and her husband is with IBM in San Francisco.

MR. AND MRS. FRANCIS F. SEITZ of Greenbrae, formerly of Mill Valley, have returned from a six-week trip to the Orient. They flew to the Philippines, Japan, Hong Kong and Bangkok.

MRS. LAWRENCE WEST of Hill Haven and her daughter, Barbara, returned recently from Mexico where they visited another daughter, Laurie West. Laurie was one of four students at the University of Pacific, Stockton, chosen to do student teaching at Collejo Americano in Torreon, Coahulla, Mrs. West and Barbara also went to Mexico City.

COL. AND MRS. JOHN A. PETERS of Little Reed Heights have had as their guests for several days, Mrs. Vernor Fitzgerald and Mrs. Donald Hinton of Seattle, Wash.

MR. AND MRS. JOHN A. SUTTER of Fairfax, who are making an extensive European tour, spending more time in the countries they did not visit during their European holiday in 1959, wrote me from Brussels. They fell in love with the city, and its people and their sidewalk cafes.

GEORGE O. SHOBOLA of Nigeria was a weekend guest at the home of Mr. and Mrs. Edward J. Neumeier of San Anselmo.

He is one of 15 museum curators from all over the world touring the United States on an exchange program sponsored by the U.S. Government and foreign governments. Later this month they will attend an international conference of museum curators in Seattle. Shogbola is senior antiquities assistant for the Nigerian Museum in Lagos.

Gamma Phi Alumnae Will Honor Mothers

Since May is traditionally the month for honoring mothers, the Gamma Phi Beta Alumnae of Marin are entertaining mothers of local Gamma Phi Beta girls at a luncheon at noon on May 21, at the Kent Woodlands home of Mrs. Allen Olinger Jr.

Included in the guest list are the Mesdames Lyman Emerson, George Girot, and R. D. Ford, whose daughters Victoria, Suzanne, and Victoria, respectively, are students at the University of California at Berkeley; J. W. Dickover and Arley Hayman whose daughters, Carol Dickover Burmeister and Margaret Hayman, attend the University of Nevada; Wesley Hull and R. A. Gorman whose daughters, Sharon and Darby, respectively, are at the University of Pacific; Donald Jeffries whose daughter, Sue Ann, attends the Arizona State University; John Keller whose daughter, Sue, attends Colorado College; Frank McGrane whose daughter, Melinda, attends the University of Arizona; and Paul C. Henshaw of Berkeley whose daughter, Sydney, graduated from Katherine Branson's and now attends the University of California at Berkeley.

Chairman for the affair is is Mrs. Merritt A. Robinson. Assisting her are the Mesdames Richard Conzelmann, James Mahan, Robert Harshberger, Samuel Fletcher, Burton F. Millard Jr., Jack Colt, Robert Banfield, Thomas Dahlgren, Kenneth Dunn, Donald Moulin, William Findeisen, Byron Trott, Robert Schroeder, Nelson King, Dale Walters, and Austin Burch.

St. Anselm's To Be Locale For Nuptials

Several pre-nuptial parties are being given for Glee Adele Liversage and Thomas J. Orovich Jr. They will be married Saturday at high noon at St. Anselm's Church with Rev. Donald Kelly officiating at the double ring ceremony. The reception, after the ceremony, will be at Fairfax Women's Club.

Glee, daughter of Mr. and Mrs. Nyle H. Liversage of San Anselmo, will be given in marriage by her father. Her attendants will be Mrs. Kenneth Cuneo of San Rafael, matron of honor, and Mrs. Richard Steinhart of San Rafael, bridesmaid.

George Schwarz of San Francisco will be best man and guests will be escorted to their pews by Keith Fraser of San Anselmo and Arthur Donati of Corte Madera.

The future bridegroom, who is with the engineering department of the City of San Rafael, is a University of California graduate. His parents, Mr. and Mrs. Thomas Orovich, and his grandmother, Mrs. Domina Orovich, reside in San Anselmo. The bride-elect attended University of Oregon.

Newlyweds Are Residing In Fairfield

Residing in Fairfield are Mr. and Mrs. Eugene Emerick who were married recently in the Redwood Presbyterian Church of Larkspur. The new Mrs. Emerick is the daughter of Mrs. Charles M. Neil of Mill Valley and William C. Briggs, Sr., of Pomona, Calif., and the sister of William Briggs, Jr., stationed in St. Louis, Mo.

Wearing a Cahill original short length wedding gown of white lace and satin, the bride was given in marriage by her father. The Rev. John Hamilton performed the 2 o'clock ceremony.

Mr. and Mrs. Frank Shea of southern California are the bride's grandparents.

The bridegroom is the son of Mrs. Paul London of Portland and is stationed with the U. S. Air Force at Fairfield.

The engagement of Shirley Louise Fracchia to Richard Andrew Morneault has been announced by her parents, Mr. and Mrs. Peter Fracchia of San Rafael.

The future bride was graduated from San Rafael High School and attended College of Marin. She is the granddaughter of Mrs. C. K. Harvey and the late C. K. Harvey of Auburn and of the late Mr. and Mrs. Joseph Fracchia of San Anselmo. She is a member of Les Couturiers.

The future benedict is the son of Mr. and Mrs. Claude C. Morneault of Falmouth, Me., and is the brother of Ronald, Priscilla and Claudette Morneault, also of Falmouth.

He was graduated from Chevrus High School in Portland, Me., and is serving with the Air Force as airman second class at Hamilton Air Force Base.

The couple plans a wedding at 2 p.m. July 13 in Saint Raphael's Church. A reception will follow at the Meadow Club, Fairfax.

Easy Ovens

Dry summer slacks on forms, then spray starch pocket edges, legs and cuffs. Waist and hips remain soft when ironed but legs are crisp and hold creases better.

KAREN WESETH

Karen Weseth Plans New York Wedding

The engagement of Karen Weseth who is currently residing in New York City, to William Mattison, also of New York, has been announced by her parents, Mr. and Mrs. Lars J. Weseth of Tiburon.

Miss Weseth is executive secretary for an architectural firm in New York where she has lived since graduation from the University of California at Berkeley. While in school she majored in English and Decorative Art.

The Weseths have made their home for several years on Vista del Mar Lane in Tiburon. Mr. Weseth retired in 1960 after 30½ years of service with the California State Fish and Game Commission.

The bride-elect has set June 29 as the wedding date. The ceremony will be performed in the Church of the Divine Paternity, New York City. The couple plan to live in New York after a honeymoon trip to the Bahamas.

The future bridegroom is the son of Mrs. Helen Mattison of Vestal, N.Y., and Mr. James Mattison of Syracuse, N.Y. He currently is employed as an architectural designer for Edward Durell Stone, architect, in New York. He studied architecture and industrial design at Pratt Institute, sculpture, painting and figure drawing at the Academie Grand Charmere, Paris, and is presently completing his master's and doctorate studies at Pratt Institute and New York University in the field of art education.

Louise McFarlane Engaged To Wed Richard K. Eisner

The engagement of Louise McFarlane to Richard Karl Eisner has been revealed by her parents, Mr. and Mrs. James McFarlane of San Rafael.

The bride-elect was graduated from San Rafael High School and while there was a member of the girls' organization, the Ra Ravas, and was on the student council. She has a younger sister, Lynne. At present she is attending the University of California School of Nursing in San Francisco.

Her fiance is the son of Mr. and Mrs. Simon Eisner of Los Angeles and is enrolled in the School of Architecture at the University of California in Berkeley.

Don Timoteo P-TA Leader Enjoys Cooking For Family

Cooking family dinners for her husband and sons or cooking with a foreign accent for guests is of special enjoyment to Mrs. Harold B. Newman, newly-elected president of the Don Timoteo School Parent-Teacher Assn. in Terra Linda.

MRS. HAROLD NEWMAN

Mrs. Newman joined the Don Timoteo P-TA two years ago and was hospitality chairman and vice president before assuming the office of president. Next year she will direct a fund-raising event to supply the school with materials for a scenic table and to buy books for the school library.

She and her husband have lived in the county for four years and have two sons, Michael and Steven. Besides cooking, Mrs. Newman is an ardent bridge fan and also bowls with a league.

Other officers installed with her were Joe Cooper, vice president; Dr. George Bogumill, treasurer; and Mesdames John Mathre, secretary; Graham Moore, historian, and Chris Finney, parliamentarian.

El Marinero To Take Tour Of Canyon Ranch

Members of El Marinero Chapter, Daughters of the American Revolution, will be conducted on a tour of the Canyon Ranch Bird Sanctuary near Bolinas on May 20.

Arrangements for the tour have been made by Mrs. Wilson T. Goddard of Bolinas, vice regent. Mrs. Calvin T. Terwilliger of Mill Valley will act as guide. She is a member of the Audubon Society of Marin, the Marin Nature Group, Marin Conservation League and the American Assn. of University Women.

Members are reminded to bring their lunches and binoculars. A business meeting will be held at the completion of the tour presided over by Mrs. Bruno L. Ercolini of Fairfax, regent.

P-TA President An Ardent Sports Fan

Mrs. D. Murray Hammond, new president of Mill Valley's Park School Parent-Teacher Assn., is the kind of mother most boys would consider themselves lucky to have.

Not only is she a spectator sports fan, especially of baseball and basketball, but she shares with her husband, the rector of Mill Valley's Episcopal Church of Our Saviour, an active interest in Little League—for both of their sons are Little Leaguers. They are David, 10, and Christopher, 9.

Temporarily the Rev. Hammond, with the aid of another father, Ed Nordstrom, is coaching "The Ramblers" and assisting Bob Holden with the coaching of "The Anchors," while Mrs. Hammond assists in whatever ways she can.

Yet Muriel Hammond has plenty of woman-type activities and interests to share with their six-year-old daughter, Teresa, because as the rector's wife, she is automatically a member of all of the women's guilds of the church except the Altar guild.

She also likes to play bridge and sing and is a member of the alto section of the church choir.

She is serving as co-chairman of the Episcopal Churchwomen's luncheon committee this year and was in charge of the kitchen for the church's recently concluded annual Antiques Show and Sale.

A native of Michigan, Mrs. Hammond was reared in Arcadia, Calif., where she was graduated from high school before attending Pasadena City College. At the end of her junior year at the University of California at Berkeley she was married.

MRS. D. M. HAMMOND

After she was graduated with a major in political science, and her husband had received his B. A. degree in history at the university, they lived in Cambridge, Mass., while the Rev. Hammond attended the Episcopal Theological Seminary there. During these three years Muriel Hammond worked in textbook department of the Harvard Cooperative.

Six years ago the Hammonds came to live in Mill Valley when the Rev. Hammond was called to succeed his father, the Rev. S. R. Hammond, under whose rectorship the main building of the new church was constructed. The education unit has since been added.

A member of the Park School P-TA for five years, Mrs. Hammond stepped up to the presidency from the position of first vice president.

"I'm really looking forward to next year," she said, "because of the exceptionally fine board I'll have the privilege of working with."

The other officers are Mesdames A. Robbins Whittlesey, first vice president; James Bennett, second vice president; Arthur Baclawski, secretary; and Mr. Emil St. Augustine, treasurer.

Presidents' Assembly To Meet May 20

Mrs. Paul Hammer, president of Presidents Assembly of Marin, will welcome all past and present Presidents of Marin County federated clubs Monday at the assembly meeting at the Sausalito Woman's Club, which will be the hostess organization.

Following a Friendship Bowl, a salad luncheon will be served by Mrs. Charles Heston.

At the meeting, a nurse's scholarship will be awarded to an eligible student. Making possible this award are contributions received from Sausalito Woman's Club, San Rafael Improvement Club, Larkspur Woman's Club, Fairfax Women's Club, Tamalpais Centre Woman's Club, Corte Madera Improvement Club and the Outdoor Art Club, Mill Valley.

Luncheon reservations are being taken by Mrs. Herman Mangels of San Rafael.

Branch To Present Convention Report

The Mill Valley Branch of the American Assn. of University Women has been honored by an invitation to present a report on the year's activities of its "Schools and Society" study at the AAUW state convention.

It will be made this weekend by Branch president Mrs. Viking Leon at the three-day convention, which will take place at the Disneyland Hotel in Anaheim. Mrs. Leon will be accompanied by Mrs. Edward J. Boessenecker, second vice president and program chairman.

The presentation will be made at a roundtable attended by elementary and secondary education chairmen representing the 130 California AAUW branches. Mrs. Leon will be substituting for Mrs. Frederick A. Zulch, chairman of this section for the Branch, who coordinated the group's study with Mesdames Joseph E. Bodovitz, social and economic issues chairman, and Richard A. Newman, legislative program chairman.

The group began studying de facto segregation in Marin County and then branched out into educational problems of culturally deprived children. Members have prepared a bibliography of the reading they did on the subject and have written legislators urging passage of bills directly concerning the subjects or related to them, such as provisions for setting up child care centers.

Mrs. Leon participated in the study group by relating her child care center experience during college at the University of California. She also served on behalf of the group on the planning committee for the Southern Marin Career Conference held in March.

New Beta Sigma Phi Group Installs

A new chapter, Kappa Psi of Beta Sigma Phi, has been formed in Novato. It is the second chapter to be organized in Marin County.

Installation of officers was held Friday at the home of Mrs. Arthur Harris in Marinwood.

Mrs. Eugene Lounder will be the first president of the new chapter. A member of the ritual of jewels for five years and an exemplar for three years, Mrs. Lounder has lived in Marin County one year, coming here from Colorado.

A registered nurse, she intends to return to the nursing profession when her two girls, Tara Sue 5 and Kim Ann, 4 get a little older.

She and her husband, an accountant, bowl in a mixed league. A new hobby this year is golfing, which Mrs. Lounder says she enjoys very much.

Officers to be installed with Mrs. Lounder are Mesdames Charles Beaty, vice president; Pete Nisich, recording secretary; George M. C. Daniels, corresponding secretary; Norwood Arnold, treasurer; and Marin Inter-city Council representatives, Donald Downing, Robert Ground and Hal Henricks.

MRS. EUGENE LOUNDER

Other new members in Kappa Psi are Mesdames Robert Jacobson, Lawrence Witter, Glen Dunbar, Arthur Sears, Harry Clausing, Gavin Pelling, Richard Crumpley, Arthur Harris, Eric Kollgaard, Dante Mazzoni, Richard Whitney and Keith McGuire.

Pacheco School P-TA Festival Tomorrow

The Pacheco School P-TA will have their annual festival from 5 to 8 p.m. tomorrow at Pacheco School.

Festival chairman, Mrs. William Runge, announced that favorite games of skill, food and soft drinks will be available at the festival.

Dress Tips

Wearing the wrong type of knot can spoil the look of a shirt collar. Suit the knot (Four in hand, Windsor, half-Windsor, etc.) to the tie space of collar, advises the American Institute of Men's and Boys' Wear. Your button-down collar will have the proper roll if you do not pull your tie too tight. Experiment with it.

Matched And Coordinated Styles For Lady-In-Waiting

This spring, milady-in-waiting can be as smartly dressed and as up-to-date as her more sylph-like sisters with many fashions to choose from.

The softened-look and color coordination from head to toe, sparkle spring maternity fashions.

MATCHED OR coordinated maternity suits, rather than two-tone or contrast effects, are being shown.

In sportswear, however, tops contrast with varied color skirts, long shorts or pants, in washable poplin and linen-like rayon fabrics.

The straight-look, Oriental styling and defined prints are particularly outstanding in many new one-piece fashions.

SOFT COLLARS with lace and bead trims are highlights of dressy cotton and silk outfits. Crisp standaway collars dressup tailored and sport styles.

From maternity tops, duster coats, ensembled outfits to swim suits, shorts, pedal pushers and a wide assortment of separates — maternity wear takes on more individualized sizing, styling and detailing for smarter looks and better fit.

At no other time is it so important for a woman to be comfortable, yet neat looking. That's why the emphasis in maternity fashions this spring is on classic styles in washable, crease-resistant fabrics.

Countryside Hardly Dry Yet Fire Season Already Here

With the weather acting up in such a way that it's hard to decide whether or not to take a raincoat when you leave the house in the morning, the start of the fire danger season may seem far away. But it is not.

Fire season, in practically all parts of Marin County, start today.

After today permits will be required for all open burning from now until the rainy season comes again. That includes open incinerators and garden cuttings.

There is adequate reason for these regulations. All you need to do is look to the East, where rainfall has been sparse this year. There have been several serious fires which have wiped out acres of brush and forest lands and have leveled several resort areas. Many homes burned and a number of persons have been seriously injured already this year.

Marin's extended rainy season has had one result. There is abundant, high growth over much of the unoccupied portions of the county (and in more than a few back yards). This heavy grass and brush will now dry into a serious fire menace. As it dries, it will become a threat not only to the open areas, but to many of our summer homes, subdivisions and even cities.

Marin County has been lucky in the past few years. Our fire loss has been held low. We can give part of the credit to active fire protection teams in the county, the cities and the various fire districts. We also can give credit to the general public who have been extremely cooperative in preventing fires.

It is to this latter group that we appeal again this year:

Be careful when you are out driving, picnicking, hiking, beach-walking, horseback riding or just sight seeing. Don't toss matches and cigarette butts on the ground. Be careful about backing a car into dry grass, a spark from the exhaust can become a holocaust. If you should build a camp fire, and you shouldn't without a permit, make sure it is safely away from grass or brush. Then, when you're through with it, make sure it is completely out, down to the last spark.

And parents, please talk to your children about matches. About half of the grass fires which start in Marin County are started by juveniles playing with matches.

In the past we've had tragic and expensive fires in Marin County. Let's not do it this year.

GREATEST INDIAN HELPS MANY

An American Indian's gift of land to the U.S. Government over 25 years ago is now providing college educations for 15 Indian youngsters.

The unusual transaction had its origin in 1901, when Willie Taggart of California's Mad River Tribe was given the use of 160 acres of forest land by the government. This was common practice for those whose tribe had no reservation. Later it was deeded to him.

The land had little value at the time of his death in 1937, but the grateful owner had willed it to the government.

Years passed, during which the grant was passed from one department to another. Finally it went to California's Department of Education. It was subsequently sold to a timber concern for $125,000. Interest on the money is financing scholarships for Indian students in such subjects as journalism, engineering, agriculture and medicine.

"Freely you have received, freely give."

(Matthew 10:8)

Let me show generosity, O Lord, in serving You, my country and my fellow man.

Buses Proved Need Is Here

EDITOR,
Independent-Journal:

We wish to express our gratitude for your complete assistance in regards to coverage of the Marin Transit San Rafael bus system. No one could have possibly received as much favorable publicity, and news aid as Marin Transit. We sincecrely do appreciate your efforts.

The effort was not unrewarded. The need was definitely proved, that some type of transit service is necessary, and how, or when, it comes about, the future will tell.

Again, thanks to the complete staff of the Independent-Journal.

Swim Coach Deserves Praise

EDITOR,
Independent-Journal:

Attached is an article clipped from the April 26 edition of the San Rafael high school paper. It is eloquently written and true in every respect (regarding San Rafael's undefeated swimming season).

Coach Larry Lack, in his brief two years at San Rafael, has won the unqualified respect of not only the students but the parents of all children who have trained under him. His unselfish work and interest in the young people of the community extends far beyond the requirements of his high school position.

This young man is a definite credit to your town and community and should be encouraged in his efforts. It would be a considerate and worthwhile gesture on your part to let him know that his dedicated work has not passed unnoticed.

If he has not already been chosen for recognition as "coach of the year," a special editorial commending his outstanding service is certainly in order.

Don't Fear Your Hospital

EDITOR,
Independent-Journal:

The Emergency Medical Service offered to this community by the members of the Marin County Medical Society is available 24 hours a day, seven days a week. It is listed in the familiar yellow pages of your telephoned irectory under "Physicians."

In using this service, although a patient's first impulse may be to request that a doctor come to the home, there are some occasions when a patient can obtain quicker, more adequate medical care for a particular condition, at the emergency room of a nearby hospital than can be delivered in a little black bag to the home.

When a patient is ambulatory, and has a condition that requires hospital facilities, the interest of the patient will be served by following the doctor's advice as to the best means of securing prompt and adequate treatment.

If a patient should choose not to follow medical advice, then they must make some other arrangement for care. Again, more time is lost.

Very few people (unless it's another doctor) think they know more than the doctor about medical advice. Most of this resistance comes from the patient being a little afraid of the hospital.

Newspaper articles, such as have appeared in the I-J in the past, describing our hospitals as the friendly helpful places they are, tend to reduce this fear. I hope you will continue to print them.

Swim Victory Was Not Fair

EDITOR,
Independent-Journal:

I am writing in reference to the decision on the outcome of the Tam-San Rafael standingsin the M.C.A.L. Swim Meet.

I, being a member of the Tam swim team, am very disappointed in the ruling that the San Rafael relay team would be eligible, even though San Rafael had an ineligible man entered in that event.

The fact that the M.C.A.L. Board of Managers had to meet to decide whether or not the event would be disqualified comes as a shock to me. I feel that the decision should have been one to be made by the meet officials and that the decision should have been automatic.

If everyone could "get away" with entering illegal men, the spirit of competitive sportsmanship would die.

Switch In Bridge Board's Vote On Buses Makes One Believer

Lo, the poor Marin commuter! That other well-known Lo, the poor Indian, had nothing on him except wider open spaces.

But even the commuter can have something happen to cheer him up a little, if not immediately, and materially to improve his lot. This was proved Friday when the Golden Gate Bridge Board executed a remarkably spectacular and amusing flip-flop.

I saw it happen, but just how it happened I know not. The vote was quicker than the eye.

PERHAPS PERSONS who are able to keep the bridge board chappies under steady surveillance can contemplate their moves with less amazement. My trips down to observe board meetings are only now and then, which has its points.

But during several meetings of the past, I had watched apparently foredoomed efforts by Marin's Thomas D. Hardcastle to lead the board into a spirit of amiability toward improvement of bus service across the bridge.

Hardcastle, it seemed to me, had an idea. He'd figured that with an average of little more than one occupant per automobile, crossing the bridge four and one-half car lengths apart if they obeyed safety rules for a 45-mile speed limit, the bridge will reach its saturation point quite soon. Yet actually it will be carrying a pitifully small number of humans as compared with what might be done if, say, you laid 'em end to end.

LAYING BRIDGE crossers end to end would not be practical, nor would it be the ultimate in efficiency. Hardcastle calculated that the proper way would be to carry them vertically and close together, as in a bus.

If everybody who went across the bridge went by bus this should give about a 50-time multiplication in maximum number of people crossing, according to a special calculation of my own on which I refuse any audit. But anyhow, not everybody would go by bus; let's be reasonable and just send quite a lot more by bus than presently and you would still get a big increase in humans transported.

Of course it is arguable as to whether any Marin citizen who can help it should ever go across the bridge. But quite a lot, like Hardcastle, toil in the big city and bring their loot home to spend it in Marin, which latter is to the good.

Thus let us do what we can to promote bus traffic. Maybe more buses, better buses, more bus stops, even a new bus line. Worth looking into, anyhow.

HARDCASTLE AND Peter Behr fixed it so the Marin County Board of Supervisors suggested formation of a three-way committee to study ways of improving the bus situation. Then you should have heard the hollering begin among the bridge boys. Their kicking was scandalous to watch.

A motion to table the whole thing nearly went through. Hardcastle held the line. He claimed committee jurisdiction and demanded that fellow-directors keep hands off.

Time passed. The San Francisco supervisors decided Marin had a good idea and voted to join up. And somehow The Word began to penetrate to the formerly stubborn bridge directors.

SO HARDCASTLE'S commuter committee unanimously recommended that the bridge board follow San Francisco's lead. Then in sweetest amiability, the bridge board did just that, with nary a dissenting vote.

It really made a believer out of one spectator, I can tell you. I'm not quite sure what I believe, but I do believe. Most anything, now.

Nixon Moved To New York To Separate Himself, Elective Politics

WASHINGTON — Why did Richard Nixon, who came within a thimbleful of votes of being President of the United States, abandon his residence in California? Why did he transfer his law practice from Los Angeles to New York and thereby totally remove himself from elective politics?

The truth is that this is exactly what he wanted to do. He did it deliberately.

This is not a political deduction; this is not just a columnist's guess. This is Nixon's own view of his own actions which he expounded in a wide-ranging, unusually revealing, two-hour interview.

"I will not again be a candidate for anything," he told me. "Under no circumstances whatever. That is categorical."

NIXON WAS answering the questions almost before one could ask them. He was direct and explicit. It was clear that he was anxious to put on the record the whole story of his move to New York.

"I came to New York," he said, "not for political reasons, but for private and legal reasons. I want to make it clear that under no circumstances do I contemplate at any time entering New York politics. That means not as a candidate for governor, not as a candidate for senator, not as a candidate for Congress, not as a candidate for anything, not now and not in the future. I make this statement ont only because New York has a good governor and two good senators, but primarily because running for any office has no place in my plans."

DOES THIS mean that, after 16 years in public life, Nixon at one stroke is wiping politics completely off his slate? His answer:

"No, that's something else again. In cosidering what contribution I could make politically in the years ahead, I have made the determination that that contribution can better be made in the area of ideas than in the area of elective politics.

"I do not want anybody to get the impression that I am ceasing public activities. I believe it is a responsibility of citizenship for any individual who has had the experience I have had to continue to share that experience to the extent he can with the nation.

"As I see it, my role is not that of a candidate, not that of a party leader in the sense of being a political organization functionary, but that of being a conscious leader of thought in the party and in the exposition of policy and philosophy.

"That's why I make it absolutely clear that I am not going to run for anything. But I plan to have a lot to say about the issues and I plan to have something to say publicly about whom the Republicans ought to run. I think I know what a candidate requires and what the presidency requires."

WHAT PART does Mr. Nixon see himself playing in choosing the 1964 Republican nominee? Does he expect to be a delegate to the convention from New York?

"No," the former vice president replied, "I will not be a delegate. I would expect to be invited to speak. All previous candidates are invited to speak. I do not intend to influence the choice of the convention except in so far as my public appearance might influence it. I do not rule out the possibility of indicating my support if I feel that one of the candidates on the Republican side is the best candidate."

THE LIGHTER SIDE

Light Type Booze Not Necessarily Light Colored Or Less Intoxicating

By DICK WEST

WASHINGTON (UPI) — A large segment of the population still accepts as gospel truth three proven fallacies. They are:

1—That you can always be sure of getting good meals during cross country trips if you stop at the places where the truck drivers eat.

2—That if you fill up on Chinese food you will be hungry again in half-hour or so.

3—That stimulating and enlightening commentaries on world affairs are provided by New York cabdrivers.

To this treasure of folklore there has lately been added a fourth great myth:

4—That if you drink a "light" type of booze, you won't get stoned so fast.

We had here recently a coincidence of events that my friend "Diamond John," last of the big freeloaders, described as a twi-night double-decker.

In the late afternoon the French National Association of Cognac Producers gave a brandy tasting reception, and in the early evening the California Congressional Delegation gave a wine tasting reception.

Needless to say, French brandy was served at one and California wine at the other. "Diamond John" was beside himself with glee.

"This is what has been missing in my life," he chortled. "Dramatic conflict. The importers and the domestics pitted against each other in a battle of the freeloads."

AT THE BRANDY freeload, the host was I. M. (Tex) Bomba, a New York importer who was pointed out to me as an authority on American drinking habits.

"Bomba is an expert on the subject of getting bombed," my tipster reported.

I approached the elixir oracle and requested that he elucidate. He responded with a stimulating and enlightening commentary on Myth No. 4.

"The trend nowadays is toward lightness," Bomba said. "A lot of people are buying brands that are advertised as 'light' without even knowing what the term means.

"THERE IS A widespread impression that liquors are 'light' if they are pale in color. That is not necessarily true. Good cognac, for instance, is 'light' but has a dark color.

"It also is widely believed that light liquors are less intoxicating. That is nonsense. The percentage of alcohol is the same whether they are light or heavy."

I thanked Bomba for the information and I pass it along on the chance that it might keep some misguided tippler from going out like a light.

POP ART!!!

10 YEARS AGO

On motion of Chairman William D. Fusselman, county supervisors passed a motion to legalize delays—the board needn't act until one week after presentation of any matter, unless emergency exists.

Belvedere's city council dropped plans for possible purchase of the Hilarita housing project. Councilman John J. Wiley reported the site couldn't be annexed to the city because it is not contiguous to any city property.

TRY AND STOP ME

BENNETT CERF

A minister dropped into a strange barber shop for a quick shave and had the misfortune to choose a chair presided over by a barber who was suffering from an acute hangover. His breath nearly asphyxiated the poor minister, and then, to cap the climax, he took a huge nick out of the minister's chin. "You see," said the minister reproachfully, "what comes from drinking intoxicating liquor?" "Yep," agreed the barber cheerfully. "It sure makes the skin tender."

V. S. Pritchett tells of a jaywalking young lass who darted through the traffic of Dublin and halted beside a policeman half-way across. "That's a terrible risk you took, ma'am," said the policeman. "The traffic's desperate this morning, Officer," gasped the lady. "I figured I'd be safest with you in the middle of the street." "With me, ma'am," the officer assured her gravely, "you'll only be middling safe."

A vain young creature in Wilkes-Barre, Pa., craved a pearl necklace. One dark night a genie appeared before her and said, "Make one wish. It will come true by morning."

The young creature murmured ecstatically, "Give me what I need for my neck." When she awoke she found next to her pillow a box containing six cakes of soap.

HOW TO PLAY WINNING BRIDGE

By ALFRED SHEINWOLD

Don't Commit Yourself Before You Have To When Playing Game

A successful bridge player, like a determined bachelor, must avoid committing himself.

There will be temptations on every side, but the secret of success is to yield only to those temptations that leave you some freedom.

South could see 11 easy tricks and noted that he had some kind of finesse in each of the red suits. Which should he try?

TEMPTATIONS

As a happily married man South kept his eyes away from these temptations. He ran four rounds of clubs then three rounds of spades. Finally, he tried the heart finesse.

West won with the king of hearts and returned the jack of hearts to declarer's ace.

South struggled on for a few more tricks but finally gave up the last trick to East's queen of diamonds.

WRONG QUEEN

South's trouble was that he thought about the wrong queen. Any bachelor could have told him that the queen of diamonds was more important than the queen of hearts.

After winning the first trick South should lead a spade to dummy and return a low diamond. If East has the queen of diamonds, South's jack will win a trick.

What if East doesn't have the queen of diamonds? Then South will still have freedom of action. He will be able to try the heart finesse later.

TROUBLE

The trouble with trying the heart finesse first is that it committed South.

After the finesse lost he could not try for a diamond trick.

Whenever you have more than one play for a contract, arrange your tricks in sequence that doesn't commit you until the latest possible moment.

Try to begin with the plays that leave you in position to go on to something else.

ALMANAC

Today is Wednesday, May 15, the 135th day of 1963 with 230 to follow.

The moon is approaching last quarter. The morning stars are Venus, Jupiter and Saturn. The evening star is Mars.

On this day in history:

In 1765, Parliament enacted a statute making it mandatory for American colonists to supply housing and supplies for British troops.

In 1930, the first stewardess was employed on a United Air Line flight from San Francisco to Cheyenne, Wyo.

A thought for the day: Patrick Henry said: "I have but one lamp by which my feet are guided, and that is the lamp of experience. I know no way of judging of the future but by the past."

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

It Is Possible To Remove, Replant The Germ Of Tooth

VAN DELLEN

Can a completely developed tooth be removed from one person and transplanted in the gum of the same or another person? This procedure rarely is successful as, in time, the roots are absorbed and the tooth falls out even though it appeared to have taken hold.

On the other hand, it is possible to remove and replant a healthy tooth germ which takes root like a seed and grows into a normal tooth. The germ forms in the gum long before birth and is the forerunner of the tooth. But the germ must be transplanted immediately because it is extremely sensitive to lack of blood and nourishment. It takes the seed two to six months to erupt into a firmly embedded tooth.

THIS TYPE of replantation has been done in several dental clinics, according to Dental Abstracts. The technique is tricky and it is difficult to predict when it will work. A two to three year follow-up by a group of Czechoslovakian dentists showed it was most successful in children and less so in adults. It worked in 30 per cent of 25 patients in one group and was unsuccessful in 42 per cent. In the remainder the results were fair.

CANCER IS NOT a single disease and no one knows how many different kinds there are. According to Dr. George E. Moore of Buffalo, N.Y., there are at least 100 varieties. Our ignorance along this line stems from the fact that each is derived from a single cell and the body contains a wide variety of cells.

The mother cancer cell multiplies and, in time, there are many offspring. There is nothing to prevent some of these new cancer cells from mutating, which changes them from their original type. This is one of the arguments used by those who believe that a patient with cancer does not have one but several malignancies of the same general type.

Cancers are difficult to classify according to site of origin and cause. Most of the responsible agents are not known. If there were a single cause we might be able to find a single magic curative drug. Meanwhile, we must rely upon early detection, followed by surgery or radiation.

(Dr. Van Dellen will answer questions on medical topics if stamped, self addressed envelope accompanies request.)

LIVER AND HEART

H. S. writes: Is it safe for a person with heart trouble to eat liver? I hear it is high in cholesterol.

REPLY

Liver contains almost as much cholesterol as butter and American cheese but much less than egg yolk. There is no need to be concerned if your blood cholesterol level is not elevated.

HIATUS MEANS GAP

B. M. K. writes: How did the medical profession arrive at the name hiatal for this type of hernia?

REPLY

The stomach forces its way upward through the hiatus (opening) of the diaphragm. This is the area in the diaphragm where the esophagus passes through the stomach.

CIRCULATION

J. B. writes: Does the blood go around in circles or does it come back in the same channels?

REPLY

In a circle, as Harvey demonstrated in the 17th century. The blood goes to the tissues via the arteries and capillaries and returns to the heart by way of the veins.

ICE FOR BURNS

W. W. writes: Is immersing a burned finger in cold water immediately the best treatment?

REPLY

Yes, because cold water soothes the burned area. Ice water is preferred; keep the lesion chilled until pain subsides.

Booklet Is Being Published On Wildflowers Of Tiburon

"Tiburon Flora," a 75-page booklet on the wildflowers of the Tiburon Peninsula, is being published for distribution in July through the Belvedere-Tiburon Landmarks Society in cooperation with the California Academy of Sciences and University of San Francisco.

Names of those who have assisted the society in its effort to save a portion of the peninsula's flora through purchasing the unusual section adjacent to Old St. Hilary's will be printed in the booklet, which will be limited to an edition of 1,000 copies.

Those who wish to contribute to the wildflower fund and be listed in the publication should send checks to the Landmarks Society, P.O. Box 134, Belvedere-Tiburon, to be received not later than Saturday, said Mrs. Robert Bastian, president.

Contributions have been received from more than 300 persons, the majority of whom live outside of Marin County, according to Mrs. Bastian.

The study of Tiburon flora was made possible through a special grant to the California Academy of Sciences, which designated the Tiburon area as the most important section to be documented. The work was done under supervision of John Thomas Howell, curator of botany. It will be published in the spring issue of the Wassman Journal of Biology at USF, edited by Dr. Edward Kessell of Novato, professor of biology.

Photographs, some of which were taken by Anna-Jean Cole of Tiburon, will illustrate the volume.

Included in the study is an introduction on the geology and terrain of the Tiburon Peninsula, an alphabetized list of the flowers with both common names, the areas in which they are to be found (or could have been found before subdivision), an anecdotal description, and a short coded section of particular interest to professional and amateur botanists.

Straight Highway 1 Is Urged

Highway 1 through Southern Marin County should be straightened for the safety of the motorists, Frank Meyer, member of the executive board of the Redwood Empire Assn., told the Novato Chamber of Commerce board Monday night.

Meyer said a straight wide highway would serve the public much better and not detract from the scenery of the area.

The chamber, however, withheld action after county Supervisor William Gnoss told the board a study is being made for a West Marin master plan and the highway will be included in that plan.

Raymond Head and Jerry O'Shea of the State Division of Highways briefly discussed signs to be placed on the new interchanges being constructed on Highway 101. They recommended the chamber appoint a committee to work with the city on recommendations for the signs.

Chamber President Wayne Womack was absent so no committee was named.

The board voted to place the chamber airport committee under the industrial committee, with Ralph Briggs as chairman.

Exploring Mental Health To Be Topic

"Exploring Mental Health in Our Community" is the theme for the second annual community workshop of the Marin Assn. for Mental Health, scheduled for May 23 in Alexander Hall of San Francisco Theological Seminary, San Anselmo.

The workshop, divided into two parts, will start at 7:30 p.m. The first part will be a film, "Angry Boy." A panel discussion on the film and the theme will take the rest of the evening.

Dr. Roy W. Fairchild will introduce the film. Panel moderators will be Helen Jambor of College of Marin and Dorothy E. Gibson of University of California School of Social Welfare.

Cooperating organizations include Sunny Hills, American Assn. of University Women, Junior League of San Francisco, Marin Aid to Retarded Children, and Family Service League.

On the panels will be Dr. Gerald Hill; attorney Leland H. Jordan; Walter Busher, chief county probation officers; Mrs. Emma Gilman, of the county health department; Celia Walker of the Family Service Agency; Rev. Edward S. Dingberg of St. Isabella's Church, Terra Linda; Francis Parks, counselor at Sir Francis Drake High School; Dr. John J. Preisinger; attorney Ben Barton Jr.; Paul Dowdell of the county probation department; Florine Miller of the county welfare department; Jeanne Knakel of the Family Service Agency; Rev. Charles B. Gompertz of St. John's Episcopal Church, Ross, and Mr. James Norton, head of counseling and guidance at San Rafael High School.

Staff Hired For School This Summer

Twenty teachers, five student aides, a nurse, librarian and a secretary were approved for employment Monday night by the Mill Valley School District for the four-week summer session starting July 1.

Additional persons will be hired, Principal Joseph K. Womack said, if enrollment increases.

Also hired were 16 classroom teachers for the 1963-64 school year.

The board accepted resignations of Leonora Wright, second grade teacher at Park School; Linda Farrell, fourth grade, Alto, and Leonard Dickinson, custodian at Marin Terrace. Mrs. Dennis Hecht, Strawberry Point fourth grade teacher, was granted a year's maternity leave.

Cost of installing stage equipment and lighting at Edna Maguire School was estimated at $3,575. The board awarded a $4,963 contract to L. H. Leonardi Electric Construction Co., San Rafael, for rewiring the Old Mill School auditorium.

County Employee Medical Group Plan Due Survey

Harry C. Duncan of Belvedere was approved by county supervisors yesterday as a consultant to survey the medical group program for county employees.

This involved appropriation of $250, matching a similar sum to be provided by the County Employees Assn.

The board was told that there was no complaint about California Physicians Service but that some changes as to coverage or on other points may have to be made.

Duncan said the service is paying "142 per cent of its income" meaning a need for some sort of correction to avoid major raise in rates. One way to change, he suggested, would be to eliminate maternity benefits.

$276 Fine For Drunk Driving

Willie Johnson, 54, of Vallejo, a quarry worker, must pay $276 fine and spend five days in Marin County Jail for felony drunken driving.

Judge Joseph G. Wilson of Marin Superior Court sentenced Johnson Monday for driving while intoxicated along Highway 101 near Marin City last Jan. 26. Johnson was arrested after an injury accident.

The judge also ordered that Johnson must make restitution for damages he caused in the accident.

Bolinas Fire Unit Budget Meet Set

Bolinas Fire Protection District commissioners will meet at 7:30 p.m. today to draw up the district's 1963-64 preliminary budget, said James Dougan, chairman. The commission meets in the community center.

The commission has set June 30 for the annual clean-up day. Clean-up of brush, grass and rubbish will start at 9 a.m. A lunch, prepared by wives of firemen, will be at noon in the center.

Volunteer firemen have appointed a nominating committee to recommend officers for 1963-64, Dougan said, and an election will be held June 10.

Novato Pigeons Get Home Fast

For the third successive week, pigeons flown from Don Larroche's Gypsy Loft, won first and second place in Sunday's Tamalpais Homing Pigeon Club race from Fernley, Nev.

Flying 1,310 yards per minute the winning pigeon from Novato averaged 48 air miles per hour.

Third place was won by the Galaxy Loft of San Rafael.

The next race will be Sunday from Imlay, Nev., a distance of 300 air miles to Marin.

Marinwood Fire Unit Considers Applications

Marinwood fire commissioners Monday night reviewed some 50 applications for the new fireman's position in the Marinwood Fire Department and adjourned until May 27 to consider final applicants.

James McElhattan, commission chairman, said a decision on the hiring of a third paid fireman may be made in two weeks. The new job was authorized by the community services district board two months ago after the discharge of Fire Chief John G. Unsworth.

Variance For Duplex Due Corte Madera Unit

Application for a variance to build a duplex on property near a six-unit apartment house with substandard land space and reduced clearance between buildings will be discussed by the Corte Madera Board of Adjustments at 7:30 p.m. today in town hall.

By adding new land to the present site, W. L. McCormick of Kentfield would have a total of 22,833 square feet for eight dwelling units, 967 square feet less than required. He also asks a variance for a clearance of seven feet between structures instead of the required 13 feet.

Artists To Show

Marin County painters and sculptors will be among those from throughout the United States whose works will be shown in a rental show at Quay Gallery in Tiburon for one week starting tomorrow. The works will be available for three-month rental.

Officers Flush San Rafael Bad Check Suspect

Two San Rafael police sergeants flushed a bad check suspect Monday night in a house to house search of his former addresses.

William Harrison Andrews, 32, of San Francisco was booked in the county jail on charges of passing seven bad checks, totaling $262.50, in San Rafael from March to May 1.

Sergeants Lincoln Borba and Earl Christensen went to four places in San Rafael where Andrews had lived and told occupants he was wanted.

The officers returned to the police station after their efforts seemed fruitless. But Andrews surrendered himself to police at the station at 9:30 p.m. Christensen said Andrews apparently got word of the police search.

Andrews told Christensen that he had passed about 15 worthless checks, seven of which are accounted for.

Young GOP Set For Island Picnic

A picture on Angel Island for the Young Republicans of Marin will be held Saturday.

A special Harbor Tour boat, arranged for by state Sen. John F. McCarthy of San Rafael, will leave the pier at the Dock Restaurant, Tiburon, at 10:30 a.m. Saturday and will return at 4 p.m.

Reservations chairman are Mrs. Donald Black, Terra Linda; Mrs. William D. Keeler, Mill Valley, and Mrs. Gayle Shotwell, Novato.

Six Months Given In Morals Case

Lester Paul Frease, 47, a Bolinas milker, must spend six months in Marin County jail for indecently exposing himself to women motorists on Shoreline Highway near Point Reyes Station last July.

Judge Thomas F. Keating of Marin Superior Court sentenced Frease Monday to one year in county jail. The judge suspended the jail term and put Frease on three years probation on condition he serve one half year in jail.

Frease has a previous record of indecent exposure.

OFFICIAL NOTICE INVITING BIDS FOR THE PURCHASE OF BONDS OF THE CITY OF SAN RAFAEL, COUNTY OF MARIN, STATE OF CALIFORNIA, ISSUED UNDER THE PROVISIONS OF THE MUNICIPAL IMPROVEMENT ACT OF 1913 AND THE IMPROVEMENT ACT OF 1911

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the City of San Rafael at the meeting place of the City Council located in the City Hall, San Rafael, California, on Monday, the 3rd day of June, 1963, at the hour of 8:00 o'clock P.M. of said day, for the purchase of $112,898.57 principal amount of bonds of the City of San Rafael, designated "Improvement Bonds, Chula Vista Assessment District, City of San Rafael, Marin County, California, Series 1963-1," at which said time and place said proposals will be publicly opened, examined and declared by the City Clerk of the City of San Rafael. Said bids will be calculated and the results thereof will be reported to the City Council of the City of San Rafael.

These bonds are authorized to be issued under the provisions of Resolution of Intention No. 2467 as amended, of the City Council of the City of San Rafael, adopted on the 3rd day of April, 1962, and proceedings subsequent thereto. The Resolution of Intention provides with relation to said bonds as follows:

NOTICE IS HEREBY GIVEN that serial bonds shall be issued in the manner and form provided in Part 5, Division 7, of the Streets and Highways Code of the State of California (Improvement Act of 1911) to represent unpaid assessments of Fifty Dollars ($50.00) or over, which said bonds shall bear interest at the rate of 6% per annum and the last installment of which bonds shall mature fourteen (14) years from the 2nd day of January next succeeding the next September 1st following their date. Said bonds shall be payable to bearer, and there shall be added to the redemption clause in said bonds the following words:

". . . . . together with a premium of five per cent (5%) of said unpaid principal."

DATE OF BONDS AND INTEREST RATE: Bonds are to be dated June 10, 1963, and will bear interest from said date. Interest is fixed in the Resolution of Intentio at six per cent (6%) per annum.

PURPOSE OF ISSUE: Said bonds are authorized to be issued by the City Council of the City of San Rafael by Resolution of Intention No. 2467, as amended, and proceedings prior and subsequent thereto. The purpose is to construct sewers and street improvements in the area as described and shown on the plans and as required in the specifications. The assessment district is designated as "Chula Vista Assessment District, City of San Rafael, Marin County, California", and reference for all details is made to the proceedings for the formation and completion of said assessment district.

The original amount of the assessment was $121,512.14. The sum of $8,613.57 has been paid in cash, leaving unpaid in bonds to be issued the sum of $112,898.57.

DENOMINATIONS: Bonds vary in amount from $346.27 to $7,259.61. Most of the bonds are less than $1,500.00 in amount. Average assessments are not applicable because the assessments vary with the size of the properties. This is all acreage property. The purpose was to construct streets, and bring them up to city standards, and sanitary sewers. This is a substantially developed part of a residential area.

PAYMENT: Both the principal and interest are payable in lawful money of the United States at the office of the City Treasurer of the City of San Rafael, located in the City Hall, San Rafael, California.

CALLABLE BONDS: All bonds are subject to redemption pursuant to the provisions of the Improvement Act of 1911. Any property owner may redeem any bond at any time by paying the then unpaid principal, 5% of the then unpaid principal as premium, and interest to the next succeeding interest coupon date.

AUTHORITY FOR ISSUANCE: Said bonds were authorized to be issued by the proceedings in said assessment district, and said assessment district was organized and consummated and bonds provided to be issued under the provisions of the Municipal Improvement Act of 1913 of the State of California and the Improvement Act of 1911 of the State of California.

SECURITY: Said bonds are secured by real property against which each bond is a lien, as provided for by the Improvement Act of 1911.

LEGAL OPINION: The unqualified legal opinion of the law firm of Sturgis, Den-Dulk, Douglass & Anderson, 1322 Webster Street, Oakland, California, approving the validity of said bonds will be furnished to the successful bidder without charge.

HIGHEST BID: The bonds will be awarded to the highest bidder considering the price offered and premium offered, if any. No bid will be considered which is less than par of the bonds. All bids will also provide that accrued interest will be paid from the date of the bonds. Cost of printing the bonds will be borne by the assessment district.

PROMPT AWARD: The City Council of the City of San Rafael will take action awarding the bonds or rejecting all bids not later than forty-eight (48) hours after the expiration of the time herein prescribed for the receipt of proposals.

PROMPT DELIVERY: Delivery of the bonds will be made to the successful bidder at the office of the City Treasurer, located in the City Hall, San Rafael, California, on June 10, 1963, or as soon thereafter as said bonds are ready. The successful bidder is to deposit the purchase price and take delivery of said bonds within 48 hours after notification of their readiness for delivery to them. The amount of deposit of the successful bidder will be deducted from the purchase price of the bonds.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale. Each bid, together with the bidder's check, must be enclosed in a sealed envelope addressed to the City Council of the City of San Rafael and endorsed, "Proposal for City of San Rafael Bonds, Chula Vista Assessment District, Series No. 1963-1."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $2,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of the City of San Rafael, to secure the city from any loss resulting from the failure of the bidder to comply with the terms of his bid. Checks of the unsuccessful bidders will be returned by the city by mail upon the award of the bonds. No interest will be paid upon the deposit made by any successful bidder.

OFFICIAL STATEMENT: The successful bidder will be furnished with a no-litigation certificate certifying that there is no controversy or litigation pending or threatened concerning the validity of the bonds as of the time of the delivery of the bonds.

DATED: May 6, 1963.

ON Friday, the 31st day of May, 1963, at the hour of 10:30 a.m., of said day, at the front entrance to PACIFIC COAST TITLE COMPANY OF MARIN, 950 Fifth Avenue, in the City of San Rafael, County of Marin, State of California, Pacific Coast Title Company of Marin, a corporation, as Trustee, will sell at public auction, to the highest bidder for cash, in lawful money of the United States, all payable at the time of sale, all the following described real property, situate in Marin County, State of California, and described as follows: to-wit:

PARCEL ONE: BEGINNING at a point on the Northerly line of Terrace Avenue which point is distant 70 feet South and 458.9 feet West of the Southeast corner of Lot Number 44, as said Lot and Avenue are laid down and delineated upon that certain Map entitled, "Plat of Granda Vista, Bolinas Bay, Marin County, Cal.", filed in the office of the Recorder of said Marin County on the 29th day of January 1883, in Map Book No. 1, page 19; running thence along said line of Terrace Avenue, North 74° 30' West 50 feet and North 30° 30' West 25 feet; thence leaving said line of said Avenue and running North 8° 49' East 98.7 feet; thence South 77° 30' East 90.3 feet and thence South 17° 47' West 100.2 feet to the point of beginning.

ALL courses given by the true Meridian.

PARCEL TWO: BEGINNING at a point which is distant thirty-two and 5/10 feet North and Four Hundred Sixty and 5/10 feet West of the Southeast corner of Lot Numbered 44 as said Lot is laid down and delineated upon that certain map entitled, "Plat of Granada Vista, Bolinas Bay Marin Co. Cal.", filed in the office of the Recorder of said Marin County on the 29th day of January 1883 in Map Book No. 1, page 19, running thence from said point of beginning as above located and described North 77° 30' West 50 feet, thence North 13° 17' East Ninety-six and 7/10 feet to the Southerly line of a street or avenue thirty feet wide, (to be known as Marin Avenue) thence along said Avenue South 74° 25' East Fifty feet and thence leaving said Avenue and running South 13° 15' West Ninety-four feet to the point of beginning.

PARCEL THREE: BEGINNING at the Northwesterly corner of that certain tract of land conveyed by Frank G. Waterhouse, and Nellie E. Waterhouse, to Mabel Dodge by Deed dated September 18, 1906 and recorded in the office of the County Recorder of Marin County, in Volume 102 of Deeds at page 60; running thence along the Northerly line of said lands now or formerly of Dodge, South 77° 30' East thirty-seven and three-tenths (37.3) feet to the Southwesterly corner of lands now or formerly of one Kelby; thence along the Westerly line of said lands, North 13° 17' East ninety-six and seven-tenths (96.7) feet to the Northwesterly corner thereof on the Southerly line of a road; thence along said road, North 75° 24' West fifty and no tenths (50.0) feet; thence South 6° 00' West one hundred and no tenths (100.0) feet to the place of beginning.

ALSO BEGINNING at the Northeasterly corner of that certain tract of land conveyed by Frank G. Waterhouse and Nellie E. Waterhouse, to John Burt by Deed dated November 10, 1906, and recorded in the office of the County Recorder of Marin County, in Volume 103 of Deeds at page 16; running thence along the Northerly line of said lands now or formerly of Burt, due west forty-three and three tenths (43.3) feet; thence North 2° 10' East one hundred one and forty one hundredths (101.41) feet to the Southerly line of a road, thence along said road South 87° 50' East fifty and no tenths (50.0) feet; thence South 6° 00' West one hundred and no tenths (100.0) feet to the place of beginning.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain Deed of Trust executed by WILLIAM H. MORRISON to PACIFIC COAST TITLE COMPANY OF MARIN, a corporation, as Trustee, for the benefit and security of MARJORIE E. BRAND, dated March 8, 1962 and recorded March 12, 1962 in the office of the County Recorder of the County of Marin, State of California, in Liber 1549 of Official Records at page 457.

FRANK HOWARD
ALLEN & SON
SINCE 1910

Gleaming $23,950
Light, sunny, well selected decor, wall to wall carpet, Arizona stone fireplace, convenient pass-through to the kitchen from the dining ell. Breakfast area in kitchen. Three bedrooms, 1½ baths. Lovely large patio. Secluded, quiet street. Good weather. Schools nearby. San Anselmo.

Distinguished, Well-priced $33,750
Good-looking brand new home, with especially attractive features: striking red and white powder room, interesting vinyl floors in 2½ baths and in all-electric kitchen; pretty protected sundeck off the master bedroom, and off the living and dining rooms; oaks all around, marvelous view. Three bedrooms, extra-large hallway, windowed, for shelves, desk. Hillside home in San Rafael.

Long, Low and Lovely $34,500
Immaculate, almost new, most attractive. Separate dining room with glass doors out to a summer terrace and vast valley view; 3 bedrooms, 2 baths, large electric kitchen with breakfast area. Living room out of traffic pattern, with grass-cloth walls, Arizona stone fireplace; fenced level play yard, lawn, garden. San Rafael.

Kent Woodlands Privacy $39,750
There's a separate dining room in this 2-bedroom home, a breakfast bar in the electric kitchen. Fireplace, central heat, close-in pool site. Dramatic sweep of view over valley, trees, across to the bay. An acre and a quarter of land provides seclusion.

A Personal Invitation to You
to attend an exhibit and sale of waterfowl paintings by James March Phillips in Allen's Mill Valley office, 535 Miller Avenue. The exhibit and sale benefits the Audubon Canyon Ranch, and will continue through May.

Inverness Majesty $46,000
Four acres, a magnificent setting; views over Tomales Bay, wooded slopes, valleys; well-built home with one bedroom on main floor, and a guest room below. Perfect retirement home; 34x21' living room; fireplaces in both living room and dining area; electric kitchen. Easy care garden, sheltered patio, large paved parking area. Good weather, sunny location. Exclusive.

Four Bedrooms, Pool $47,950
Here's the ideal house for a growing family: four bedrooms, family room, 2 baths, swimming pool, patio, convenient room arrangement. Mountain view from almost every window. Glass walls from the family room open out to the patio. Beautiful landscaping, designed for low care. Greenbrae, exclusive.

Handsome, Exciting $80,000
Unusual contemporary home in Kent Woodlands, with exceptional features throughout: high glass walls to the outdoors; gleaming black formica counters in the all-electric kitchen contrast with the polished birch cabinets; fieldstone wall in the entrance court, fieldstone fireplace wall, with walk-in wood room adjoining. All redwood paneling throughout, for beauty, low maintenance. Four bedrooms, family room, utility room, protected patio, attractive entrance garden, established planting, extra large parking and turn-around area. Exclusive.

Ross Luxury $89,500
There are features in this extraordinary home that make it worth thousands more than the price: the kind of built-ins you rarely see. Glass walls of living and dining rooms open out to a beautiful swimming pool and patio; barbecue room, sewing room, utility room; huge playroom, multi-purpose room; master bedroom suite features two elaborate dressing rooms, built-ins. Tiers of floor-to-ceiling bookcases; off-street parking for 8 or 10 cars. Exclusive.

Truly an unusual new listing which won't last long at $28,900.

Towering Ceiling
Here are solid plaster walls thruout that indicate custom construction. A VAULTED BEAMED CEILING towers over the spacious living room. Seat as many as you like in the large dining area or enjoy the SEPARATE BREAKFAST AREA in the kitchen. Profuse landscaping makes the secluded back yard LIKE A PARK. Wonderful area for children with SIDEWALKS for bike riding and the picturesque VIEWS from almost every room will please Mom and Dad. A great new listing at $35,900.

Reed Summer School

Application blanks for attendance at the Reed Union School District summer session are available at the district office, according to Harold Bickel, summer school principal. Any child resident in the Reed District is eligible to attend but priority in class assignment will be given those enrolled in the district's schools, Bickel said.

The proposed meter device to control overtime parking in the San Rafael downtown area will be discussed from 9 to 10 a.m. tomorrow on the radio "Marin KTIM Sounding Board."

Panelists will be Mayor John F. McInnis of San Rafael; Richard Cuthbert, a San Rafael businessman; Fred E. Jensen, San Rafael city councilman; Pat Kavanaugh, executive vice president of Traffic Control Inc., the firm installing the overtime parking device, and Paul Michaelson, public relations man for the firm.

Questions directed to any of the panelists may be telephoned to KTIM. The program, which is moderated by Kitty Oppenheimer, will be repeated by tape recording at 12:30 p.m. Sunday.

In time of nuclear attack, canned and packaged food, and anything you can peel, is safe from radiation.

Film Classic Due College Of Marin

The Colege of Marin Art Club will present the silent film classic "Greed", the fifth offering in its "Profile" film series Saturday at 8 p.m. in the college's Olney Hall.

Also on the program will be a short film, "March of the Movies," featuring selected parts of films in the history of cinema.

The feature film "Greed" depicts the effect of greed on the lives of four people.

The college club will present two British comedies June 1 as the last offering in its series this school year.

Drake Junior Gets Honor For Music

Tim Cain, junior at Sir Francis Drake High School, has been judged to be "the most passionate musician" in Drake's band.

After hearing several people play solo renditions of "Maria," from the movie, "West Side Story," the members of the band voted for who they thought played most passionately.

Tim plays the tenor sax.

In Dance Festival

Eighteen Marin County youths will participate in the division dance festival of the Latter-Day Saints Church Saturday at 8:30 p.m. in Bailey Field Stadium, Santa Rosa. Sharon and Cecil Cooney of San Rafael are the dance directors of the youths from the Greenbrae and San Rafael wards.

COOPER LAUNCHES SATELLITE

CAPE CANAVERAL, Fla. (AP) — Astronaut Gordon Cooper raced 'round and 'round the world today en route toward an American man-in-space record. He described his flight as "quite a thrill," and launched his own private satellite into orbit.

As Cooper's Faith 7 spacecraft sped high above the South Atlantic Ocean during the third of his intended 22 orbits, the pilot pushed a switch which ejected a 10-pound sphere from the base of the capsule.

The sphere, 5.75 inches in diameter and equipped with two high intensity flashing lights, settled into an orbit slightly different from that of Faith 7.

Cooper reported to a tracking post on Ascension Island that the sphere had been released successfully. But there was no immediate report on his observance of the xenon gas lights which were to blink once every second.

However, Mercury Control Center reported later that it had received a partially garbled message from Cooper which indicated that perhaps the experiment was not as successful as originally thought.

The Air Force major, 36, was to observe the lights during night-time phases of the third, fourth and fifth orbits in a test of his ability to judge distance and to see a light of known intensity in space. This would be important to future rendezvous missions in the Gemini and Apollo manned space programs.

Cooper kicked the satellite into orbit three hours 29 minutes after he blasted off from Cape Canaveral at 8:04 a.m. (EST) atop an Atlas rocket. The great booster performed perfectly in propelling him into an orbit ranging from 100.2 to 166 miles above the earth.

Faith 7 reached a peak speed of 17,546 miles an hour and circled the globe once every 88.45 minutes.

Among millions of earth-bound people around the globe, there seemed to be greater enthusiasm for the American manned space flight than at anytime since John H. Glenn Jr. soared aloft as the first orbiting American on Feb. 2, 1962.

This probably was because the two orbit flights in between were relatively short—M. Scott Carpenter's three orbits and six orbits by Walter M. Schirra Jr.—in comparison with the 64 and 48 orbit missions made by Soviet cosmonauts Andrian Nikolayev and Pavel Popovich.

Some three hours after the blastoff, the U.S. Relay 1 communications satellite beamed pictures of the launching to

CLIMBING—An Atlas rocket lifts astronaut Gordon Cooper at Cape Canaveral, Fla., today, just before his Faith 7 capsule went into orbit. (AP Wirephoto)

HERE ON EARTH

Wife Says Shot 'Beautiful'

TAYLOR LAKE VILLAGE, Tex. (UPI)—"Beautiful," Mrs. L. Gordon Cooper said today of her husband's faultless flight into space.

Mrs. Cooper sent the one-word description of her reaction out by Dave Schwartz, a public affairs officer for the National Aeronautics and Space Administration, almost an hour after her husband's journey started.

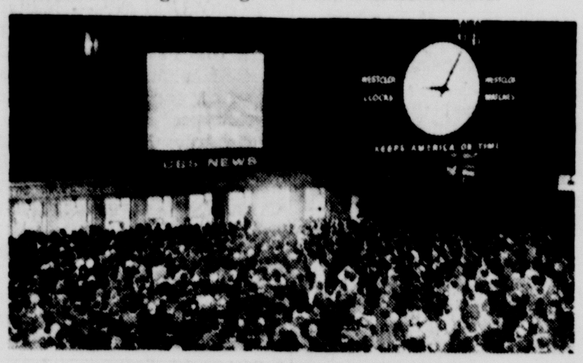
Mrs. Cooper and her daughters, Camala, 14, and Janita, 13, went into a bedroom by themselves to watch the liftoff on a television set. Schwartz was in the living room. The family wanted to be alone at a moment when they might have watched Cooper die.

Mother 'Knows Gordon Thrilled'

TECUMSEH, Okla (UPI)—Mrs. Hattie Cooper dropped her knitting when her astronaut son was launched into orbit today and said "Don't you know Gordon is thrilled!"

Mrs. Cooper's eyes clouded with tears as the time for the launch neared. A green afghan she was knitting dropped idly into her lap as she intently watched a television set.

When Faith 7 capsule lifted into the sky she put her head in her hands for a moment, then went into the kitchen and came back dabbing her eyes with a handkerchief.



8,000 Watch On Giant TV

NEW YORK (UPI)—A roar of applause came from an elbow to elbow crowd in Grand Central Terminal today as they watched Gordon Cooper's launch on a giant television screen.

About 8,000 persons jammed the floor, stairways and balconies to see the take off.

The crowd grew silent and tense as the countdown proceeded into the final seconds. Then it exploded into applause and exclamations of delight as the capsule and missile roared out of sight on the screen.

Astronaut Had Longest Wait

CAPE CANAVERAL (UPI)—L. Gordon Cooper spent more time in a Mercury spacecraft before launch than any other U.S. astronaut.

Yesterday's five-hour, 51-minute wait, ending with a 24-hour postponement, and today's two-hour, 23-minute wait before liftoff, made his total eight hours and 23 minutes.

The previous record, also made on two different days, was six hours and 19 minutes for Virgil I. Grissom who made a suborbital space hop July 21, 1961.

Uncle Sees Shot In California

TULARE (UPI)—"The blastoff looked real good and I'm going to spend the day watching the television coverage."

This was the reaction of W. L. Herd after his nephew, astronaut L. Gordon Cooper, began his space flight today from Cape Canaveral.

"It was really something!" declared Herd. "I knew he could do it. I sure was disappointed over the delays yesterday, though."

No Water For Drake Subdivisions

Supply Needs Approval Of State PUC

By RICHARD LYTTLE

Two Drakes Bay subdivisions, approved by Marin County supervisors April 23, have no authorized water supply.

If the California Public Utilities Commission should not approve service for the tracts by the Inverness Water Co., 185 lots would be without water. And the PUC has not yet been asked to approve service.

The two tracts are among the five that Drakes Beach Estates Inc. has subdivided in an area the federal government is expected to purchase soon for the Point Reyes National Seashore.

Final maps have been approved for all tracts. Benjamin P. Bonelli, San Rafael attorney who is president of Drakes Beach Estates, has stoutly maintained that the development is not a speculative deal. Several lots have been sold and some houses built in the earlier tracts.

New Aide Selected For Schools

The assistant chief of the University of California at Los Angeles education extension program was named last night as the San Rafael schools' first assistant superintendent in charge of high school instruction.

He is Mitchell L. Voydat, a mathematics graduate of Queens College, N. Y., with master's and doctor's degrees from Columbia University Teachers College. He has served as director of high school education for the Santa Monica Unified School District and has held administrative positions in Alameda and New Mexico schools. He also taught mathematics in Long Island, N. Y.

The San Rafael Board of Education made the appointment last night.

Although the San Rafael school system has long had an assistant superintendent for elementary schools, there has been none for high schools. With two high schools in full four-year operation and others projected, the board of education early this year created the new position. Months have been spent in screening a large field of applicants.

$3.9 Million Bond Vote For Schools

San Rafael Election In October

A $3,966,500 bond election for the San Rafael Elementary School District in early October was unanimously approved last night by the San Rafael Board of Education.

Supt. Bert C. Corona said the bond issue, if approved, would provide additions to existing schools and five or six new school sites need by the district for the next six years.

"We would sell approximately $600,000 of the new issue each year and gradually complete the expansion program," said the superintendent.

The bond election will be divided into two sections, giving the voters a chance to vote separately on each. The first, for $3,294,500, would provide funds for five or six new school sites, a $120,000 addition to the administration building, and six classrooms for physically and mentally handicapped children.

It also provides $365,500 for additions to existing elementary schools and $405,000 for additions to the two junior high schools. Elementary school additions include classrooms at Gallinas and Sun Valley schools and libraries at Hartzell, MacPhail, San Pedro and Sun Valley Schools. Additions for the junior high schools include classrooms and libraries at both Davidson and Santa Venetia, a gymnasium at Santa Venetia, and an industrial arts building at Davidson.

The second section provides $642,000 for multi-purpose rooms at Coleman, Gallinas, Glenwood, Hartzell, Laurel Dell Elementary, MacPhail, San Pedro, Sun Valley and West

SENIORS HEADACHE TO NEW REC CHIEF

Kelvin J. Nelson, Marin County's new director of parks and recreation, made his initial appearance before county supervisors yesterday with a candid confession of confusion over his first assignment—to deal with the "senior citizen headache".

"You're right in saying that you're lost," exclaimed Supervisor George H. Ludy. "We're all lost."

But after a patient unraveling of technicalities, responsibilities and assignments, ordinarily critical Supervisor William D. Fusselman told Nelson, "You're right in your approach."

County Counsel E. Warren McGuire was summoned to help in the job of clarifying Nelson's assignment, which initially turned out to be one of checking with San Rafael city officials about help for existing senior citizen groups.

Nelson started discussion by saying he had "visited the old California Automobile Assn. building on Fifth Avenue" and found it being used by three senior citizen organizations, retired school teachers, and a

'Balanced' Budget In Novato

A preliminary 1963-64 budget which calls for expenditures of $561,445 against an income of $538,225 was given to the Novato City Council last night by City Administrator J. Julien Baget.

The budget does not call for any change in taxes from 15 cents for street lighting, five cents for general purposes and 10 cents for parks and recreation—a total of 30 cents per $100 assessed valuation.

Baget called the budget "balanced," although it calls for spending $23,220 more than the expected revenue.

He pointed out that in the three years of the city's existence, revenues have always been larger than estimated and expenditures have always been less. This has left the city a comfortable balance of more than $300,000 in cash despite capital outlay of $62,500 for the Presbyterian Church properties.

The 1962-63 budget called for spending $421,330 against an estimated income of $387,201. In actuality, Baget reported, the city will take in about $401,790 and spend $373,445. So the city will wind up the fiscal year with $28,335 more than it spends.

The council accepted the budget without comment. It set 8 p.m. Tuesday for the first public hearing.

Principal Named For Terra Linda

George Yertson, principal of Temple City High School in Los Angeles County, will succeed Webster Wilson as principal of Terra Linda High School.

Leo Shortino, now principal of Bayside and Central schools in the Sausalito School District, will become the first principal of San Rafael's new Glenwood School.

The two appointments were made last night by the San Rafael Board of Education, both effective July 1.

Yertson is a science graduate of Montclair State College with a master's degree in education from Columbia University. He will take over Terra Linda High when Wilson leaves to become principal of a new experimental high school in the county Yertson is leaving —Los Angeles.

Shortino, a San Jose State College graduate in music and education with a master's degree in school administration from the same college, will direct the future Glenwood School at E Street until the new quarters are completed, which is expected to be next February or March.

CONTROL IN SAUSALITO

Windmills, Yes; Penthouses, No

By BRUCE COLEMAN

Windmills, spires and belfries are "in." Cupolas, penthouses and gables are "out."

The Sausalito City Council discussed these subjects last night in a somewhat balmy "study session" on the city's proposed new zoning ordinance.

The council moved item by item through many pages of the ordinance, making recommendations to William E. Spangle Jr., city planning consultant.

It was the fifth such session with Spangle. The study, according to Mayor Paul Micou, is about three-fourths complete. On completion Spangle will redraft the ordinance, and public hearings will be held. Micou said he hopes the ordinance will be ready to adopt by July 31. The council set

Novato Asked To Do Something About Pool

A score of irate parents in the vicinity of an uncompleted swimming pool which almost claimed the life of a four-year-old boy Monday demanded last night that the Novato City Council "do something" about the pool.

Emery (Guy) Curtice, 4, was rescued from the pool in St. Francis Heights Monday afternoon by his mother, Mrs. Lynn Curtice of 2375 Dominic Drive. He was reported in excellent condition today at Novato Hospital.

Mayor M. E. Silva calmed the parents somewhat by naming Councilman Howard Schoof and himself to a committee to investigate the pool.

George Caldwell of 767 St. Francis Avenue told the council that he had been after city officials for a week about hazards at the pool, which is being built by John Novak Inc.

"Why wasn't Novak cited last week?" Caldwell asked. "It's inconceivable that something like this must happen to get action on it."

"That man (Novak) has been a thorn in my side. I've warned him repeatedly to get that fence fixed," said Chief Building Inspector Fred Westfall.

Unidentified mothers in the crowd said they had complained for six weeks about the pool.

"I went out there today. I saw the fire department pump out the pool and Novak's men put up the fence," said Mayor Silva.

"The mothers themselves once repaired the fence," said Mrs. James R. Gilday of 766 St. Francis Avenue. "What good does fixing the fence do anyhow? Children and dogs can crawl under it."

SHOWS 'SMUT'—Assemblyman Richard E. Barnes (R-San Diego) shows some of the books and magazines he said he purchased and regards as "smut." (AP Wirephoto)

'AMERICAN SLANG'

Book Is Called Too Frank For Schools

SACRAMENTO (AP) — Assemblyman E. Richard Barnes says the book obtained for him from a high school library by a now-suspended student is too frank in its definitions of sexual matters, narcotics terms and expressions which defame minority groups.

The San Diego Republican called a news conference yesterday to explain why he asked Dennis Warren, 17, to get the "Dictionary of American Slang" from the library of Sacramento High School.

Warren got it, but was suspended Monday for four days because he checked the book out on another student's card. The book was returned by Barnes.

John M. Price, Sacramento district attorney, talked with the assemblyman, called the affair "a tempest in a teapot" and said he wouldn't file any charges.

But F. Melvyn Lawson, Sacramento school superintendent, said he didn't like the way Barnes got the book. He called it "a serious matter which can only breed fear and distrust."

Double Defeat On Credit Bills For State Consumer Counsel

SACRAMENTO (AP) — The legislature has handed the state consumer counsel a double setback on bills dealing with credit.

The mabjor defeat yesterday for the counsel, Mrs. Helen Nelson, of Mill Valley, came when the Assembly Finance and Insurance Committee killed Gov. Edmund G. Brown's main consumer protection bill of 1963.

The "truth in lending" bill would have required full, clear disclosure of the price of credit. Only one assemblyman, Phillip Burton (D-San Francisco) was heard to vote against sending the measure to interim study.

The bill's sponsor, Assemblyman Charles Warren (D-Los Angeles) was backed by organizations and a Kansas professor.

All said people now haven't the vaguest notion of the amount of interest they pay, and abuses of credit are frequent. Warren proposed that the finance rate be expressed as a simple annual rate on the unpaid balance, and that this this rate be in big type just above the spot where borrowers of credit sign their names to contracts.

The bill also would have required a statement of the total amount to be financed, expressed in terms of dollars and cents. Violators could be jailed for up to a year, fined up to $5,000, or both.

Opponents said the measure simply wouldn't work and wouldn't solve the credit abuses. Arthur Kaiser, California Retailers' Assn. spokesman, called the bill "confusing, impractical . . . difficult to police . . . and entirely unnecessary."

Opponents presented a Michigan professor who said the bill would "vastly complicate" the extending of credit.

The other setback came when the Senate Insurance and Financial Institutions Committee sent to the floor a bill extending the business of providing credit to pay for insurance premiums.

Mrs. Nelson said the bill by Sen. Luther E. Gibson (D-Vallejo) would lure families into financing their premiums from credit with interest rates as high as 30 per cent.

"This bill is unnecessary because it doesn't offer any service that isn't available now," she contended. The bill permits an industrial loan company to incorporate to finance premiums if it has $135,000 capital.

WIRE NEWS BRIEFS From Everywhere

Reverse Death Penalty Move Fails

SACRAMENTO (AP) — The reverse moratorium on the death penalty proposed by Assemblyman George Deukmejian (R-Long Beach), got short shrift in its first legislative hearing.

The Assembly Criminal Procedure Committee rejected it yesterday, with only Deukmejian objecting.

He proposed extending the death penalty to armed robbery, burglary and kidnaping involving great bodily harm.

Final Exams Start At Ole Miss

OXFORD, Miss. (AP)—Final examinations begin today at the University of Mississippi and run through May 23.

James H. Meredith, 29, the university's only Negro student, will be taking his exams along with other students.

Girl Who Showed Knees Sent Home

ST. LOUIS, Mo. (AP)—"She has nice knees and I don't blame her for showing them," said John Pfifer, whose daughter, Jo Ann, was sent home yesterday from a high school class tour of Washington because her skirts were too short.

Jo Ann

Jo Ann, 18, had completed five days of the scheduled 10-day bus tour of the East Coast with 87 classmates. She worked as a sales clerk to earn most of the $400 required for the tour.

Jo Ann, a senior at suburban Mehlville High School, said the principal and four teacher chaperones warned her to lengthen her skirts, borrow another girl's clothes, constantly wear a coat, or return home.

Her Knees

Half of the clothes Jo Ann took along were those she has worn to school," said her father.

Kermit Bierbaum, superintendent of schools, declined to comment.

Hawaii Mops Up After Storm

HONOLULU (AP)—Islanders began mopping up today in areas of Honolulu that were struck by flooding rainwaters yesterday. The storm took the life of a child and forced about 75 families from their homes.

A two-hour deluge dumped up to six inches of rain in some areas of Honolulu and other communities on Oahu Island. Communications throughout the island were disrupted.

Rafferty Describes Politics Battle

SAN JOSE (AP)—Dr. Max Rafferty, state superintendent of public instruction, vowed yesterday a fight to the finish in his self-described battle to get poltics out of education.

Rafferty

Rafferty was warmly applauded by 700 delegates at the 60th annual convention of the California Federation of Women's Clubs.

He declared he had seen bills designed to help students from economically distressed areas turned into political footballs with legislators voting on straight party lines.

He urged the women to demand that legislators vote on the merit of school measures "instead of the party line."

"It is my job to blow the whistle on this sort of thing, and I am going to keep doing my job," Rafferty declared.

New FCC Chairman Named

WASHINGTON (AP)—To replace Newton N. Minow as chairman of the Federal Communications Commission President John F. Kennedy has picked a 34-year-old lawyer who finds some "green shoots" sprouting in what Minow once described as "a vast wasteland"—the field of television.

Minow

Minow, 37, handed in his resignation yesterday, five years before his term ends, to become executive vice president and general counsel of Encyclopaedia Britannica Inc.

To take his place, Kennedy chose E. William Henry, former member of a Memphis, Tenn., law firm, who has served as a commissioner on the FCC since last August.

Henry

To fill the vacancy on the commission, the president announced his intention to appoint Asst. Atty. Gen. Lee Leevinger, 50, who has been in charge of the Department of Justice's antitrust division.

William H. Orrick Jr., 47, deputy undersecretary of state for administration, would replace Leevinger.

William J. Rockett, assistant secretary of state for administration in charge of personnel would succeed Orrick, and Herman Pollack, deputy assistant secretary, would take Crockett's office.

Vatican Pavilion

ROME (AP) — The Vatican pavilion at the 1964 New York World's Fair will cost an estimated three million dollars, but the public will be admitted free, the fair's vice president Charles Poletti, said last night after a conference with Vatican officials.

WASHINGTON (UPI) — Lt. Gen. Hamilton H. Howze has been named by President John F. Kennedy as new commander of the Eighth U. S. Army in Korea.

Sub To Be Sunk In Thresher Probe

PORTSMOUTH, N.H. (UPI)—A World War II submarine was making its final sea voyage today—one Navy officials hoped would lead to the discovery of the sunken nuclear attack submarine Thresher.

The submarine Toro was taken out of mothballs yesterday and will be sacrificed at the scene where Thresher was lost April 10 some 220 miles off Cape Cod.

The Navy said it hoped that by deliberately sinking the Toro it would help guide searchers using sonar to the crushed hulk of the Thresher.

Anti-Billboard Bill Gains

SACRAMENTO (AP) — The view from the driver's seat on California highways is going to change—perhaps radically.

The definite change stems from a bill signed yesterday by Gov. Edmund G. Brown, altering the freeway and expressway numbering system. The measure by Sen. Randolph Collier (D-Yreka) eliminates the three main designations now used: state, federal and interstate.

Instead, when the bill takes effect late in September, there will be only one number for each highway, and it will be known simply by route and number. Some roads now have more than one number.

Collier said none of the state's major highway numbers will be changed—except U.S. 40—Interstate 80, which will switch to Route 80.

The possible revolutionary change would come if a bill approved yesterday by the Assembly Natural Resources, Planning and Public Works Committee is enacted.

Sponsored by Assemblyman Edwin L. Z'berg (D-Sacramento) on behalf of Brown, it would eliminate almost all billboards from state highways. The measure now goes to the Assembly Ways and Means Committee for financial consideration.

Sen. Fred Farr (D-Carmel) told the committee that "If you turn on the radio and don't like the ads, you can turn it off. But billboards you can't turn off."

The bill would bar most billboards in an 800-foot wide swath on either side of federal interstate routes and state highways not used as city streets.

Advertising now in these areas would have to be gone by late 1968. Some private signs could remain, such as those giving specific traveler aid or advice. Those advertising business on whose ground they stand, or on property offered for sale or lease, also would be permitted.

These, however, would have to come up to standards determined by the state vocational and professional standards director, who would be in charge of the program.

Billboard industry officials blasted the proposal. They said they didn't like the idea of an administrator telling "us what to do," and said regulation of outdoor advertising should remain in the hands of cities and counties.

Resolutions For Reshaping U.S. Fail

SACRAMENTO (AP)—California's legislature has turned down resolutions asking Congress to initiate constitutional amendments that would reshape the federal government.

On would abolish the federal income tax. Another would create a Court of the Union with the power to reverse decisions of the U.S. Supreme Court. The third would permit state legislature to initiate constitutional amendments.

Two of the proposals are under the aegis of the Council of State Governments in Chicago. Both were turned down by the Assembly Constitutional Amendments Committee.

One, killed outright, would set up a "Court of the Union" composed of chief justices of the 50 state supreme courts. Five legislatures of states not sharing a common boundary could summon the court into session within two years after any decision by the U.S. Supreme Court. A majority vote of the 50 men could reverse any decision of the federal court.

The other would require Congress to submit a constitutional amendment to the state if asked by two-thirds of the legislatures. If passed by three-fourths, it would be law.

The Assembly Rules Committee killed a resolution asking Congress to initiate an amendment to the U.S. Constitution abolishing the federal income tax and taking the federal government out of any activity which competes with private business.

The proposed amendment, by Assemblyman Robert Badham (R-Costa Mesa) has been called "the Liberty Amendment."

Air Fare Hike Public Hearing Is Called For

WASHINGTON (AP) — Senators angered by the U.S. backdown on a fare increase on transatlantic air routes called government officials today for a public airing of the international dispute.

In advance of an afternoon hearing of the Senate Committee, Chairman Warren G. Magnuson (D-Wash), protested this country had capitulated without a fight.

He estimated a 5 per cent increase in round-trip economy class fares will cost Americans traveling to Europe about 15 million dollars a year.

What does it mean to the individual passenger? He will be paying an extra $27 for his New York-London economy tourist roundtrip ticket, according to State Department officials. His fare will go up from $486 to $513.

The increase voted last fall by the International Air Transport Assn. actually is a reduction in the discount allowed for return tickets—5 per cent instead of 10 per cent.

The change went into effect Saturday in Europe, but until yesterday the Civil Aeronautics Board had refused to permit American Airlines to adopt the higher fares.

It announced then through an exchange of letters between CAB Chairman Alan S. Boyd and Secretary of State Dean Rusk that it was yielding to diplomatic pressure.

Rusk had suggested that in the absence of CAB authority to regulate international air route fares, Pan American World Airways and Trans World Airlines should be permitted to file the increased fares.

But Pan American said it planned to continue present rates for several days "until the situation clarifies." Trans World also seemed in no hurry to act.

Great Britain had threatened to confiscate American airliners landing in London and to take other steps to prevent their operation on the Atlantic run unless they went along with the rate boost.

SS Hope Staff Member Will Give Lecture

Dr. Richard S. Hahn of Belvedere, who was a staff member of the hospital SS Hope in Peru, will give an illustrated lecture on his experiences at the Tamalpais Woman's Club Sunday at 8 p.m.

The lecture, co-sponsored by the Social Action Group of the Unitarian-Universalist Church of Marin and the Marin Branch of the Women's International League for Peace and Freedom, is open to the public.

Pilots Sought Over Pacific

HONOLULU (UPI) — Military aircraft flew precise patterns over the Pacific north-northwest of Johnston Island today searching for two lost California airmen.

The federal aviation agency in Honolulu indentified the missing airmen as pilot Ross Cairns and navigator Hartel Smith, both employees of Skyways Aircraft Ferrying Service, Sherman Oaks.

They were ferrying a twin-engined Beechcraft C-45 from California to Formosa.

Arrests In Germany

FRANKFURT, Germany (AP)—The West German government has arrested 11 East German journalists, including four who worked in West Berlin. The Bonn government permits East Germans to live in West Berlin but does not recognize their Communist regime.

Cooper Goes 'Round And 'Round In 22 Orbit Try

Continued from page 1

western Europe where it was presumed that millions of persons viewed the film. It included the first shots of an American space pilot in action in space. A television camera aboard Faith 7 sent live photos of the astronaut during the boost phase to monitors at Cape Canaveral.

As Faith 7 whirled through the heavens, Cooper frequently made satisfactory reports about his personal condition and the systems in the spacecraft. Early in the flight there was some concern about high temperature in the cabin but this quickly cleared up.

At 9:37 a.m., Cooper's Faith 7 spacecraft passed above the Florida-Georgia border to complete the first orbit.

That was one hour, 33 minutes after an Atlas rocket blasted off from Cape Canaveral to propel Cooper's spacecraft into a nearly perfect orbit ranging from 100 to 166 miles above the earth.

Each orbital pass was to take 88.7 minutes. The first circuit required longer because it included the boost phase of flight.

As Cooper completed orbit No. 1, he talked with astronaut Walter M. Schirra Jr. at Cape Canaveral. Schirra, whose six-orbit space flight record Cooper was out to break, told the pilot, "It was a beautiful shot."

"It looks pretty good from up here, too," Cooper answered.

Schirra told Cooper to turn on his television camera and as the pictures were relayed to a monitor at the Cape, Schirra said, "You look pretty casual up there."

"Boy, I am," Cooper replied.

As he whirled into his second orbit, Cooper shut off all controls and electrical power and commenced drifting flight, allowing the craft to move freely on its yaw, pitch and roll axes.

In this condition the vehicle rotates slowly, making about one revolution every 30 minutes if control is not re-established by the pilot. The capsule will not move far off course because it is flying an orbital path determined by the laws of nature.

Cooper said he had seen many of the sights witnessed by previous American astronauts, including the air glow layer on the horizon. As he passed over the Pacific near the end of orbit No. 1, he saw the "fireflies" first reported by John H. Glenn Jr. on his pioneer orbital flight last year.

L. GORDON COOPER JR.
Ready to go

The fireflies are created by flakes of frost falling off the capsule and being illuminated by the rays of the rising sun.

Cooper described his view of the sunrise as he came over the Pacific as tremendous.

As on all previous American manned orbit flights, the city of Perth, Australia, turned on all its lights as a greeting. Cooper said he saw the lights clearly from his vantage point about 160 miles in space. He hit the high point of his orbital path over Australia.

Minutes after entering orbit Cooper reported by radio that everything was "mighty good."

Astronaut Walter M. Schirra, in communication with Cooper at Cape Canaveral, said: "Great sport, isn't it?"

"It sure is," Cooper replied as he whizzed along on the first of a planned 22 circuits of the globe.

Cooper rocketed into space aboard a powerful Atlas booster which blazed away from Cape Canaveral at 8:04 a.m. (EST) with a roar and a flash of flames.

Five minutes later the one and one-half space craft had settled into its planned orbit path more than 100 miles above the earth. This was formally announced by Mercury Control Center.

Cooper took the control stick to rotate his capsule 180 degrees so that he was riding upright and backward, with the craft's blunt heat shield pushing a path through space.

As he turned the capsule around, Cooper told Schirra he could see his spent Atlas booster following behind him very closely, also in orbit.

Cooper, the 10th man and the sixth American to rocket into space, was slated for the longest U.S. manned flight yet.

Cooper's Atlas lifted off only four minutes behind the earliest possible launching schedule. The short delay was caused by a minor malfunction in the ground control guidance system for the Atlas.

The shot had been postponed yesterday because of trouble with a tracking radar on Bermuda.

Cooper's Atlas started him off today in the same flawless manor as other Atlases last year boosted astronauts John H. Glenn Jr., Malcolm Scott Carpenter and Schirra into orbit.

Once in orbit, the gravity pressures were suddenly gone and Cooper was in the strange world of weightlessness—in which he was to remain until re-entering the atmosphere at flight's end.

San Rafael Planners Urge More Park Sites

The San Rafael Planning Commission approved tentative maps of two subdivisions in East San Rafael last night, urging that school and park sites be included in the developments.

Maps were approved for a 226-lot tract proposed by Kerner-Bellam Realty Co. east of Bellam Boulevard, and 38 lots of San Rafael Cayes, planned by Luther H. Lincoln on land to be filled on the eastward extension of Canal Street.

Commissioners received a letter from Supt. Bert C. Corona of San Rafael schools, requesting action be delayed on the Kerner-Bellam map because the school district is considering purchasing a seven-acre school site in the area.

Commissioners approved the map with the stipulation that the applicant negotiate with the school district on a site.

Commissioner Gene F. O'Connor said that some provisions should be made in the area for recreational and park areas. "I think its high time the school board and the recreation commission be given an opportunity for land," he declared.

Commissioners also approved the final map of a 38-lot subdivision planned by Redmond and Walters Development Co. at the extension of Briarwood, Brentwood and Maplewood drives, and a tentative map of a 146-lot tract for Terra Linda Unit 20 at the west end of Manuel T. Freitas Parkway, proposed by Alameda Homes Corp.

The San Rafael Planning Commission also:

1. Approved the final map of a 16-lot subdivision at Rafael Terrace proposed by Eugene Treasrau.

2. Postponed until May 28 action on a four-lot subdivision along Bret Harte Road by Guy Duryee and a tentative map of Graceland Park Unit Two.

3. Set for May 28 second hearing on rezoning a parcel between Belvedere and Larkspur streets from commercial-light industrial to special residential, and second hearing on rezoning of 219 Ross Street from single family to duplex. There was no opposition to either proposal last night.

4. Denied a two lot subdivision on Tamal Vista Drive, north of the Miracle Mile.

5. Granted architectural approval to a Kaehler-Farrar five-unit building on Fairfax Street and another building at Sonoma Street, both at Bellam Boulevard.

6. Approved the resubdivision of two lots into three at Tweed Terrace by Charles Parmalee and the resubdivision of two lots at the Clorinda Avenue extension by L. W. Niggeman.

7. Approved a four lot subdivision on the east side of Glen Park Avenue, opposite Roger Drive, by Frank Merz.

8. Granted a use permit for a commercial parking lot at 912 Lootens Place to John A. Brunner, and for an automotive repair shop at 25 Vivian Way to Edward Santa.

9. Granted Sperio Spilotis a permit to remove earth from the end of Mountain View Avenue until May 24 with the provision that he stop the dust and keep the streets clean. The commission received a letter with 24 signatures opposing the hauling.

10. Granted a use permit for extension of the D. W. Auto Parts wrecking yard on Mill Street, between Hoag and Harbor streets.

group representing the blind.

"Is that sufficient to comply with law about public funds?" asked Fusselman.

Nelson said the Elks Lodge originally agreed with Harry Heifetz, heading a senior citizens committee for the supervisors, to rent the building to the county at $215 monthly but the rate was subsequently set at $350. Meanwhile, Bank of Marin purchased the property, and plans to demolish the building in August.

"I have a check list of other buildings," said Nelson, "but I'm not clear about my responsibilities."

Behr said it would be up to Nelson to find a place for recreational operations not limited to any given group, but Nelson said that provision of a building in San Rafael is a city, not county responsibility.

When Behr said Nelson could be "a liason" with San Rafael, Supervisor William A. Gnoss wanted Novato to get similar attention.

Behr moved that the county take Heifetz off the financial hook for any rent he had personally assumed but it was finally decided to await reaction from the City of San Rafael.

MARIN FIRE CALLS

YESTERDAY:

1:06 p.m., Marin City—Fire at boiler room, Building C-41, caused by furnace leak. Marin County Fire Department responded. Damage about $25.

3:55 p.m., San Rafael—Car fire at Lincoln and Mission streets in car owned by Letty E. Williams, 101 Golden Hind Passage, Corte Madera; out on arrival; possibly caused by cigaret; damage to back seat $50.

5:30 p.m., San Rafael—Gravy in pot on stove in home of Frank Lento, 17 Delores Street; no damage.

7:30 p.m., San Rafael — After hours burning by Dale Friberg, 19 Perry Walk.

8:17 p.m., Tamalpais — False alarm at 115 Wisteria Way.

JOHN W. FORBRICK
Waiting for Cooper

Ex-Marinite Is On Hand In Pacific

When Maj. Leroy Gordon Cooper Jr. descends from spacecraft Faith 7—which is scheduled to be after 22 orbits of Earth—a former San Rafael student will be among those waiting to snatch him from the Pacific.

Capt. John W. Forbrick, who was graduated from San Rafael High School in 1950, is already in the Pacific as a member of a specially selected crew from the Air Force's 79th Air Rescue Squadron, based at Andersen Air Force Base in Guam. Similar crews are on station at points around the globe along astronaut Cooper's path of flight, to assist him if he comes down outside the designated landing area.

The captain is a son of Mrs. T. E. Venn, who resided in Novato when he was attending school in San Rafael. He is a graduate of Annapolis, and is married to the former Marilyn S. Browne of Alexandria, Va.

from the Inverness Water Co., which purchased the Limantour Mutual Water Co. a year ago for $5,000.

The PUC certified Inverness Water Co. to serve Inverness and Seahaven, which had been served by the Limantour company, and permitted extension of service to the 81-lot Drakes Beach Estates, 88-lot Drakes Bay No. 1, and 49-lot Drakes Bay No. 2. But it has issued no certificate to extend service beyond them. There are 89 lots in Drakes Bay No. 3 and 96 lots in Drakes Bay No. 4.

T. L. Chenault of Sacramento, general manager of Inverness Water Co., said today he was in no position to say whether the PUC would grant a certificate to extend water service to the last two tracts.

He said extensions are usually granted, but "I don't want to be in the position of second guessing the commission."

Chenault, however, wrote a letter dated March 18 saying water service "will be extended according to rules and regulations of the Public Utilities Commission."

County Planning Director B. D. Dobbs said today he and the supervisors relied on this letter when the final maps for the two tracts were approved April 23.

There was no particular conversation about water, Dobbs said. The supervisors asked if all conditions had been met, and "I said they had." Assurance of water is one of the conditions.

Dobbs said that when a large water district, such as Marin Municipal Water District, which is not regulated by the PUC, assures delivery of water, the assurance is reliable. The letter from Chenault was taken at the same face value.

"Those tracts will never be developed," Dobbs said. "I don't attach any significance to anything that happens either way."

Chenault said his letter to supervisors saying water service would be extended to the new tracts was written at the request of Bonelli.

Sclerosis Victim Is Burglarized

A three-foot vase nearly filled with 25,000 pennies, 26 coinbooks full of coins from numerous countries, other coinbooks full of silver dollars, and a transistor radio were stolen yesterday from the home of a Corte Madera multiple sclerosis victim.

Mrs. Virginia Matheny, 45, of 100 Grove Street, told Police Sgt. David L. McIntosh she discovered the loss, which will total "several hundred dollars," on returning home around 9 p.m.

Mrs. Matheny is able to move around only with the aid of braces and a wheel chair and usually leaves her home only when taken by friends, said McIntosh.

Police found no signs of forced entry.

New Appraisal Reviews About 1.5 Per Cent

Inquiries about new appraisals of property in Terra Linda and Marinwood indicate so far that only about 1.5 per cent of the total appraisals in the area are being submitted for review, Marin County Assessor Bert W. Broemmel said today.

About 95 parcels of newly appraised property were discussed yesterday at the first of three information bureau hearings held by Broemmel's office for Terra Linda and Marinwood property owners.

Property owners in Santa Venetia, Los Ranchitos and Rafael Meadows will receive notices of new appraisals tomorrow and Friday. Information bureaus will open next Wednesday and Thursday from 1 p.m. till 9 p.m. in the Marine Corps Reserve Training Center at 153 Madison Avenue in Santa Venetia.

BONDS

End schools. Each multi-purpose room is estimated to cost $78,000 except for one at West End School, estimated at $48,000.

No new bonds for the high school district are included in the proposed October election. Corona said one million dollars is left from a 1960 high school district bond issue of $2,800,000. These funds are to be used to purchase a new high school site, remodel San Rafael High School, and complete Terra Linda High School.

Corona said the elementary school district bonds, if approved, will raise the elementary district tax rate six to seven cents for two years. "The rates should then drop back," he said.

A priority chart for which improvements should be made first if the bond issue is approved will be ready in three or four weeks, Corona said.

Terra Linda High Contract Is Let

A $253,194 bid by Herrero Brothers of San Francisco to build an addition at Terra Linda High School was accepted last night by the San Rafael Board of Education.

The addition will provide 10 classrooms, including home economics, arts and crafts rooms. The two story building will be started almost immediately, said Supt. Bert C. Corona, and should be ready for use by February, 1964.

Other bidders were W. J. Kubon Co., San Rafael, at $259,976; Midstate Construction Co., San Francisco, $225,200, and Zoellner Construction Co., Ross, $254,230.

Drivers Escape In Auto Crash

Two drivers escaped with minor injuries last night from a broadside auto collision in Santa Venetia.

Marguerite Hudson, 19, a College of Marin coed of 4 Garden Avenue, Santa Venetia, started to make a left turn from San Pedro Road into Garden Avenue when her car was hit by one driven by Charles van Chalscha, 41, salesman of 629 Vendola Drive, Santa Venetia, the California Highway Patrol reported.

Miss Hudson was treated for a cut nose, and van Chalscha for rib injuries, both at San Rafael General Hospital.

Salesman Injured As Car Rams Power Pole

Robert E. Brown, 39, of 50 Fairfax Street, Apt. 5, San Rafael, suffered chest injuries at 8:34 p.m. yesterday when his car rammed a power pole on Francisco Boulevard near Bay Street. He was reported in satisfactory condition today at San Rafael General Hospital.

San Rafael police reported Brown, a real estate salesman, told them he pulled left to pass a slow-moving car, then had to swing right to avoid an oncoming vehicle.

CONTROL

Continued from page 1

May 28 at 8 p.m. for its next study session.

"Windmills. That makes me real homesick," said Councilman Jan Paul Dyk, who is Holland-born. The council discussed windmills under conditional use permits. Windmills stayed in the ordinance.

"Belfries are definitely needed," said Micou. Belfries remained.

Hose towers were deleted, fire towers kept. Also remaining are scenery lofts, commercial radio and television towers, spires and chimneys. Out are penthouses, cupolas and gables. Spangle admitted that requests to build these "appurtanances" are rare but said they should be spelled out in a city ordinance.

Round houses (homes) were also discussed with reference limitation, Building Inspector William L. Hynes saying they can be troublesome when it comes to determining where to measure them. (Height limitation for houses on inclines is measured at 32 feet from midpoint of house down the slope.)

"Let's go away from round buildings," said Dyk, "because I haven't seen many of them. Do you see problems with square buildings?"

"Yes," said Hynes, pointing out that a square building can be set cockeyed on a lot.

Hynes also questioned whether ramps are part of houses and can thus be used to measure center point for height limitation. No stand was taken on this.

The council concluded it will hold fast to its 32-foot height limit.

Bouncing to "step-down buildings," Councilman Michael Harris declared "They are swell if you live in them. If you look at them from the outside, they are monstrous." (Step-down buildings are stepped down on an inclined lot.)

Dyk spoke against pole and stilt houses, saying they do not look good to the man living below.

Carl W. Spring, in the audience, suggested a requirement that floor joists, plumbing and pipes be covered on the underside of a house. Micou suggested this be put into the building code.

The council gave television aerials a twirl, deleting a provision that chimneys, flagpoles, radio and television aerials may exceed the height limit by up to six feet.

Councilman Howard Sievers said "a lot of TV aerials obstruct a lot of views." Hynes said there has been no complaint so far.

"They don't stay up long. A good southeasterly blows them down," said Russell H. Papenhausen in the audience.

Councilman also spoke in favor of putting all utility wiring underground in new subdivisions. Another recommendation was that poles, when allowed, be 40-50 feet high instead of 75 as proposed by Spangle.

"All power lines," said Harris, "should be elevated at least minus three feet."

OBITUARIES

Ambrose Lamperti Dies At 77

Ambrose E. Lamperti of 104 Clark Street, San Rafael, a retired welder, died in a local hospital yesterday after a brief illness. He was 77.

A native of Lonate Pozzolo, Italy, Lamperti came to California at the age of 20. He settled in Marin County 10 years later. His last job as a welder was at Hamilton Air Force Base. He retired there in 1950, completing 33 years in the trade.

He leaves his wife, Rosa Lamperti of San Rafael; two sons, Modesto R. Lamperti of San Rafael and Charles J. Lamperti of San Anselmo, and four grandchildren. Modesto Lamperti is assistant building inspector for the City of San Rafael.

A funeral cortege will form at Harry M. Williams Mortuary at 9 a.m. Friday and go to St. Raphael's Church, San Rafael, where a Requiem High Mass will be offered at 9:30 a.m. Burial will be in Mount Olivet Cemetery, San Rafael.

The Rosary will be recited at 8 p.m. tomorrow at the mortuary.

HARVEY WINSTEL

Funeral services for Harvey J. Winstel of 632 Wilson Avenue, Novato, who died yesterday, will be held at 1 p.m. tomorrow in the Redwood Chapel Funeral Home.

Winstel, who was a bartender at Karl's Klub in Novato for 10 years, was a veteran of World War I. He was active in the American Legion, helping to organize the Twin Cities Post in Larkspur-Corte Madera. He was a member of the Lloyd Andrews Hamilton Post of the American Legion in Novato. He was also a member of Bartenders and Culinary Workers Union Local 126.

Burial will be in Golden Gate National Cemetery in San Bruno.

Directors 'Have Lot To Learn'

By FRED WYATT

Directors of the Corte Madera Sanitary District have many things to learn about it after firing Sec.-Mgr. William A. Adam last week.

This was disclosed by Director John R. Adlard, under questioning by the Independent-Journal, as directors faced an adjourned meeting at 7:30 p.m. today at 500 Tamalpais Drive.

Adlard said:

1. He, at least, isn't sure whether the board will want a new manager.

2. The whole board does not know the facts about a payroll account in Larkspur.

3. "No one knows" the number of the district's employees.

Adam, secretary-manager since 1954, was summarily fired by unanimous board vote last Wednesday after an uproar at a meeting the preceding night over a long buildup of complaints by town officials, residents and a maintenance man, Max H. Graefe, who was fired by Adam on May 3.

Adlard said rehiring of Graefe last Friday was temporary at Graefe's old rate of pay of $4.70 an hour—but only "for a nominal 40-hour week unless there is an emergency."

Graefe, who last week termed himself employed for supervisory and inspection duties as well as maintenance, is limited now to maintaining pumping stations.

The board last Dec. 4 instructed Adam to offer Graefe $734 a month salary, after his pay on hourly basis for several months ran to $1,000 to $1,100. The old hourly rate would equal $188 a week or $827.20 for a 22-work-day month. Graefe said he received his excess over this at the straight-time pay rate.

An insurance salesman talked to the board last week of "eight employees" of the district, but Adlard could recall only four besides Graefe. He said their status is undetermined.

These are Mrs. Porta Fitzgerald, recording secretary named secretary by the board last week; Marjorie Toller; Frank Dumalo, a maintenance man, and another maintenance man who may have been hired by the day.

Sausalito School Board Renews Three Contracts

Contracts for three principals in the Sausalito School District were renewed Monday night by the board of trustees for one-year terms. Action was taken in closed session.

Principals are Robert D. Thompson, Richardson Bay; Morris Brown, Manzanita, and Leo M. Shortino, Central and Bayside.

The Sausalito School District board also:

1. Decided to ask the state fire marshal to inspect Central School and heard that a fire escape from second floor to upper terrace would cost about $4,500.

2. Agreed to renew a KQED television service contract for Central School for $233 and to look into possibility of television service at Manzanita School.

3. Accepted resignation of bus driver Larry Brown.

4. Requested a $25,000 loan from the county due to shortage of funds, the money to be repaid when tax funds come in.

5. Stated its intention of dedicating certain portions of Buchanan Drive to the City of Sausalito and set a hearing for May 27.

6. Decided to re-hire Mrs. McGhee, fifth grade teacher at Richardson Bay, for one year.

7. Agreed to set up a speech clinic during summer school program at Richardson Bay at no cost to the district.

Larkspur Council Is Due Budget

The fiscal 1964 budget, a proposed personnel ordinance, and a public hearing on rezoning part of Magnolia Avenue will occupy the Larkspur City Council at an adjourned meeting at 8 p.m. today in city hall.

City Mgr. Ronald E. Piper has recommended that the council cut $63,000 from $460,719 tentative budget. It carries a 30-cent tax rate hike for most of Larkspur.

The public hearing will be on a planning commission recommendation to rezone Magnolia Avenue from Hillview Gardens to College Park Avenue from residential to restricted commercial.

Redwood High Spring Music Fete Friday

Music ranging from boogie to Beethoven will be featured in Redwood High School's spring music concert, "On the Mall," scheduled for Friday at 8 p.m. in the Larkspur school's central quad.

The program's theme originated from summer concerts in New York City's Central Park, where the march, "On the Mall," was used as the opening number.

Three Redwood bands will play. The regular band will perform musical comedy and classical selections. The newly formed stage band will play boogie and blues numbers. The regular, stage, and intermediate bands will combine to form a group of 65 musicians to play several compositions, among them "Overture Eroica" by Beethoven.

Other selections include Leonard Bernstein's "Candide," a musical staged before "West Side Story," and Rimski-Korsakov's "The Golden Cockerell," a wild, ritualistic, Pagan wedding march.

Refreshments will be served by members of Redwood's Music Federation, a club composed of music students and other interested persons.

Hub Patrolman Quits For Job In Fairfax

Patrolman Andy J. Grimes Jr. of San Anselmo resigned from his $556 per month job last night to join the Fairfax Police Department, where he sees "opportunity for advancement within the near future."

Grimes has been with San Anselmo for four years. His resignation is effective June 1.

In his letter to Chief Raymond R. Buchignani, Grimes expressed "deepest gratitude and respect to you, Chief, for making my term of employment both enjoyable and pleasant."

"My decision to leave this community for what I believe to be advantageous to my family and myself is, therefore, with regret due to the friendship and courtesy shown by all concerned."

Fairfax has vacancies in the position of sergeant because two sergeants resigned there during the past few months.

A Cappella Choir Slates Concert At College Friday

College of Marin's A Cappella Choir will present its spring concert Friday at 8:30 p.m. in Olney Hall on the Kentfield campus.

The major work on the program is "Alleluia" by the contemporary American composer, Randall Thompson, according to director John H. Myers, who heads the college's music department.

Soprano Kathryn Greiner will sing the solo part in the Negro spiritual, "There Is a Balm in Gilead." Craig Bond will be heard in solo parts of "South Pacific Choral Selections" by Rogers and Hammerstein. Judy Paplov will accompany the choir.

Other works to be sung are by Bach, Palestrina, di Lasso, Mozart, Ippolitoff-Ivanov, Elgar, Sacco and William Billings, America's first native born composer.

20 Rings, 2 Necklaces On Display At Redwood

Twenty silver rings and two necklaces, all hand made by applied arts classes at Redwood High School, are now on display in the school library.

The rings, produced by the "lost wax" casting method, were made by the students for $1.30. The rings would have ordinarily cost between $25 and $300 if purchased in a jewelry store, according to Thomas E. La Mantea, applied arts instructor.

'Bring A Book To School' Drive Is Planned For Friday

"Bring a Book to School," a drive intended to fill the Marin County Library with children's books, will be held throughout the county on Friday. The drive is sponsored by the Marin Council for Civic Affairs and various parent-teacher associations.

Nursery school children through eighth grade students have been asked to take books to school, where they will be picked up by members of parent-teacher associations.

"It will be some time before the library can buy enough books to overcome the sudden jump in demand since the library moved to the new Civic Center," said Mrs. Vera Schultz, chairman of the council's civic center committee.

The drive will put a number of people in the position of being unable to use the books they have donated without paying for them. The county library does not lend books to residents of San Rafael or San Anselmo unless they pay a $5 membership fee to the library.

The county library and the Sausalito and Mill Valley public libraries are all part of a North Bay library cooperative which has a reciprocal lending policy among members.

Directors of several schools, who asked not to be named, declined to participate in the drive after learning the books would not be available for their students' use.

The books, said Mrs. Schultz, should be hardbound, in good condition, and suitable for library circulation.

Fishermen Back At Sea As Salmon Price Rift Ends

Northern California salmon fishermen, including many from Marin County ports, went back to sea yesterday after a 10-day dispute over prices.

Fishermen brought in their lines and refused to go after salmon on May 3 when wholesalers cut prices by five and 10 cents a pound. Under the agreement reached yesterday, price of large salmon will stay the same, 65 cents a pound.

Medium salmon and small salmon will each drop five cents to 45 and 35 cents, respectively.

Vernon Mendenhall, manager of A. Paladini Inc. at Point Reyes, said all boats were out today. The Point Reyes fleet varies. On a busy day, the Paladini firm will handle catches from as many as 100 boats, Mendenhall said. A total of 400 boats from Monterey to Eureka were idle during the dispute.

Safe Bus Driver

Clarence H. Doty of 1232 Irwin Street, San Rafael, has been awarded a gold watch for 10 years and 35,000 miles of safe driving for Western Greyhound Lines.

Hub Legion Post Nominates Smith

Chester Smith of San Anselmo was nominated Monday night for commander of San Anselmo Post 179 of the American Legion.

Smith is now first vice commander of the post. Alexander J. Rzepiela was nominated for first vice commander and Ralph Lewis for second vice commander.

Nominations will continue and an election will be conducted at the May 27 meeting.

Walter Berta, post commander, reported that post membership for 1963 has reached 348.

The post will have its annual dinner honoring past commanders May 25 at the Legion Log Cabin, and will be host to a Fifth District meeting June 9.

Numbers May Blossom Out In Street Rift

The controversy over changing the name of Blossom Court in San Rafael may be resolved by the numbers.

The postmaster and fire chief want to change the name to avoid confusion with Blossom Drive, but the residents of Blossom Court want to keep the name.

Several residents told the San Rafael Planning Commission last night there was no "confusion" in locating them. They claimed that the "utilities found us, the salesmen finds us, and the mailman finds us."

Commissionsr decided that since some of the confusion results from similar house numbers on Blossom Drive and Blossom Court, possibly the names could remain, but the numbers changed. They postponed decision until May 28.

At TB Meeting

Mrs. Dalrie S. Lichtenstiger, 16 Hawthorne Lane, Corte Madera, executive director of the Tuberculosis and Health Assn. of California, today described the use of electronic data processing equipment at the annual meeting of the National Tuberculosis Assn. in Denver.

SLIGHT TAX HIKE PROPOSED IN HUB

San Anselmo's proposed budget for 1963-64 fiscal year shows a slight increase over the current year, but the tax rate will increase only about 1½ cents, City Mgr. Douglas J. Flauti reported last night.

The proposed new budget shows total expenditures of $682,200, as compared with this year's $622,500. It calls for a tax rate of $1.89, as compared with the present $1.875.

City councilmen decided they would meet two or three nights next week and perhaps the following week to go over the budget department by department. Exact dates for the budget meetings will be set at the council's meeting next Tuesday night.

The San Anselmo City Council Also:

1. Gave first reading to an ordinance to annex 38 acres between The Alameda and Durham Road. Del May Investment Co. of San Rafael wants to put homes on about 50 acres of land in that area. There was no protest last night against the proposed annexation.

2. Approved rezoning of the lots closest to Center Boulevard will remain commercial, and the rest of the lots along San Anselmo Avenue rfom Center to Oak Knoll Avenue will be rezoned to apartments

3. Approved apartment zoning for two lots at the northeast corner of Saunders and Center Boulevard. Ray E. Nolan plans to put in eight apartment units.

4. Awarded L. H. Leonardi of San Rafael a $2,195 contract to install a pedestrian push button signal on Ross Avenue at San Anselmo Avenue. School children need the signal to cross busy San Anselmo Avenue.

5. Appropriated $515 to repair roof leaks at the city hall and the recreation building at Memorial Park. Vincent Pallavicini will do the work.

6. Granted a blasting permit to Kaehler-Farrar Development Co. at a building site at Rafael Racquet Club Estates.

7. Proclaimed May 24 and 25 as Poppy Days in San Anselmo.

8. Re-appointed Jerry Lloyd to the planning commission. Postponed re-appointment of Walter Carter to the city board of review until councilmen learn whether Carter is willing to serve another term.

9. Postponed a decision on a 21-foot high sign, requested by Ken Shields of Ken's Drive-In. City councilmen decided they wanted more information about the proposed sign.

10. Gave first reading to rezone the Rosenthal and Prosser Tracts so that minimum lots would be 20,000 square feet. The area lies in the hills on the western edge of San Anselmo, between Ross and Fairfax.

Reed Application Approved By State

The State Allocation Board yesterday approved the application of Reed Union School District for $16,432.

Supt. Edward Pinot said the money was for preliminary planning for the 14-room Marin Estates-Mariner Highlands elementary school, scheduled for occupancy in September 1964.

'Troopers Threat In Alabama'

BIRMINGHAM, Ala. (AP) — A Negro leader says Gov. George C. Wallace is trying to undermine a biracial agreement on Birmingham's racial problems by keeping state troopers in the city.

While the Rev. Fred L. Shuttlesworth was calling on Wallace last night to remove the highway patrolmen, Wallace again was calling on President John F. Kennedy to withdraw special federal troops he sent into Alabama.

Wallace replied to Shuttlesworth, one of the top leaders in the desegregation campaign, that the state troopers would remain in Birmingham as long as he thinks they are needed to help maintain law and order.

The White House announced no reply to Wallace's latest telegram protesting the federal troops, but the president has shown no inclination to recall the soldiers in previous exchanges with the Alabama governor.

The president had lunch yesterday with 24 Alabama publishers and editors and the main topic of discussion was the state's racial problems.

Novato Sets Up Three Fire Zones

Fire zones were established in Novato last night by the city council.

Fred Westfall, chief city building inspector, asked the council to adopt the 'standard three fire zones.

"Novato is under zone three in Marin County, which has the loosest type of regulations," Westfall told the council. The new zones apply only to new construction. Commercial buildings, in zone one, will require a four-hour fire wall; zone two, with restrictions much less, takes in all types of multiple housing; zone three takes in single family residences.

The zones will be determined by the land use put on the property, so they will change as areas are rezoned for use, Westfall explained.

Lloyd T. Hunter was awarded a $28,376 contract to remodel the city owned Presbyterian Church properties into city offices. Hunter's bid was lowest of four.

The assessment in St. Francis Heights assessment district was lowered from $116,000 to $98,820. James Milne, attorney for the district, told the council construction had cost less than expected. This lowers the assessments on each lot from $3,225 to $2,745, Milne said.

A claim of $5,123.26 in damages against the city by Leonard Smith of 879 Eucalyptus Avenue, was denied. Smith's car was hit by a police car driven by officer Harold E. Sutton (since discharged) on March 2.

The Novato City Council Also:

1. Annexation of four lots on Arbor Circle off Wilmac Avenue.

2. Approved a summer recreation program to cost $7,780 compared to $9,095 spent on the identical program last year. This year 16 part-time employees will conduct the program under Edmund Mahany, director of parks and recreation.

3. Approved closing city offices, except police, from noon to 1 p.m. daily, effective June 3.

4. Accepted with regrets the resignation of William Schneeflock from the planning commission.

5. Approved the city administrator joining the North Marin Coordinating Committee composed of the administrators of the city of Novato, North Marin County Water District, Novato Fire District and both school districts.

6. Approved $41,005 on claims for April.

7. Adjourned to 8 p.m. next Tuesday to hold the first public hearing on the 1963-64 budget.

Proposed Marin Budget To Be Ready Tuesday

Marin County's proposed budget for 1963-4 will be ready for the supervisors' meeting next Tuesday, Auditor-Controller Michael Mitchell told supervisors yesterday.

Administrator Alan Bruce said Asst. Personnel Director Robert D. Elliott is nearing completion of a survey and analysis of county salaries, to be included in the budget.

He gave the supervisors some preliminary aspects of the budget in a special message, not read or considered yesterday, estimating a 7.2 per cent population increase during the present year adding up to 1,000 new residents monthly.

"With due respect to the Marin County tradition of making eary estimates" on tax rate, Bruce said it's not possible to do this at all accurately yet.

Unknown factors, he said, include the increase in assessed value not to be disclosed until August; carry-over balances not known until July 1; estimates of revenue from non-property tax sources due for revision in July and August, and changes in state laws.

But present state law changes make many increases unavoidable, Bruce said, though most will be accomplished by more state and federal tax money—"not 'free' money (but) return of some of our money paid." Welfare, he cited, is up $114,000 but with estimated subventions increased by $116,000.

Some things with no non-property tax revenue are apparently up to a total of $193,000, including law enforcement, jail and allied items.

The board approved a schedule of meetings with county department heads from June 12, starting at 9 a.m. with "superintendent of schools, miscellaneous education," through June 21 when 10 a.m. is to start the last item with both overall policy and specific item decisions on 22 applications for money under "promotion and development."

San Rafael School Trustee Questions Cost For Nursery

A proposal for a third session at the Terra Linda Cooperative Nursery School, with the San Rafael Board of Education paying part of the bill, was questioned last night by one of the board's new members.

Supt. Bert C. Corona estimated the cost to the high school district for the expanded program at $1,100. The remainder, more than half the expense of running the school, is paid by parents of children enrolled in the school.

"Is there somewhere in the high school budget where we can use the $1,100 better than at the nursery school?" asked Walter J. Doll, the new member.

District funds for the nursery go under the heading of "adult education" since parents of nursery school children are required to attend night classes in "child development."

Board members agreed to look into the program at their next meeting May 28 when they discuss the budget.

The San Rafael Board Of Education Also:

1. Authorized appraisals of five lots it expects to sell at the Glenwood school site by Edward P. Morphy of San Rafael and Ray Farrington Jones of San Anselmo.

2. Received approval from the State Division of Architecture of additions planned for the West End School, including a classroom, book room, and new corridor.

3. Heard a letter from William F. Dresia, science teacher at San Rafael High School, in which he said: "I am very sorry indeed if I have offended any of my friends on the board." Doll criticized a report from Dresia on a science teachers' convention he attended recently because Dresia included a plug for higher teacher salaries.

4. Approved televised lessons by station KQED for grades three through six during the next school year (1,802 pupils) at 75 cents a pupil and for 65 teachers at $1 teacher for a total of $1,416.50.

5. Approved calling for bids on athletic equipment and supplies estimated to cost $25,688, a new office for the administration building, $3,500, and miscellaneous equipment for the district, $1,310.

'Negro And Politics' Talk For Young GOP

Jefferson A. Beaver, Negro business executive, will discuss "The Negro and Politics" at a meeting of the Marin Young Republicans at 8 p.m. Tuesday at the Terra Linda Community Center, 670 Del Ganado Road.

Beaver, executive vice president of Trans-Bay Federal Savings and Loan Assn., is a resident of San Francisco.

VOICES RAISED AGAINST REED UNIFICATION PLAN

Voices protesting unification of the Reed School District were heard at last night's meeting of district trustees.

Letters from Mrs. Joseph Marshall and Mrs. William Ferguson both urged reconsideration of the trustees' stand against unification of the entire Tamalpais High School District.

Mrs. Marshall said she favored the broader community contact which a large district could provide.

Mrs. Ferguson said that now that the County Committee on School District Organization had "disallowed the Reed proposal it was the logical time to explore other ideas." To this Chairman David D. Ring replied he supported the idea but "the way the county committee works we won't have time."

Trustee Richard J. MacLaury said the Reed study committee felt a unified Reed district could start with a high school, ample in every respect and comparable favorably to Novato and Redwood high.

"The only thing we have decided is to present our plan to the augmented committee and ask them to study it. We are not committed to it," he said.

MacLaury added he prefers a small district because residents are divorced from the schools in a large district.

Mrs. Marshall said she feared the tax situation if Reed tries to go it alone without Strawberry and Larkspur. Trustee Alyce Farkas replied: "We do not gain by adding them. In fact we are better off financially without them."

"We shouldn't use the schools for uniting Southern Marin," trustee Leon Souza told Mrs. Marshall.

Ring claimed studies indicate there would not be much tax increase if Reed were unified. If the Tamalpais District unified, he said, taxes would increase.

Benton Bostick, a spectator, urged compromise. He recommended joining with Larkspur, and Ross districts.

Mrs. Farkas described the augmented county committee meetings as "Mad Hatter's tea parties" at which nothing was accomplished. She said the deciding vote to study unification of Tamalpais district as a whole was cast by a man who favored a four-way split but wanted to get the issue before the voters.

Trustees accepted the resignation of Gail R. Jamar, Marilyn Fitterer and Yvonne C. Hickey. Ronald G. Ottesen was appointed probationary teacher.

Supt. Edward C. Pino was authorized to establish the position of lead teacher in each building, whose primary function would be to act in emergencies during the absence of the principal.

The bid date for Del Mar School addition was changed from May 28 to June 4.

Salaries of certified and classified employees were discussed but action was postponed until the May 28 meeting.

Man, Woman Injured In Bridge Crash

A San Rafael man and an Oakland housewife were injured in the crash of three eastbound cars on the San Rafael-Richmond Bridge when the woman halted for a flat tire yesterday.

Mrs. Nellie Dodge, 64, stopped her car about 8 a.m. near a call box to summon aid. A car driven by Paul E. Melcher, 43, of 106 Ridgewood Drive, swerved to avoid her but struck Mrs. Dodge's car, then spun around and sideswiped a car driven by Catherine Elsa Janke, 20, Santa Rosa clerk, the California Highway Patrol reported.

Melcher was treated for a cut lip and bruised right forearm at Marin General Hospital, where he was reported "satisfactory" today.

Mrs. Dodge suffered chest, knee and elbow injuries, and was transferred by ambulance to Oakland.

On September 21-22, 1961, Antonio Bertondo of Argentina became the first man to swim the English Channel round trip, taking 43 hours and 15 minutes.

Former Novato Employee Rips Baget

Mrs. Katherine Clark, who resigned from the Novato Police Department on April 1, last night charged City Administrator J. Julien Baget with unfair treatment in filling a position promised to her.

Mrs. Clark charged that Baget tried to get her to take a position as secretary to the public works department at $324 per month, then hired someone from outside city employ at $357. The job went to Mrs. Inez Burdick of 617 Rowland Boulevard.

"A 'squeeze play' being carried on by the highest salaried official of Novato," was the way Mrs. Clark described Baget's dealings. She read her charges from a three page letter to the council.

She charged "methods of operation used by Baget resulted in his not having the cooperation of his department heads."

She accused Baget of "blasting" her with the statement, "I run the city."

"I was under the impression that the taxpayers run the city through the city council," she read.

Baget told the council Mrs. Clark had been hired on a temporary basis at the city hall when he was absent on sick leave. He said her work was satisfactory and she transfered to the police department because there was a permanent position there. She then quit the police department because her family life would not allow her to work the night shift to which she had been assigned, he reported.

"Mrs. Clark and one other applicant were the two finalists for the (public works) position," Baget told the council. "I relied on the judgment of the department head in picking his secretary."

The council took no action on the complaint.

Bowles Will Speak To Marin Democrats

Chester Bowles, ambassador to India, will speak briefly at a fund-raising reception for Marin County Democrats at 5:30 p.m. Monday at the home of Mr. and Mrs. Bennet Skews-Cox on Laurel Grove Avenue, Ross.

Reservations may be made by calling Democratic Headquarters or Mrs. Herbert Appenzell in San Rafael.

Aerojet May File For Engine Tests At Islands Off Point San Pedro

Aerojet-General Corp. will probably file application next week for permission to test rocket engines in deep water close to the Three Sisters, small islands a half mile off Point San Pedro.

"This site seems most desirable and we have heard of no objections from adjacent property owners," Robert Truax, manager of the firm's advance development division, said today.

A proposed deep water test site off Angel Island was dropped Monday after protests from Tiburon residents.

Truax said application to the Army Corps of Engineers on the Three Sisters Site will probably be filed next week. There is a mandatory 30 day period of notice before the corps can act on the application.

Truax said the deep water testing will make little or no noise. There will be noise in the shallow water testing where the engine will rise above the surface of the bay.

Truax said the shallow water testing off Richmond Point will probably begin in September. The noise, he said, will be largely supressed by spray kicked up by the engine.

The deep water testing, where the engine is held underwater during the firing, will start after the shallow water tests are completed, Truax said.

If the firm is unable to get clearance on the Three Sisters site, it will probably seek permission to test south of Red Rock. This is three miles from San Quentin and about a half mile south of the Richmond-San Rafael Bridge. There are navigation lanes on both sides of this site. It is no so desirable as the Three Sisters site, Truax said.

Terra Linda Interchange Work Due

Construction of access roads from the Terra Linda interchange on Highway 101 to the county fairgrounds site adjoining the Civic Center will be started by the county within the fiscal year, public works director Donald R. Frost told the board of supervisors yesterday.

Frost presented plans he will submit to Hale Champion, state director of finance, of a five-year program for development of the fairgrounds site.

The county expects to assure a continued appropriation and retention of $105,000 a year from state race-track revenue. The device was worked out to avoid the usual necessity for spending every appropriation within the year which it is appropriated, not an efficient process for such a large under-undertaking.

The architect is to prepare final plans for an exhibition building and grandstand during fiscal 1964-65. Actual construction is to be within the fiscal 1965-66, according to Frost's schedule.

Frost noted that the proposal to construct a Veterans Memorial Auditorium on the fairgrounds, rather than on the Civic Center area as initially projected, is still under consideration.

Mill Valley Lions Officers Elected

Louis Pizzio has been elected president of the Mill Valley Lions Club to succeed William Gilmore. Pizzio and other new officers are to be installed in ceremonies June 22.

Other officers are James Canepa, first vice president; Stephen P. Dimitroff, second vice president; Ernest Sanders, third vice president; Richard Harrison, secretary; Richard Ferns, treasurer; Jack Brabo, bar master; Gordon Reynolds, tail twister; Michael La Torre, Lion tamer; George Larson, bulletin editor. Elected as directors were Leonard Blakely, Joseph Brewster, Cecil Brown, and Jack Meyers.

Pike Warns Tongue, Non-Tongue People

Warnings for both those who speak in tongues and those who do not are carried in a report on the subject released today by the Episcopal Diocese of California.

Clergymen who do not practice glossolalia, or speaking in tongues, were told to avoid contempt in dealing with the subject and with those who practice it. Clergy and laymen who speak in tongues were warned against a feeling of "spiritual superiority" over those who do not.

The warnings that tongue people and non-tongue people should see eye-to-eye were in a 20-page report requested by Bishop James A. Pike. The report, given the Bishop May 2, but not then made public, was the basis for his pastoral letter read in all churches in the diocese on May 5.

In his letter, the bishop asked for caution in the use of tongues and said there was danger of heresy in the practice were carried to extremes. Rev. Tod W. Ewald, rector of the Holy Innocents Episcopal Church in Corte Madera, leads a healing service at his church Thursday night at which there is glossolalia.

The report, sent today to all clergymen in the diocese and other Episcopal bishops throughout the country, estimates that there are about 12 Episcopal clergymen and 200 laymen who practice tongues. The movement, common since the last century in Pentecostal churches, has entered the Episcopal church within the last two years.

Traffic Study Is Requested By Directors In Terra Linda

Terra Linda Community Services District directors decided last night to request once more a comprehensive traffic study at the intersection of Manuel Freitas Parkway and Las Gallinas Avenue.

The board will ask both the city of San Rafael and the Marin County Public Works Department to make traffic counts at the intersection.

"The last complete traffic count was made apparently in 1959 by the county," said secretary-manager Annette Bode. "Conditions have changed a lot since then."

Traffic at the location has concerned the CSD board for more than a year. The San Rafael public works department reported traffic signals were not necessary. CSD directors claimed San Rafael's alleged study may not have included traffic counts more recent than the 1959 count.

Firewood Taken At Building Site

A big load of newly cut firewood disappeared from a building site in Bolinas, owner Earl D. Baldwin of Mill Valley reported to the sheriff yesterday.

Baldwin, a contractor, said he hired Thomas Jones Barfield of Bolinas to cut and clear eucalyptus logs from two lots at Ocean Parkway 885 in Bolinas. On Monday Barfield cut the logs into two-foot lengths and stacked enough to fill a pickup truck.

Yesterday morning, all the firewood had vanished.

Novato Park Plan Runs Into Red Tape

The beautification committee of the Novato Garden Club yesterday found that government red tape could not be avoided even in Novato.

Last week the committee obtained a 60-day option to purchase the Louis Nave home on five acres at 1524 Hill Road for $125,000 for a city park.

Mrs. Lawrason Driscoll, garden club president, asked the city council, and directors of planning and parks and recreation, to go over the proposed park site yesterday. The group toured the site.

Mayor M. E. Silva said Mrs. Driscoll should have gone to the parks and recreation commission before approaching the city council.

Edmund Mahany, parks and recreation director, said the site must be studied and compared with other sites before the parks and recreation commission could say, whether it is a good buy for a park.

Robert Lagle, planning director, said the site has good possibilities for a playground type park, with buildings that clubs and other organizations could use.

"I guess I goofed," said Mrs. Driscoll after the tour of the site. "Monday I'll start back at the beginning and take it to the parks and recreation commission."

HUB, SUNNY HILLS MIGHT MAKE DEAL

The City of San Anselmo and Sunny Hills might be able to work out a land exchange deal "mutually advantageous to both sides," Mayor John M. Reichmuth said last night.

The city council appointed Reichmuth as a committee of one to discuss with Sunny Hills officials on an informal basis what type of land-swap can be worked out, if any.

"I certainly won't make any commitments," said Reichmuth. "It may all come to nothing. And then we might be able to work something out."

Sunny Hills has a home for children and a large parcel of land on the east side of Sir Francis Drake Boulevard near Isabel Cook School and the city's Memorial Park. However, about 13 acres of choice Sunny Hills land will be taken over by the San Anselmo School District for a new school site.

The city, on the other hand, has about 60 acres now being used as a corporation yard on the old Sorich Dairy property at the end of San Francisco Boulevard.

Reichmuth reasons that if Sunny Hills can use some of the Sorich property, the city might be able to use some of Sunny Hills land to expand Memorial Park. But Reichmuth emphasized that this is all mere conjecture thus far, and nothing may ever come out of it, although "there's no harm in talking it over."

Performing Arts Fete Set May 29

A group of Marin County musicians will open the third annual Festival of Performing Arts May 29 at 8 p.m. in the Barn of the Marin Art and Garden Center in Ross.

Appearing will be the Marin Arts Quartet and two choral groups: Maria Pro Musica, founded and directed by Wilbur F. Russell, and the Winifred Baker A Cappella Choir, organized and conducted by Winifred Baker.

Russell's group will sing selections from the Brahms' "Liebeslieder Waltzes," with Anne DeCook and Anne Kluksdall accompanying at the piano.

The Baker choir will conclude the program with Elizabethan composer John Blow's work, "Ode to St. Cecelia's Day." String accompaniment for this work will be the Marin Arts Quartet, and Russell will be at the harpsichord.

Opening the evening's performance will be the Marin Arts Quartet, playing Samuel Scheidt's "Suite for Strings and Cembalo" with Russell at the harpsichord, and modern composer Boris Blacher's Quartet No. 3, Opus 32

Tickets will be available at the door.

All-School Art Show Due Novato

The first all-school art show in the Novato Unified School District will be opened to the public on May 24 and 25 in the new multi-purpose room of Rancho School.

"Art through the ages," is the theme of the show. Kindergarten through the 12th grade will be represented in pottery, three dimensional effects, tempora, water color, and crayon work.

All the work is original, with only the framing done by the teachers, said William Luft, art teacher at Novato High School, who has arranged the show.

A preview of the show for the teachers, school personnel and children will be held from 9 a.m. to 5 p.m. on May 22 and 23. The show will be open to the public from 3:30 to 5 p.m. on May 24 and from 10 a.m. to 5 p.m. on May 25.

California Teacher Aid To Talk In Mill Valley

Dr. Arthur F. Corey, executive head of the California Teachers Assn., will speak on "The Issues We Face" at the quarterly meeting of the Mill Valley Teachers Assn. at 3:45 p.m., May 28 at Park School Auditorium, Mill Valley.

Corey is a member of the Whittier College board of trustees and committee chairman on accreditation of the State Board of Education. The meeting is open to the public, said Helen DeBerry, Mill Valley public relations chairman.

Intoxicated Driver Given $166 Fine

Owen K. Perry, 36, of 946 Sir Francis Drake Boulevard, Kentfield, paid $166 fine yesterday for drunken driving.

Judge Harold J. Haley of Marin Municipal Court sentenced Perry for driving while intoxicated at C and Treanor streets in San Rafael last Dec. 31. Perry must remain on probation for six months.

2 New Jobs Approved In Reed Schools

New jobs in the Reed Union School District for Jack L. Usilton, principal-teacher of Del Mar School, and Robert B. Gaw, principal of Reed School, were approved last night by the district's board of trustees.

Gaw will become principal of the new Del Mar Intermediate (seventh-eighth grade) School. Construction of a 16-room addition to the school, currently used for lower grades, is expected to begin within a month and be completed in time for fall classes. About 300 seventh and eighth graders are expected to enroll in the new school.

Usilton will become principal of Reed Elementary School, with grades through sixth. The school is now used by fifth through eighth graders but was intended for an elementary school.

Both appointments are effective July 1.

Gaw has worked for the Reed district since 1958 and is doing advanced study at University of California and San Francisco State College.

Usilton has worked in various schools in the Reed district since 1955. He was graduated from the University of the Pacific and earned a master's degree in elementary administration from San Francisco State College in 1957.

Medical Society Sets 'Health Career Day'

"Health Career Day," designed by the Marin Medical Society to acquaint students with aspects presented in a career of health, will be held May 25 from 8 a.m. to 12 noon.

Guided tours according to interests in the various fields of a health career will be taken at Marin General Hospital, Marin Medical Center, and the county health department.

On Kidney Diseases

A symposium on kidney diseases will be held for Bay Area doctors on June 13, starting at 9:15 a.m. in the Sheraton Palace Hotel in San Francisco, according to chairman Dr. Alex L. Finkle of Kentfield.

Board Will Meet On Jury's Report

A special meeting of the Marin County Board of Supervisors will be called, probably this week, to consider the county grand jury's annual report.

State law requires that county elected officials make comments within 30 days of the impaneling of the new year's grand jury. The 1963-64 jury was impaneled March 18.

"We should do something about this not later than next Tuesday," suggested Supervisor George H. Ludy.

"We haven't done anything within 30 days," added Supervisor Peter Behr, "largely because there was no penalty attached—to put it bluntly."

The grand jury report due to receive attention scored the supervisors for "failing to develop sound personnel and administrative procedures."

The county offices committee of the grand jury also complained that the supervisors would not respond to inquiries by the jury without constant reminders and prodding.

Drainage Study Is Authorized

Members of the Marin County Soil Conservation District board Monday authorized an engineering study of drainage to improve 269 acres subject to flooding at Black Point.

The land is owned by Peter J. Ferrarese, P. Strozzi and Americo Pozzi.

Directors yesterday also adopted a preliminary 1963-64 budget of $1,329. Matt Clemer, recording secretary, said this is up $266 over the current budget. The budget is supported by county funds. Next meeting of the board is set for June 10.

France would fit comfortably inside the state of Texas.

Tomales High Work To Be $71,500

It will cost approximately $71,500 to bring the main building at Tomales High School up to state earthquake standards, George Quesada, San Francisco architect, Monday night told Tomales High School District trustees.

In a 22-page report, Quesada analyzed the present condition of the building, gave a structural analysis, and estimated cost of repairs.

"The State Division of Architecture has arrived at the point of diminishing returns on rehabilitating buildings," Quesada told the board. "That is 65 per cent of the cost of replacing the buildings. This rehabilitation will cost only 45 per cent of the cost of replacing the building."

On the strength of that, Quesada recommended the building be brought up to state standards. The board took the recommendation under advisement until its next meeting.

The board approved a 1963-64 preliminary budget of $250,800. This year's budget was $234,096.

"The budget shows a slight increase in everything," Supt. Anthony Matulich told the board.

Resignations of James G. McGowan, physical education and social studies teacher, and Irvin Kettelsen, vocational agriculture teacher, were accepted.

Tight Control Measure On Addicting Drug Rejected

SACRAMENTO (AP) — The Assembly Criminal Procedure Committee early today rejected the last remaining major bill in the dangerous drug control program, backed by Gov. Edmund G. Brown and Atty. Gen. Stanley Mosk.

The measure, to put pain-killing pills called Percodan on the triplicate prescription list, was defeated 6-4 after a four-hour hearing which ran until nearly 1 a.m.

Mosk charged that hundreds of Californians are becoming addicted to Percodan which contains a synthetic morphine-like drug and several non-narcotic ingredients.

He said Percodan has created more involuntary addicts than any legally dispensed narcotic since the Civil War, when morphine was carelessly administered to wounded soldiers.

He called the bill's defeat shocking, and attributed it to lobbying by the drugs manufacturer, Endo Laboratories of New York. The firm has branches in Chicago and Montreal.

Fred Zweiback, lobbyist for Endo, said Percodan has been on the market 14 years and has presented no problems, except in California. He denied that it is creating a large number of addicts, although he said there are undoubtedly abuses.

Percodan can be sold only on a doctor's prescription, written on a single blank or phoned to the pharmacist. Mosk said spot checks at pharmacies in Los Angeles and San Francisco had turned up hundreds of forgeries. He showed stacks of lists of addicts convicted of forging Percodan prescriptions.

Under triplicate prescription, one copy is forwarded to state narcotic control headquarters where machine sorting can quickly detect fraud.

The measure was defeated once before on a 6-6 tie vote in the Senate Judiciary Committee, headed by the bill's author, Sen. Edwin J. Regan (D-Weaverville). It was revived and passed the Senate.

This time the defeat appeared final, although Mosk declined to tell reporters whether he would try for another revival.

Airman Gets Honor Medal

Airman 3/c James M. Kelley, son of Lt. Col. and Mrs. Frank W. Kelly Jr. of 221 Bolling Drive, Hamilton Air Force Base, has been awarded the American Spirit Homer Medal at Keesler AFB, Miss.

Airman Kelly was selected for the award as the airman who best demonstrated the qualities of leadership which express the American spirit: honor, initiative, loyalty, and high example to comrades-in-arms. He is a student in the electronic data machine repairman course at Keesler.

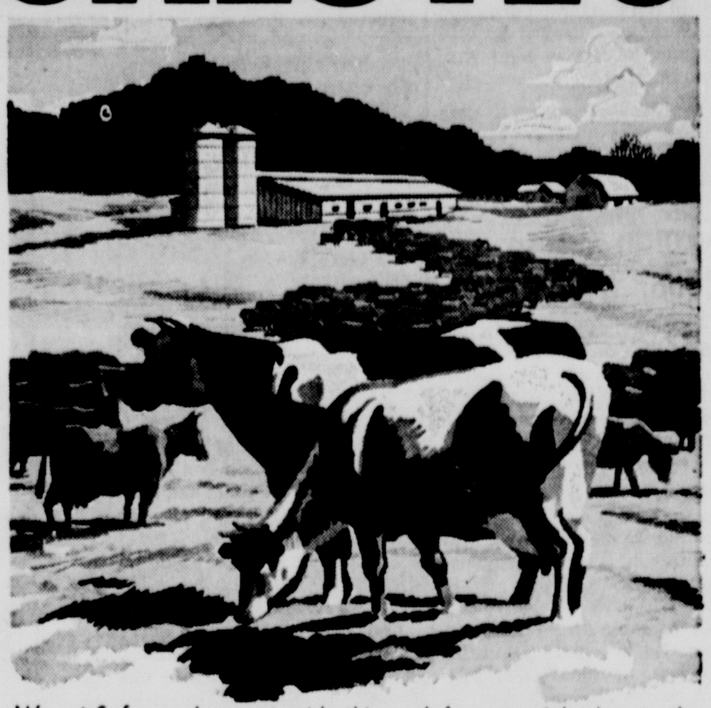
SAFEWAY SALUTES



Calif. is the Leader In Production of Fruits & Vegetables...Safeway's a Leader In Distribution!

We, at Safeway, have set aside this week for a special salute to the farmers, ranchers, and to everyone who is a part of California agriculture. It is highly appropriate for us to express our good will to this number one busines of our now number one state. (Did **you** know that Agriculture is California's biggest industry?) California agriculture produces the kind of merchandise that it is our business to sell. California is our best source of dependable quality foods of many kinds. It leads the entire nation in total farm production and farm income. Here, for example, is grown 43 percent of the country's vegetables and 42 percent of its fruit and nut crops. Many hands are needed to move these products to consumers throughout the land. Safeway is happy to be among those who provide California agriculture with efficient distribution of its products, not only in this state, but in many other states too. You are welcome to join us as we tip our hats to California agriculture, to our "partners" in the food business.

Clark Street Area Wins Duplex Fight

Residents of the Clark Street area won their battle against duplexes last night after a 50-minute hearing before the San Rafael Planning Commission.

They broke into applause when the commission voted 5-0 to deny D. W. Barnard's request for a change of zone on 18 lots in Toyon Estates from single family to duplex residential. The lots are at the end of Clark Street.

Attorney Thomas E. Schaal, representing Barnard, contended there is need for duplex housing in San Rafael. He presented a petition signed by 19 real estate agents in support of the zone change.

The petition claimed a shortage of duplex housing because of lack of acreage zoned for duplexes.

James Milton of 5 Clark Street said the duplexes would be "out of character" with the neighborhood.

John Strachan of 148 Greenwood Avenue said, "We should not let outside, San Francisco people tell us what to live with."

Commissioners Carl S. Brown, Orlando Conti, Gene F. O'Connor, Walter J. Coyne and Thomas R. O'Toole voted to deny the rezoning. Chairman Pat Hetherton and Commissioner Charles J. Hendrickson were absent.

Novato Planners Approve Maps Of Six Subdivisions

The Novato Planning Commission approved six of seven subdivision maps considered Tuesday night.

The tentative map of Seabreeze Hills Unit 3 was continued until May 27 for further study.

Tentative maps approved by the commission include: Seabreeze Hills Unit 1 of 33 lots on 13 acres; Seabreeze Hills Unit 2 of 15 lots on 40 acres; Seabreeze Hills Unit 2-A of nine lots on 33 acres, all in the Loma Verde master plan and submitted by Seabreeze Construction Co.; Novato Pines of 34 lots on 10 acres on Novato Boulevard and McClay Road, submitted by Kenny Brothers, and Sheila Estates of 17 lots on five acres on Sutro Avenue, submitted by Harry W. Locke.

The planning commission reversed a previous denial to approve rezoning from planned residential to commercial for two acres at South Novato Boulevard and Center Road, requested by William Nave. The first denial by the commission had been appealed to the city council by Nave. The council reversed the commission's decision at its last meeting.

The commission denied Warren Gilbert a permit to build an addition to enlarge a three-bedroom home at 1273 Cambridge Street.

The Novato Planning Commission also:

1. Approved plans for duplexes on 11 lots in Beverly Knolls at San Jose Boulevard and Kathy Court.
2. Set for May 27 public hearing on a request by Edgar Garavatti to rezone from limited agriculture to multiple family one and one-half acres on Dusel Court near Hamilton Air Force Base.

County Gets $62,479 From Liquor Fees

The County of Marin has received $62,479 as its six-month share of fees paid by holders of alcoholic beverage licenses.

The City of San Rafael received $15,712 as its share of the amount for the six-month period ending Feb. 28, 1963.

Hub Bus Depot Case Due To Go To Court

Price negotiations between San Anselmo and Northwestern Pacific Railroad for the old Greyhound depot site at the Hub have bogged down, and the case will have to go to court, City Atty. John G. Buresh reported last night to the San Anselmo City Council.

The council authorized an appraisal of the half-acre property by appraiser Farrington Jones. His appraisal, along with two others already made, will be used in the condemnation trial.

San Anselmo had hoped to get the half-acre site for about $82,500, but NWP is holding out for considerably more. The city needs the land for widening of Sir Francis Drake Boulevard.

The old depot has been torn down, and Greyhound has moved the bus station to Center Boulevard across the street from Sprouse-Reitz Co.

City Administrator Douglas J. Flautt reported the new bus stop is working out satisfactorily, although many patrons are still bewildered because the old depot building suddenly vanished.

At suggestion of Councilman Woodrow V. Capurro, councilmen decided that a light should be placed on a pole near the new bus stop because the area is too dark at night.

City fathers also authorized four parking spots for Yellow Checker Cab Co. across the street from the new bus stop. The spaces are located on Center Boulevard behind the Hub fountain, next to the San Anselmo Super Market parking lot.

Air Cadet Honored

Cadet Lt. Col. Charles C. Putney, son of Mr. and Mrs. Charles C. Putney of 123 Eldridge Avenue, Mill Valley, has received the Air Force Times Award as the outstanding cadet in his detachment of the Air Force Reserves at George Washington University, Washington, D. C.

COUNTY PASSES UP CRONKHITE LAND

Acquisition of nearly 32 acres of Fort Cronkhite land declared surplus and available for recreational purchase at half-price is a job for the state rather than Marin County, the county supervisors decided yesterday.

"This fits into the state's acquisition program and will strengthen its development," reported Kelvin J. Nelson, new county parks and recreation director.

He added that the state supervisor of advance planning had expressed intention to file for acquisition and could see no reason why the county should concern itself with the parcel, three and one-half miles west of the north end of the Golden Gate Bridge and with no access to public roads.

Nelson said he understood there would be progressive relinquishment of other fort land which the state would like to take over. On motion of Supervisor William D. Fusselman, Sacramento was advised of Marin's attitude.

The Marin County Board Of Supervisors:

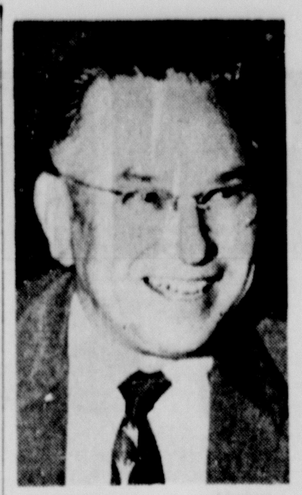
1. Confirmed appointments of Alice Cassidy to the Bolinas Beach Public Utility District Board for the unexpired term to next year of Donal Ingerman, and of Portia FitzGerald as secretary of the Corte Madera Sanitary District.
2. Authorized county librarian Virginia V. Keating to spend an extra $450 on school materials pursuant to agreement with school districts which turned in $900 more revenue than expected for this fiscal year.
3. Receiving reminder of Novato Junior Chamber of Commerce that supervisorial redistricting has been termed "urgent," assured that further work will soon be done since a requested planning commission map is ready.
4. Voted formal relinquishment of state license for the former Marin County Hospital in Lucas Valley.
5. Approved a new reduced-staff schedule for Lucas Valley buildings to adjust abolition of hospital with continuation of Juvenile Hall.
6. Awarded an $81,645.85 contract to Ghilotti Brothers of San Rafael for resurfacing parts of Paradise Drive, Bolinas-Olema Road, Bon Air Estates roads, Evergreen Road, Los Ranchitos area roads, and Manuel T. Freitas Parkway; also to Ghilotti Brothers a $5,846 contract for sidewalk and drainage along Manuel T. Freitas Parkway; both lowest bids.
7. Returned for planning commission consideration next Monday J. L. Hays' denied application for adjustment to divide an 8,650 square-foot parcel into two sites at 1800 Vistazo West Street, Tiburon, due to possibility of adding by purchase 4,000 square feet of lane; final decision promised by supervisors next Tuesday.

Marin Airspace Canceled By FAA

Marin County supervisors yesterday accepted without protest the cancellation of airspace reservation in the Point San Quentin area.

The airspace was reserved for the county by the Federal Aviation Agency in 1958, but the county still has no plans for air strip development there. Willis M. Green, a grading contractor from Novato, has a 1,200 strip on the point. He uses it for two biplanes.

G. G. Hand, district airport engineer for the FAA, told the board of the cancellation yesterday.



ARTHUR W. SMITH
Back in well-warmed chair

Art Smith Once Again Mayor Of San Anselmo

Veteran City Councilman Arthur W. Smith is back in an old familiar post — mayor of San Anselmo for the next 12 months.

He was elected unanimously last night, under a system of annually rotating the mayor's post. Woodrow V. Capurro was elected vice mayor.

Smith, on the city council for 20 years, eight of them as mayor, is mayor again for the third time.

"I appreciate the honor of being mayor for the coming term," said Smith. He complimented Mayor John M. Reichmuth for an "excellent job" of presiding during the past 12 months.

Smith will take over the gavel at the next meeting, set for 8 p.m. next Tuesday, when the city council meets with the Sleepy Hollow Fire District officials to discuss Sleepy Hollow's share of paying for fire protection for the 1963-64 fiscal year.

This year the average U.S. consumer will use only 19 per cent of his earnings to buy food, a record low.

Windows Are Broken At MacPhail School

Vandals broke windows and caused $150 damage at MacPhail School in Santa Venetia, Principal Anne Philbert reported to the sheriff yesterday.

Three windows were broken and one pried open in the faculty room. Books had been scattered but nothing of value appears to be missing.

Marin Real Estate Board Gets Salute During National Week

This is National Realtor Week and we salute the **Marin County Real Estate Board** which was started in 1920 with **Thomas Minto** as its first president. It was reorganized in 1934 and at that time had about 25 members. Today it has a roster of more than 800 realtors, salesmen and associate members, and is recognized as one of the finest boards in the state. Last year it also received an award for its "high consistency in cooperative sales" on multiple listing service.

The term "realtor" as distinguished from "real estate broker" is defined by Marin board president **Paul Crowley** as one who "is pledged to follow a strict code of ethics that is enforced through the local board of the National Assn. of Real Estate Boards of which he is a member. The primary obligation of the realtor under this code is to keep the interests of both buyer and the seller uppermost in his mind during a transaction."

NOW with York and Co., investment securities firm, at its San Rafael office under resident manager **Jess J. France Jr.**, are **George E. Croke** of Fairfax and **Avery McClurg** of San Rafael. Both have been undergoing a concentrated training program at York's main offices in San Francisco.

MOVES from Fourth Street offices above **Crocker-Anglo National Bank** in San Rafael: **Fred C. Robbins** has taken his collection agency business to 1005 A Street where he'll be on the same floor as his attorney son, Fred Jr.

Certified public accountants **Dalton, Graupner and Barber** will relocate in California Pacific Title Co's. new building at Mission and Nye streets about Aug. 1.

Tenant moves from the building are resulting from Crocker-Anglo's plans to tear it down this fall and put up a new one.

A NEW SET of officers for 1963-64 has been elected by the Marin County unit of **Independent Garage Owners**, according to executvie secretary **C. F. Pendleton. Joseph Rossi** of Duffy Brothers Auto Service will be president; **Emil Lauchenauer** of Locke Brothers Garage, first vice president; **Aldo Barsotti** of Barsotti's Body and Fender Service, second vice president; **Tom Parks** of Parks Auto Electric, secretary-treasurer.

Directors named for the year are: **Thomas O'Toole**, Milani's Garage; **James Walker**, Marin Wheel Alignment and Brake Service; **William Duff**, Marin Radiator and Muffler Service and past president **John (Red) Dillman**. Installation will take place June 2 at a membership picnic at McNear's Beach.

MARIN COUNTY insurance agent **Fred A. Banducci** was scheduled to address the Insurance Agents Assn. of Orange County today at Orange Coast College, Santa Ana as part of the group's first "Insurance Day" program. His subject was on forms and systems used in agencies.

ABCD ADVERTISING of Sausalito has been appointed to direct the new **San Rafael Federal Savings and Loan Assn.** opening promotion in July when the association moves into its headquarters at 874 Fourth Street, San Rafael.

Promotional Groups Must Submit Paper

All promotional groups desiring to be included in the Marin County budget for financial support next year must submit within 30 days statements of willingness to contract and report on what they are doing to help the county, by terms of a resolution passed by county supervisors yesterday.

This followed recommendation by Administrator Alan Bruce, who said he had felt for some time that the promotion budget needed some such protection. Twenty-two organizations have asked for various sums in the 1963-64 budget on the theory that they help advertise Marin county.

Bruce quoted a proposal for contractual arrangements sent in by Fred F. Enemark as president of the San Rafael Chamber of Commerce, including the idea of quarterly reports.

Someone Cares For Belvedere Council

At least one Belvedere resident believes that the working conditions of the Belvedere City Council ought to be improved, with fringe benefits for the audience.

In a letter to the council at Monday night's meeting, Neville J. Rich recommended:

1. Improving public participation through a public address system (maybe the nonused tape recorder could be turned in, he suggested).

2. A table so the whole council could face the audience.

3. A part-time stenographer to relieve the city manager of taking minutes.

4. Posting maps when an area is discussed.

5. Posting minutes and a condensed financial statement.

Obviously pleased that someone cared, the council voted to acquire a new council table.

Oil-Eating Animals

NEW YORK (AP) — Believe it or not, oil scientists have found a way to obtain edible proteins and vitamins from certain petroleum compounds. The American Petroleum Institute said the aim of the process is to develop low-cost food supplements for animals.

Sixty-four per cent of all employed persons reported using a private automobile or car pool as their means of transportation to work, in the 1960 4census.

PLANNED PARENTHOOD— Mrs. George E. Gillespie Jr., chairman of the Affiliates Committee of the Planned Parenthood Federation of America, will speak to members of the Marin County Planned Parenthood Assn. at a meeting at 10 a.m. tomorrow at 18 Mary Street, San Rafael.

Hong Kong means "fragrant harbor" in Chinese.

Eight College Students Announce Candidacy

Eight College of Marin students have announced candidacy for fall 1963 student body offices, John Gillin, college student government adviser, said today.

"We expect a number of other nominating petitions to come in soon," added Gillin. Among those expected, he said, are the petitions of David Campbell of Inverness, who has announced verbally his candidacy for student body president, and Paul Molinari of San Anselmo, for vice president.

The student election will be held May 20 and 21.

Candidates submitting petitions for public relations commissioner are: David Lehman, 108 Willow Ave, Corte Madera; Michael Thiercof, 15 Chanticleer Road, Larkspur, and Bill Zimmer, 37 Filbert Road, Sausalito. Other candidates are: Danial A. Collins Jr., 700 Summit Avenue, Mill Valley, for rally commissioner; Edward L. Hodges, 729 Sir Francis Drake, Kentfield, for treasurer, and Marilyn Heller of 301 Ross Drive, Mill Valley; Kathy Bohanna, 30 Terrace Avenue, San Anselmo, and Bill Bagge, 315 Margarita Drive, San Rafael, for cheer leader team.

At Garden Society

Dr. Frederick W. Coe of Ross, an authority on rhododendrons since his medical school days, will speak and show slides at the Garden Society of Marin meeting May 17 at 8 p.m. in the chemistry room of College of Marin. Mrs. Walter Andersen, president, said guests are welcome to attend.

Bike, Car Hit; Boy Is Injured

An 11-year-old boy was injured about 6:35 p.m. Monday when his bicycle collided with a car at a crossing in Kentfield.

Robert Smallman of 35 Idlewood Road was treated at Marin General Hospital for head and hand scratches.

California highway patrolmen said the bike, going south on Ridgewood Avenue, collided with the car of Edward S. Vest, 55, of 423 Woodland Road, Kentfield, westbound on Woodland Avenue.

Could 1963 Be Start Of The Finish For Willie Mays?

It may be nasty to think, and frightening to hint, that Willie Mays, the high-salaried S. F. Giant centerfielder, is slowing up. But there is whispering, serious too, that the great little guy who runs with his hips and acts like a ballet dancer in the outfield has so many financial problems on his hands, and other matters, that make him a marked man for his only ordinary season in 13 years as a big leaguer.

After 33 games in which he has been hitting around .250, those who seem to be his greatest admirers are beginning to slacken up. Yep, they're wondering whether this season could be the beginning of the end for the Say Hey Kid.

Mays has been in slumps before but always he would intersperse those batting letdowns with a few homeruns and lose some hard hit balls that were snatched by opposing players. But in 1963 Willie just "ain't" being robbed at all. He looks bad, acts bad and their doesn't seem to be anything the Giants can do about it, unless remove him from the lineup.

Giant friends of Mays shrug off the extended slump by saying, "Oh, don't worry. Willie will be okay. He's a banana hitter—gets 'em in bunches. Before long he'll be dropping in those basehits and be up there with the leaders."

That has been the history of batting slumps of Mays in the past but the "KNOW BOYS," like the scouts and coaches, take a dim view at this kind of thinking.

The BULLPEN

With JOHN J. CONNOLLY

Leo Durocher, Dodger coach, in a recent article in the Saturday Evening Post discussed Mays at length. And one observation "Lippy" made was "he got the most out of Mays because he pampered him a lot."

From the way Mays is batting one has to wonder if Manager Alvin Dark is kicking him in the pants.

When all time greats are mentioned, Alvin Dark never hesitates to name Willie as the "greatest of the great." And I would wager anything that Manager Dark, if asked today the same question, who he thinks is the "greatest of the great," would still unhesitatingly name Willie.

Tom Sheehan, chief scout master for the Giants, scoffs at the mention of Mays heading for the last round-up.

"Mays is temporarily not timing the ball properly but he's the kind of hitter nobody can help," says Tom. "He just has to snap out of his batting slump by himself."

Sheehan incidentally is looking for Mays to wake up at the plate any day now.

"The guy can't miss and hasn't for the last 13 years, but his slump hasn't helped other good hitters on the club either," Tom explains. "They think if Mays can't hit, then they shouldn't be blamed, so he does have a negative effect on the club."

Jack Sanford's pitching last night against the Pirates was a tonic for Giant brass. He pitched according to his 1962 schedule which prescribed that he pitch as hard as he could for as long as he could. Jack did that in the face of a small gale. When he's that good under trying circumstances, the Giants feel his work has to be the equal of any righthander in the circuit.

Tomorrow the NY Mets and the illustrious Casey Stengel clamor into Candlestick Park for three games, leaving Sunday to make room for a double header with the Phils.

It might just be that the Mets will snap Willie Mays out of his batting slump and when Willie "goes to town" he always seems to carry the rest of the club with him.

Marin Loses Double Bill

College of Marin's Tars dropped a doubleheader yesterday to powerful Santa Rosa, 14-4 and 7-1, on the Bear Cubs' diamond.

The twin losses dropped the Mariners out of contention for the Golden Valley Conference title. Marin's record is now four wins and six losses in GVC action.

In the first game yesterday, Tar starting hurler Ken Becker went three and one-third innings and gave up nine runs before being relieved. He was charged with the loss.

Bright spot for the Tars in the opening game was a three-run homer off the big gat of Jim Lucas in the fourth inning. But the score was already 9-0 and the home run was just not enough as the Bear Cubs scored five more times.

Santa Rosa collected a total of 13 hits and were helped by four Tar errors.

SECOND GAME

In the second game, nine Mariners struck out and they committed four errors in the seven-inning affair. Big blow for College of Marin was a double by Ron Sterling. The Tars scored their lone run when Jerry Smith was hit by a pitch, stole second, advanced to third on a past ball, and rambled home on another past ball.

The Mariners collected only three hits in the nightcap and Dave Perlis (2-2) suffered the loss.

Tar coach Ed Grimm today credited the team for going all out, even though hampered by not having a diamond of their own because of the replacing work now going on at the old baseball field at the college.

"This has been the best group of boys Marin College has had in my five years here," Grimm said.

The Mariners close out the 1963 season Saturday with a doubleheader in Napa. The Golden Valley Conference could end up with a three-way tie for the championship. Siskiyou (8-3) will take on Santa Rosa (9-2) tomorrow and Shasta (8-3) was to play Yuba today.

Balk Rule Amended

NEW YORK (AP) — The tick of the clock controversy that had brought about such a monumental rhubarb in major league baseball this season has been settled.

Baseball's rules committee, acting on the suggestion of Commissioner Ford Frick and the two league presidents, officially deleted the one-second aspect from the balk rule by unanimous vote yesterday.

National League umpires went on a balk-calling binge this season, playing it strictly by the book. Before the rule was amended, it read that a pitcher must stop in his set position for one full second when anyone was on base. The penalty — advance of runners on base.

American League umpires required the full stop, but did not enforce the time element.

By a week ago, 96 balks had been charged in the National —20 over the old full season record for one league — and only eight in the American. In one N.L. game, five were called against Bob Shaw of Milwaukee, and twice seven were called in a game.

Frick then declared a moratorium on the one-second phrase, and turned the matter over to the rules committee. Chairman Charles Segar, also secretary of baseball, polled the members by telegram, rather than wait until the next formal meeting in December.

In effect, the rule reverts to the wording prior to 1950, which was that a pitcher must stop but the length of time does not matter.

The change affects all teams using official rules, which includes all professional clubs.

Redwood Shares Track Title

Redwood High School won its first varsity dual track title in the Marin Athletic League yesterday with its sixth straight victory, 93-19, over Terra Linda High.

The win closed out the Redwood season with a 6-0 record in league action, giving Redwood its first track title in its six-year history.

"The boys worked hard to win this title and they truly deserved it," said Redwood track coach Tony Bailey. "It was a good group of boys that wanted to win."

Redwood won the MCAL meet last Saturday in both varsity and Class B divisions. Co-captains on the track squad are Randy Keller and Steve Solinsky.

In the Class B meet yesterday, Terra Linda won over Redwood 63-50 and the Giants of Redwood won the Class C competition in a close match, 39⅓ to 37⅔.

Varsity results:

Sanford Hits 100 Victory Milestone

Burley Jack Sanford reached the 100-victory milestone in his late starting major league career and snapped the losing string of the National League leading San Francisco Giants in the process.

Although needing relief in the ninth last night when Pittsburgh posed a rally, the righthander notched his sixth triumph of this campaign with a 3-1 victory just four days before his 34th birthday.

That shoved the Giants 1½ games ahead of second place St. Louis and dropped the Pirates 2½ off the pace.

"It's a nice thing to have," commented Sanford on win No. 100 that snapped the three-game loss string, "but I really didn't give it much thought.

"I always wanted to be a big leaguer and stay in the big leagues. I still do."

Sanford broke into organized baseball in 1948 but didn't appear in a major league game until late in 1956 when he won his first game beating the Cubs 4-1.

The next campaign he won Rookie-of-The-Year honors with a 19-8 record. After a 10-13 performance the following year the Phils traded him to San Francisco for pitcher Ruben Gomez and catcher Valmy Thomas who have disappeared from the majors.

"I was just a thrower then," says the hurler who tried to blaze his fast ball past the hitters. "Last year I started really pitching. I have an idea now where I want to throw the ball. A big difference is that I can get the curve over."

Sanford also gives due credit to the Giant bullpen. Relief pitchers gave him lots of help in 1962 and the same was true last night.

In the ninth, with one down, Bill Virdon singled, only the third Pirate hit. When Sanford threw two balls to Bob Skinner, Manager Alvin Dark brought in Lefty Billy Pierce. Skinner singled. Then right-hander Bob Bolin retired Donn Clendenon and Roberto Clemente on infield grounders.

Sanford had to work without his favorite receiver, Tom Haller. After being called out on strikes to end the second inning, Haller complained so bitterly that umpire Ken Burkhart ejected him.

Rookie Willie Stargell and Bill Mazeroski singled in the second inning to score the Pittsburgh run.

The Giants scored two in the fourth on a walk to Willie Mays, singles by Willie McCovey and Orlando Cepeda, a throwing error by right fielder Roberto Clemente and Joe Amalfitano's sacrifice fly.

Another Giant run came across in the eighth after Harvey Haddix replaced Bob Friend, who had limited San Francisco to four hits.

Sanford had concentrated on his fast ball against the Pirates who put five left-handed hitters into the batting order trying to take advantage of the Candlestick wind which whips balls to left field.

"One mistake and the ball's over the fence," Big Jack commented.

Today the clubs met again with lefty Billy O'Dell seeking his fifth triumph without defeat this campaign against Pittsburgh's Don Cardwell who has posted only a 1-4 mark.

N. L. ROUNDUP

Spahnie Notches His 5th Victory

By U.P. INTERNATIONAL

That new contract looks mighty good to Milwaukee manager Bobby Bragan, but old Warren Spahn looks even better to him.

Bragan was signed through the 1964 season shortly before last night's game with the St. Louis Cardinals and what should have been a festive occasion nearly turned into a nightmare.

Stan (The Man) Musial threw a damper on the proceedings with a wicked second inning liner that struck Spahn in the pit of the stomach and knocked him to the ground.

Acting instinctively, the 42-year-old Milwaukee southpaw groped for the ball, came up with it and threw out Musial but then fell back on the ground.

The game was delayed for several minutes before Spahn finally got up and went on to pitch the Braves to a 4-3 victory that snapped their three-game losing streak.

Spahn was touched for 11 hits, including a homer by Julian Javier, but he was in front from the third inning on and personally singled home what proved to be the winning run in the seventh off loser Bob Gibson.

FIFTH WIN

The victory was Spahn's fifth in seven decisions and put him well ahead of the time-table he has set for himself for his 13th 20-game season.

The San Francisco Giants lengthened their National League lead to 1½ games with a 3-1 victory over the Pittsburgh Pirates, the Houston Colts shaded the New York Mets, 4-3, for their sixth straight, the Philadelphia Phillies downed the Los Angeles Dodgers, 5-1, and the Chicago Cubs ended a four-game losing streak with a 2-1 win over the Cincinnati Reds.

Dick Farrell survived a two-run ninth inning rally by the Mets to post his fourth victory for the Colts and help them equal their longest winning streak in history. Farrell allowed five hits while striking out eight. Rookie John Bateman hit his third homer of the year off loser Carl Willey and Johnny Temple collected four of the Colts' nine hits.

FIRST WIN

Cal McLish stopped the Dodgers on five hits in gaining his first victory of the season for the Phillies. The 37-year-old McLish, who helped his own cause with two doubles, had beaten the Dodgers only once before in his career. Wes Covington started Don Drysdale on the way to his fourth defeat with his eighth homer in the first inning. Drysdale had beaten the Phillies 13 straight times dating back to 1958.

Ken Hubbs' two-run homer off Joe Nuxhall in the eighth inning gave the Cubs their winning margin over the Reds. Cincinnati right-fielder Ken Walters dropped Ken Aspromonte's fly ball for a two base error before Hubbs belted his homer. Dick Ellsworth, credited with his fourth victory in six decisions, held the Reds to five hits before bowing out in the ninth in favor of Lindy McDaniel, who gave up one more.

Larkspur Star Making A Strong Comeback In Pro Minor League

Larkspur's Ron Blum, who couldn't make the grade in the Pittsburgh Pirates' farm system and was given his release last year, is making long strides in his attempted comeback in pro ball this season.

Blum, picked up by the Chicago Cubs, is hitting up a storm with the St. Cloud, Minn., Cubs of the Class A Northern League. Thus far the young infielder, a product of Marin Catholic High, has 9 hits, including a home run, in 21 at bats for a .429 average.

RON BLUM

Reports on four other Marinites in pro ball also have come drifting in this week.

Vince Pallavacini of San Anselmo, outfielder for the Thomasville, Ga. Tigers of the Class A Georgia-Florida League, has a double and single in his first four times at bat for a .500 average.

Doug Wilson, a Larkspur neighbor of Blum's, in his second season as outfielder with the Fresno Giants of the California League, is batting .222 on the season. His figures include 45 at bats, 7 runs scored on 10 hits, including a double and 3 triples, for 7 runs batted in.

San Anselmo's Neil Austinson, outfielder with the Decatur, Ill. Giants of the Midwest League, hit two singles and a home run in his first 15 at-bats this season for a .200 figure.

Pitcher Ron Cole of Mill Valley has a 1-1 won-lost record with the Modesto Colts of the California League. In 13 innings on the mound Cole has given up 13 hits and 7 walks, struck out 6 and has a 6.23 earned run average.

These are just early reports. We'll try to keep you up on our pros' progress as the season progresses.

NEXT MONTH Amador High School's new football stadium in Pleasanton will be dedicated "Patterson Field," in honor of George "Pat" Patterson, father of Greenbrae's Chet Patterson, well-known Meadow Club golfer.

The senior Patterson was for nearly 30 years known as Pleasanton's "Mr. Football" as coach of Amador teams.

FORMER TAM High swim star Gary Dahl was voted University of Oregon's most valuable swimmer in this, his senior season. Gary, a backstroke and freestyle star, plans to enter medical school next fall.

IF THE Fishin' Fool will pardon our intrusion into his specialty, we'd like to report that the generous Department of Fish and Game is scheduled to plant more catchable-sized Rainbow trout in Marin Municipal Water District lakes Phoenix, Lagunitas and Bon Tempe and also Rodeo Lagoon in southern Marin this week.

ON THE subject of fish, Nicasio Lake is an ideal place to take youngsters on their first fishing outing. Nicasio is loaded to the gills with blue gills and the kids are a virtual cinch to experience the thrill of reeling in a prize catch.

Also the possibility of hauling in a lunker trout.

CLYDE DEVINE, diving coach at Stanford, will be the guest speaker at the Tam High swimming squad's awards banquet Tuesday, June 4 at the Episcopal Church in Mill Valley.

Drake Clinches Tie For Marin Pennant

Lon Gallagher's two-run home run in the fifth inning provided the winning margin yesterday as the Drake Pirates shaded Marin Catholic 3-2 in their steady march toward the Marin Athletic League championship.

Drake, 9-1, thus clinched at least a tie for the title and needs just one more win in its remaining two games for the undisputed pennant.

Gallagher's fifth inning shot came after Hamish Tyler walked to break up a 1-1 ball game and put the Pirates into a 3-1 advantage, just enough to offset Marin Catholic's seventh inning rally that netted a run.

Marin took a 1-0 lead in the first inning on an error, but Drake retaliated in the top of the third when Mike Crabtree and Terry Tadlock singled, Larry Gerughty walked to load the bases and Crabtree scored on a fielder's choice off the bat of Hamish Tyler.

After Gallagher's fifth inning homer made it a 3-1 game, Marin stirred a fuss in the bottom of the seventh when Marin hurler Dave Beswick drove in a run with his third hit of the game, but Drake's hurler Charles Simontacchi rose to the occasion to retire the side and preserve his precious victory.

The line score:

Drake	001	020	0	3	5	1
Marin Catholic	100	000	1	2	6	1

Simontacchi and Hannigan; Beswick and Abbalio.

Terra Linda Shades Novato On Homer

Terra Linda's Trojans took full advantage of only three hits to post a 3-2 victory over Novato's Hornets yesterday at Novato in a Marin Athletic League contest.

Big blast for the third-place Trojans was a fourth inning, two-run homer by catcher Mike Congdon that made the big difference. Congdon's homer came after Mike Telegin walked.

Walks provided Terra Linda's first run in the first inning when Novato's Jim Mair walked the bases loaded and Paul Meuse scored on a passed ball.

Congdon's homer made it 3-0 in the top of the fourth, but the Hornets came back with solo tallies in the fourth and fifth frames only to have the door slammed in their faces by lefty Bill (No-Hit) Lee.

Bob Paris and Jerry Howarth each had two singles for the losers.

The line score:

Bob Paris and Jerry Howarth each had two singles for the losers.

Terra Linda	100	200	0	3	3	2
Novato	000	110	0	2	5	0

Lee and Congdon; Mair and Rowell.

13 Walks: Redwood Breezes Over Tam

Redwood's Giants kept their championship hopes alive yesterday by literally walking to a 14-1 victory over the Tamalpais Indians at Tam.

If Redwood wins its next two games and Drake loses two, the Giants would tie the Pirates for the Marin Athletic League pennant.

Tam's young hurlers made it easy for the Giants yesterday by walking 13 batters. Those, coupled with five errors, gave Redwood an open door to the scoring column.

Jack Baglietto drove home three runs with a pair of singles, Ray Maher had two singles and one RBI and Steve Minutoli drove home a run with a double to feature Redwood's attack.

Tam's lone run came on a homer by Fred Mack, a 380-foot shot.

The line score:

Redwood	306	301	1—14 8 0
Tamalpais	010	000	0— 1 4 5

Davi, Poole (5) and Maher; Daniels, Gilliam (3) and Long, Porsch (6).

Redwood Baseball Tournament Openers Set

First round pairings for the first annual Redwood Invitational High School Baseball Tournament were announced yesterday by Director Al Endriss.

The eight teams will play four games on Friday, May 30 and six games on Saturday, June 1, all action at Albert Park in San Rafael.

The May 30 opening round will be:

2 p.m.—Winner of Coast Counties League (still to be decided) vs. San Leandro of the Alameda County Athletic League;

4 p.m.—St. Elizabeth's, Catholic League, vs. Pacific of the ACAL;

6 p.m.—College Park, Diablo Valley League, vs. Hogan of Vallejo, North Bay League champion;

8 p.m. — San Jose vs. Redwood, Marin League.

The tournament will continue Saturday, June 1 with games scheduled for 10 a.m., 12 noon, 2, 4, 6 and 8 p.m. The latter contest will be for the championship.

Admission is $1 for adults and 50 cents for students and children.

Endriss, coach at the host Redwood High School, said it is hoped the tournament in future years will become a Tournament of Champions, patterned after the basketball T of C in Berkeley.

Terra Linda Golf Team Triumphs

Terra Linda's golf team yesterday downed the Drake High School linksters 4-2.

Terra Linda winners were Fritz Porter, medalist with a 39; Doug Ferguson, Curt Rutter and Chuck Bangert. Drake winners were Gordy Nelson and Phil Baiocchi.

Bobo Olson Gets Unanimous Nod

HONOLULU (UPI)—Carl (Bobo) Olson of Hawaii scored a unanimous 10-round decision over Jesse Bowdry of Chicago last night in the main event at Civic Auditorium.

Both fighters weighed 178 pounds and provided the 1,140 fans with a fast and furious bout all the way. There were no knockdowns.

Grace DeBaun, Ralph Haymart Roll Week's Top Marks At Nave Lanes

Grace DeBaun of the Alley Kats League took the spotlight in the week's league action at Nave Lanes as she topped all bowlers (even the men) with a 245 game on her way to a 558 series.

Both scores topped the women's action at Nave's. In the same league Evelyn Bemoll fired a 543 series and 223 game and Joyce Littler rolled a 540 series and 199 line.

High series for the men went to Ralph Haymart of the Friday Nite Leftovers League, a consistent 613 (203, 203, 207). High individual game went to Sam Butler who rolled a 230 line in the 810 Scratch League.

Frank Perachiotti topped the junior keglers with a 772 four-game set which included games of 213, 203 and 187. The Gold Coast qualifiers for the week were Feltcher Bates with a 675, including handicap, in the upper division and Ken Marks with a 676 in the lower division.

160 Expected To Compete In Marin Golf Tournament

One hundred and sixty golfers in 80 two-man best ball teams are expected to compete in the second annual Marin Golf Club invitational tournament Friday and Saturday, Chairman Bill Weeks estimated today.

The defending champions are Jack Blaine and Elmer Johnson.

A special hole-in-one competition will offer winners expenses-paid trips to Reno and Lake Tahoe.

Indiana Pair Lead Women's Doubles

MEMPHIS (AP) — The first significant change in standings in two weeks at the Women's International Bowling Congress Tournament came last night when Ruby Williams and Bernice Hotchkins of Gary, Ind., bowled a 1,062 for the division 2 doubles lead.

The pair dislodged Martha Frutel and Marie Farhet of St. Paul, Minn., who dropped to second place with their 1,058 rolled May 1. Mrs. Williams posted 570 and her partner 492.

TEEN PARTY BUFFET loaded with unusual treats, is a neasy way to entertain your party-minded youngsters with an adult flair. Pink Haze punch, tricky sandwiches, Molasses Party Brownies and Banana-Chocolate Smoooothie parfaits will earn admiration from the whole gang.

Take Teen-Age Entertaining In Stride

"Hey Mom, I've asked the gang over here tomorrow night—OK?"

Don't panic when your teen-ager blithely makes such a last-minute announcement. It's really a compliment and shows that your child has confidence in your ability to cope with any domestic situation.

And you will be hearing it more as the school year ends and the round of graduation open-houses, after-the-prom and welcome-home-from-school parties begins.

You naturally want to do your offspring proud. But beware of ultra-fancy food or fix-in's. Today's youngsters are informal and like things to sip and nibble at parties. They certainly don't expect the mounds of food that dad's poker cronies like—or the show-off culinary masterpieces you serve your women friends.

An important point to keep in mind is that all teen-agers want to be considered adults.

A candlelight buffet is an adult touch that the kids will appreciate. Center it with a frosty bowl of Pink Haze Punch. And flank the bowl with plates of tricky (but easy to make) sandwiches and canapes with unusual spreads such as Date-Nut Cheese or Cherry Butter.

It's a rare teen-ager who doesn't have a sweet tooth, so cater to that craving by whipping up a batch or two of Molasses Party Brownies. They're simple to make and delightfully different.

FOR A MORE exotic sweet, try Banana Chocolate Smoothie and serve it in adult style in parfait glasses.

A make-it-yourself sundae-soda bar is fun and it's easy on the hostess. Put out several flavors of ice cream, along with soda water, toppings and syrups, and the young people will take it from there. Make up some unusual syrups such as PRETZEL CRUNCH and FRUIT GOOP from the cane, corn or maple syrup you have on hand. You might shudder at the concoctions the kids make up, but they will love the whole idea. TAFFY SHAKES will be a real hit.

And if your nerves are frayed when the party's over, warm some milk and flavor it with one of the syrups you made up for the ice cream bar. You and Dad will find it relaxing and sleep-inducing . . . and delicious to boot.

MOLASSES PARTY BROWNIES

- 1 can (15 oz.) sweetened condensed milk
- 2 cups graham cracker crumbs
- ½ teaspoon salt
- 1 teaspoon vanilla
- ¼ cup light molasses
- 1 cup chopped nuts

Powdered sugar for dusting

Combine and mix all ingredients in order given, and spread in greased, waxed paper-lined 8-inch square baking pan. Bake at 350 degrees for 30 minutes. Turn out on cooling rack and remove waxed paper at once. Cut in squares and dust with powdered sugar while warm. Yield: 25 brownies.

PINK HAZE PUNCH

- 2 cups cranberry juice
- 2 cups light corn syrup
- 2 cups grapefruit or pineapple juice
- 1 quart chilled ginger ale

Ice block or cubes for punch bowl

Combine juices and syrup and stir well. Chill. When ready to serve, pour over ice in punch bowl and add chilled ginger ale. Yield: 16 servings.

BANANA CHOCOLATE SMOOOOTHIE

- 1 cup marshmallows
- ½ cup maple or maple-flavored syrup
- 1 cup mashed bananas (approx. 2 large ripe)
- 1 teaspoon vanilla
- ½ teaspoon salt
- ½ pint whipping cream
- 1 cup chocolate fudge sauce

Combine marshmallows and syrup in double boiler. Cook until marshmallows are melted, stirring often. Cool. Add mashed bananas, vanilla and salt. Whip the cream (save some for toppings). Fold banana mixture into whipped cream, and place in freezing tray. Freeze until firm (about three hours). When ready to serve, combine frozen banana cream with fudge sauce in alternate layers in parfait glasses. Top each with a generous portion of whipped cream, banana slice and maraschino cherry. Yield: 4 to 6 parfaits.

SANDWICH SPREADS

Ideal for open-faced sandwiches, and for making pinwheel, checkerboard or ribbon sandwiches.

Date-Nut Cheese Spread

- 2 3-ounce packages cream cheese
- 3 tablespoons dark corn syrup
- ½ cup finely chopped dates
- ¼ cup finely chopped nuts

Have cheese at room temperature, then cream or whip with syrup until smooth. Blend in nuts and dates. Add a little more syrup if needed for good spreading consistency. Super with fruit punch!

Cherry Butter

- ¼ pound butter or margarine
- 1 tablespoon light corn syrup
- ½ cup chopped maraschino cherries (well drained)

Have butter or margarine at room temperature. Cream, and then blend in syrup and cherries. Colorful and different!

SUNDAE-SODA BAR IDEAS

TAFFY SHAKE:

Combine 1 cup milk, 1 scoop ice cream and 2 tablespoons molasses and beat or whip until smooth. (Calorie watchers can substitute ½ teaspoon vanilla for ice cream.) You'll love it!

PRETZEL CRUNCH:

Add ¾ cup coarse pretzel crumbs to 1 cup cane, corn or maple syrup. Delicious!

FRUIT GOOP:

Add ¾ cup mashed peaches or strawberries to 1 cup cane or corn syrup. Toothsome!

ICE CREAM TOPPERS:

Whipped Cream
Broken or chopped nuts
Chopped candied fruit
Chocolate shots
Toasted shredded coconut
Maraschino cherries

Luxurious Tidbit Adds Party Glamor

This luxurious tidbit will add glamor to your party spread.

Baked Ham — Potato Puff
Party Mushrooms — Salad Bowl
Hot Biscuits
Ice Cream with Strawberry Sauce

PARTY MUSHROOMS

- 3 cans (6 ounces each) mushroom crowns
- ¼ teaspoon salt
- 2 tablespoons sugar
- 3 tablespoons olive oil
- ⅓ cup cider vinegar

Turn mushrooms into a strainer over a bowl to drain thoroughly. Into a wide shallow container, put the salt, sugar, oil, vinegar and 2 tablespoons of the mushroom liquid; stir until sugar dissolves. Add drained mushrooms. Cover tightly and refrigerate for 6 hours or overnight, turning mushrooms once or twice in the marinade. If oil solidifies, allow to come to room temperature before serving; drain slightly. Makes 12 to 16 servings as a relish.

Casserole Features Duo-Cheese Topping

Take a well-seasoned, nutrition-packed cream sauce; combine it with tuna, mushrooms and versatile macaroni; top with not one but two kinds of grated cheese, and the result will be this main dish casserole that is likely to become a "family-asked-for" and oft-to-be repeated recipe. The cream sauce is made with smooth, blendable, pantry-shelf-handy evaporated milk. Its flavor-harmony will bring about paens of praise for the cook.

- 1 package (8 ounces) elbow macaroni
- 4 tablespoons (½ stick) butter
- 1 4-ounce can mushroom stems and pieces
- 1 tablespoon dried minced onion
- 4 tablespoons flour
- Liquid drained from mushrooms plus water to make 1½ cups
- 1 tall can (13½ ounces) evaporated milk
- ½ teaspoon salt
- Dash of pepper
- 1 tablespoon prepared mustard
- 2 tablespoons chopped pimiento
- 1 cup (7 ounces) tuna, drained
- ⅓ cup grated Parmesan cheese
- ½ cup shredded sharp Cheddar cheese
- Paprika

Cook macaroni according to instructions on package. Drain and rinse well. Melt butter; add mushrooms and onion to butter and cook gently about 5 to 7 minutes. Remove from heat and blend in flour. Gradually stir in liquids, keeping mixture smooth. Return to heat and cook, stirring constantly, until mixture is thickened, about 10 minutes. Stir in salt, pepper, mustard, chopped pimiento and tuna broken into pieces.

Turn macaroni into a well buttered 2 quart casserole. Pour tuna mixture over macaroni and mix lightly with a fork. Sprinkle with cheeses and paprika. Bake in preheated moderate, 350 degree, oven until mixture is bubbly and lightly browned on top, about 20 minutes. Makes 6 servings.

Strawberry Fluff Dessert Excellent With Casual Meal

A pleasant dessert to serve when you are having a casual meal.

Steak Sandwiches — Relishes
Giant Salad Bowl
Phyl's Strawberry Fluff
Beverage

PHYL'S STRAWBERRY FLUFF

- 1 envelope unflavored gelatin
- ¼ cup cold water
- ½ cup boiling water
- 1 cup plus 1 tablespoon sugar
- ¼ teaspoon salt
- 2 packages (10 ounce each) frozen sliced strawberries (thawed)
- 1 tablespoon lemon juice
- ⅓ cup undiluted evaporated milk (whipped)
- 2 egg whites

Sprinkle gelatin over cold water to soften; add hot water and stir to dissolve. Add 1 cup sugar, 1 package of the strawberries and the lemon juice; stir to dissolve sugar; chill until it begins to thicken; beat until foamy and strawberry slices are broken up; fold in whipped evaporated milk. Beat egg whites until stiff, gradually adding the remaining 1 tablespoon sugar; fold into strawberry mixture. Turn into dessert glasses or dishes; chill. Top with remaining packages of strawberries. Makes six servings.

Cabbage Time

Green cabbage quarters and medium-sized pared potatoes and carrots need to be added to corned beef only about half an hour before the meat is cooked through and tender.

Use Glasses

If you are a sometimes-glasses wearer, be sure to put them on when you are doing such kitchen jobs as picking the cartilage out of crabmeat or picking over dried beans or wild rice.

MADE SMOOTH and creamy with readily-blendable "evap" this Tune-Macaroni Casserole is topped with a duet of flavor-harmony, sharp Cheddar and Parmesan Cheese.

Camp Fire Presents Highest Awards

The Luther Halsey Gublick pin, the highest of the Camp Fire Girl awards, was presented to Mrs. Gail Adams of Larkspur Monday night at the annual membership meeting of the Marin Section of the Golden Gate Council of Camp Fire Girls held at Christ Presbyterian Church in Terra Linda.

The citation read, "For your years of service to the Camp Fire Girls of Marin County as a leader, resource person and devoted worker. The success of our program is directly related to the contributions made by you, one of the important people in our program."

RECEIVING CAMP FIRE'S highest award—the Luther Halsey Gublick pin—at Monday night's annual meeting of the Golden Gate Council of Camp Fire Girls at Christ Presbyterian Church in Terra Linda is Mrs. Gail Adams of Larkspur, center. Making the presentation was Paul Kent, retiring chairman and Mrs. George Pelmear, Marin section chairman. (Ken Reichard photo)

MRS. ADAMS has been in Camp Fire work since 1953. She was a leader until 1960, then handled council training, did public relations, was leader for District II, a volunteer clerk and office assistant and board secretary. She has served as annual meeting chairman, workshop trainer, basic training leader and torchbearer-reviewer.

The silver Wakan service award went to Mrs. Ernest Kroner of Mill Valley who has been a leader for six years. She has also worked as district chairman, school coordinator, district program committee chairman and has spent eight years giving service to the council.

The same award also went to Mrs. Donald Anderson of San Rafael for her five years as a leader, three years as resource person for training, district program chairman and chairman of first Junior Hi and section programs.

DR. ARTHUR ABLIN of San Rafael, Mrs. Hume Kinkade of San Anselmo and Mrs. Kenneth Reichard of Corte Madera were awarded the Ernest Thompson Seton circle pin for continued council.

DR. ABLIN has been a board member since 1958, organized sustaining members in drive, kept office and grounds and participated in almost every basic training class for the past 6 years. Mrs. Kinkade has been nature and outdoors resource person since 1957 when she was a leader for the first time. She served on training committees for three years, on district and camping and day camp committees for two years and is now a member of the staff.

Mrs. Reichard was awarded for her dedicated work to the Camp Fire Girls for the past six year, having been a leader and also a board member. She contributed heavily to the success of various district programs through photographic publicity and was District II publictiy chairman. While she was aware beforehand of all other awards presented Monday night, hers was a complete surprise and consequently did not include material on herself.

DURING THE BUSINESS meeting conducted by Paul Kent, the following new section committee chairmen were elected: Mesdames George Pelmear, chairman; Harold Bright, vice chairman and Southern Marin district chairman; Gail Adams, secretary and program chairman; Margaret D. Greene, group organization; Ulrich Karrer, hospitality; George McKenna, Redwood District chairman; Willard Ivarson, adult membership; P. G. Cochrane, unit crusade; Roscoe Smith, mint chairman; R. L. Rhoads, Jr., unit crusade co-chairman; Henry Pierce, San Rafael District chairman; Donald Anderson, art and garden; Steve Hall, day camp and J. D. Childs, Novato District chairman.

MILDRED DUNSHEE was named public relations chairman, Judge Joseph Wilson was appointed legal advisor and Dr. Ablin is new house chairman.

Appointed to head the small craft committee is James Barnett; the training committee, Paul Dunn and on the members at large committee are Paul Kent, George Renworth, Stephen Burke and Ralph Giovanniello.

Following the meeting Mrs. Edward Zeller presented an original play "Mollie Whippee" starring Mrs. Harold Craig's Novato Camp Fire Girls. Mrs. W. F. Scovill's Junior High San Rafael group did the decorations and Mrs. Hume Kinkad's group from San Anselmo served.

Gamma Phi Alumnae Will Honor Mothers

Since May is traditionally the month for honoring mothers, the Gamma Phi Beta Alumnae of Marin are entertaining mothers of local Gamma Phi Beta girls at a luncheon at noon on May 21, at the Kent Woodlands home of Mrs. Allen Olinger Jr.

Included in the guest list are the Mesdames Lyman Emerson, George Girot, and R. D. St. Anselm's To Be Locale For Nuptials

Several pre-nuptial parties are being given for Glee Adele Liversage and Thomas J. Orovich Jr. They will be married Saturday at high noon at St. Anselm's Church with Rev. Donald Kelly officiating at the double ring ceremony. The reception, after the ceremony, will be at Fairfax Women's Club.

Glee, daughter of Mr. and Mrs. Nyle H. Liversage of San Anselmo, will be given in marriage by her father. Her attendants will be Mrs. Kenneth Cuneo of San Rafael, matron of honor, and Mrs. Richard Steinhart of San Rafael, bridesmaid.

George Schwarz of San Francisco will be best man and guests will be escorted to their pews by Keith Fraser of San Anselmo and Arthur Donati of Corte Madera.

The future bridegroom, who is with the engineering department of the City of San Rafael, is a University of California graduate. His parents, Mr. and Mrs. Thomas Orovich, and his grandmother, Mrs. Domina Orovich, reside in San Anselmo. The bride-elect attended University of Oregon.

Newlyweds Are Residing In Fairfield

Residing in Fairfield are Mr. and Mrs. Eugene Emerick who were married recently in the Redwood Presbyterian Church of Larkspur. The new Mrs. Emerick is the daughter of Mrs. Charles M. Neil of Mill Valley and William C. Briggs, Sr., of Pomona, Calif., and the sister of William Briggs, Jr., stationed in St. Louis, Mo.

Wearing a Cahill original short length wedding gown of white lace and satin, the bride was given in marriage by her father. The Rev. John Hamilton performed the 2 o'clock ceremony.

Mr. and Mrs. Frank Shea of southern California are the bride's grandparents.

The bridegroom is the son of Mrs. Paul London of Portland and is stationed with the U. S. Air Force at Fairfield.

MARIN'S SOCIAL WHIRL

Sister's Visit Inspires Duffy Family Reunions

By FLORENCE DONNELLY

The visit of Mrs. Ethel Duffy Turner in Marin County, where she was reared, has resulted in many family reunions. Mrs. Turner, who has written a number of books, now makes her home in Cuernavaca, Mexico. She is staying with her daughter, Mrs. Ray Lusk of San Anselmo and will remain there while the Lusks go on a vacation trip. Mrs. Turner is awaiting the arrival of her longtime friend, Mrs. Alma Reed of Mexico City.

Mrs. Turner's most recent book is about the Mexican revolution of 1910. I remember one of Mrs. Turner's first books, One Way Ticket. The setting was San Quentin prison in the days when convicts were brought to Greenbrae by train (on one-way tickets), then transported to the prison.

At one of the most recent family reunions were Mrs. Turner, her brothers, Clinton T. Duffy, former San Quentin warden, William Duffy of Woodland and Raymond Duffy of San Rafael and their wives, her sisters, Mrs. Ernest Zubler of San Quentin, Mrs. George Zang and Mrs. Edward Peters of San Rafael and her husband, Lt. Col. Peters, of San Rafael.

MRS. FRANK SCHROEDER, who has held many important posts in the California Federation of Women's Clubs, including the presidency of Golden Gate District, which includes San Francisco, San Mateo and Marin counties, is now president of Corte Madera Women's Improvement Club. She entertained members of her executive board at a luncheon at her Corte Madera home. Guests were Mesdames Clayton Drew, John Adlard, Thomas Zivic, Norman Richard, Nettie McLaren, George Johnson, Frank Wesel, H. W. Warne, Jack Mengel and George Entwistle.

NEW HILL HAVEN (Tiburon) residents are Mr. and Mrs. William Kaffer, formerly of Pasadena who have purchased the Thomas F. Shea home. The Kaffers are personable additions to the community. Mrs. Kaffer is a professional model and her husband is with IBM in San Francisco.

MR. AND MRS. FRANCIS F. SEITZ of Greenbrae, formerly of Mill Valley, have returned from a six-week trip to the Orient. They flew to the Philippines, Japan, Hong Kong and Bangkok.

MRS. LAWRENCE WEST of Hill Haven and her daughter, Barbara, returned recently from Mexico where they visited another daughter, Laurie West. Laurie was one of four students at the University of Pacific, Stockton, chosen to do student teaching at Collejo Americano in Torreon, Coahulla. Mrs. West and Barbara also went to Mexico City.

COL. AND MRS. JOHN A. PETERS of Little Reed Heights have had as their guests for several days, Mrs. Vernor Fitzgerald and Mrs. Donald Hinton of Seattle, Wash.

MR. AND MRS. JOHN A. SUTTER of Fairfax, who are making an extensive European tour, spending more time in the countries they did not visit during their European holiday in 1959, wrote me from Brussels. They fell in love with the city, and its people and their sidewalk cafes.

GEORGE O. SHOBOLA of Nigeria was a weekend guest at the home of Mr. and Mrs. Edward J. Neumeier of San Anselmo.

He is one of 15 museum curators from all over the world touring the United States on an exchange program sponsored by the U.S. Government and foreign governments. Later this month they will attend an international conference of museum curators in Seattle. Shogbola is senior antiquities assistant for the Nigerian Museum in Lagos.

Don Timoteo P-TA Leader Enjoys Cooking For Family

Cooking family dinners for her husband and sons or cooking with a foreign accent for guests is of special enjoyment to Mrs. Harold B. Newman, newly-elected president of the Don Timoteo School Parent-Teacher Assn. in Terra Linda.

Mrs. Newman joined the Don Timoteo P-TA two years ago and was hospitality chairman and vice president before assuming the office of president. Next year she will direct a fund-raising event to supply the school with materials for a scenic table and to buy books for the school library.

She and her husband have lived in the county for four years and have two sons, Michael and Steven. Besides cooking, Mrs. Newman is an ardent bridge fan and also bowls with a league.

MRS. HAROLD NEWMAN

Other officers installed with her were Joe Cooper, vice president; Dr. George Bogumill, treasurer; and Mesdames John Mathre, secretary; Graham Moore, historian, and Chris Finney, parliamentarian.

P-TA President An Ardent Sports Fan

Mrs. D. Murray Hammond, new president of Mill Valley's Park School Parent-Teacher Assn., is the kind of mother most boys would consider themselves lucky to have.

Not only is she a spectator sports fan, especially of baseball and basketball, but she shares with her husband, the rector of Mill Valley's Episcopal Church of Our Saviour, an active interest in Little League—for both of their sons are Little Leaguers. They are David, 10, and Christopher, 9.

Temporarily the Rev. Hammond, with the aid of another father, Ed Nordstrom, is coaching "The Ramblers" and assisting Bob Holden with the coaching of "The Anchors," while Mrs. Hammond assists in whatever ways she can.

Yet Muriel Hammond has plenty of woman-type activities and interests to share with their six-year-old daughter, Teresa, because as the rector's wife, she is automatically a member of all of the women's guilds of the church except the Altar guild.

She also likes to play bridge and sing and is a member of the alto section of the church choir.

She is serving as co-chairman of the Episcopal Churchwomen's luncheon committee this year and was in charge of the kitchen for the church's recently concluded annual Antiques Show and Sale.

A native of Michigan, Mrs. Hammond was reared in Arcadia, Calif., where she was graduated from high school before attending Pasadena City College. At the end of her junior year at the University of California at Berkeley she was married.

MRS. D. M. HAMMOND

After she was graduated with a major in political science, and her husband had received his B. A. degree in history at the university, they lived in Cambridge, Mass., while the Rev. Hammond attended the Episcopal Theological Seminary there. During these three years Muriel Hammond worked in textbook department of the Harvard Cooperative.

Six years ago the Hammonds came to live in Mill Valley when the Rev. Hammond was called to succeed his father, the Rev. S. R. Hammond, under whose rectorship the main building of the new church was constructed. The education unit has since been added.

A member of the Park School P-TA for five years, Mrs. Hammond stepped up to the presidency from the position of first vice president.

"I'm really looking forward to next year," she said, "because of the exceptionally fine board I'll have the privilege of working with."

The other officers are Mesdames A. Robbins Whittlesey, first vice president; James Bennett, second vice president; Arthur Baclawski, secretary; and Mr. Emil St. Augustine, treasurer.

Presidents' Assembly To Meet May 20

Mrs. Paul Hammer, president of Presidents Assembly of Marin, will welcome all past and present Presidents of Marin County federated clubs Monday at the assembly meeting at the Sausalito Woman's Club, which will be the hostess organization.

Following a Friendship Bowl, a salad luncheon will be served by Mrs. Charles Heston.

At the meeting, a nurse's scholarship will be awarded to an eligible student. Making possible this award are contributions received from Sausalito Woman's Club, San Rafael Improvement Club, Larkspur Woman's Club, Fairfax Women's Club, Tamalpais Centre Woman's Club, Corte Madera Improvement Club and the Outdoor Art Club, Mill Valley.

Luncheon reservations are being taken by Mrs. Herman Mangels of San Rafael.

Branch To Present Convention Report

The Mill Valley Branch of the American Assn. of University Women has been honored by an invitation to present a report on the year's activities of its "Schools and Society" study at the AAUW state convention.

It will be made this weekend by Branch president Mrs. Viking Leon at the three-day convention, which will take place at the Disneyland Hotel in Anaheim. Mrs. Leon will be accompanied by Mrs. Edward J. Boessenecker, second vice president and program chairman.

The presentation will be made at a roundtable attended by elementary and secondary education chairmen representing the 130 California AAUW branches. Mrs. Leon will be substituting for Mrs. Frederick A. Zulch, chairman of this section for the Branch, who coordinated the group's study with Mesdames Joseph E. Bodovitz, social and economic issues chairman, and Richard A. Newman, legislative program chairman.

The group began studying de facto segregation in Marin County and then branched out into educational problems of culturally deprived children. Members have prepared a bibliography of the reading they did on the subject and have written legislators urging passage of bills directly concerning the subjects or related to them, such as provisions for setting up child care centers.

Mrs. Leon participated in the study group by relating her child care center experience during college at the University of California. She also served on behalf of the group on the planning committee for the Southern Marin Career Conference held in March.

New Beta Sigma Phi Group Installs

A new chapter, Kappa Psi of Beta Sigma Phi, has been formed in Novato. It is the second chapter to be organized in Marin County.

Installation of officers was held Friday at the home of Mrs. Arthur Harris in Marinwood.

Mrs. Eugene Lounder will be the first president of the new chapter. A member of the ritual of jewels for five years and an exemplar for three years, Mrs. Lounder has lived in Marin County one year, coming here from Colorado.

A registered nurse, she intends to return to the nursing profession when her two girls, Tara Sue 5 and Kim Ann, 4 get a little older.

She and her husband, an accountant, bowl in a mixed league. A new hobby this year is golfing, which Mrs. Lounder says she enjoys very much.

Officers to be installed with Mrs. Lounder are Mesdames Charles Beaty, vice president; Pete Nisich, recording secretary; George M. C. Daniels, corresponding secretary; Norwood Arnold, treasurer; and Marin Inter-city Council representatives, Donald Downing, Robert Ground and Hal Henricks.

MRS. EUGENE LOUNDER

Other new members in Kappa Psi are Mesdames Robert Jacobson, Lawrence Witter, Glen Dunbar, Arthur Sears, Harry Clausing, Gavin Pelling, Richard Crumpley, Arthur Harris, Eric Kollgaard, Dante Mazzoni, Richard Whitney and Keith McGuire.

Pacheco School P-TA Festival Tomorrow

The Pacheco School P-TA will have their annual festival from 5 to 8 p.m. tomorrow at Pacheco School.

Festival chairman, Mrs. William Runge, announced that favorite games of skill, food and soft drinks will be available at the festival.

Dress Tips

Wearing the wrong type of knot can spoil the look of a shirt collar. Suit the knot (Four in hand, Windsor, half-Windsor, etc.) to the tie space of collar, advises the American Institute of Men's and Boys' Wear. Your button-down collar will have the proper roll if you do not pull your tie too tight. Experiment with it.

Matched And Coordinated Styles For Lady-In-Waiting

This spring, milady-in-waiting can be as smartly dressed and as up-to-date as her more sylph-like sisters with many fashions to choose from.

The softened-look and color coordination from head to toe, sparkle spring maternity fashions.

MATCHED OR coordinated maternity suits, rather than two-tone or contrast effects, are being shown.

In sportswear, however, tops contrast with varied color skirts, long shorts or pants, in washable poplin and linen-like rayon fabrics.

The straight-look, Oriental styling and defined prints are particularly outstanding in many new one-piece fashions.

SOFT COLLARS with lace and bead trims are highlights of dressy cotton and silk outfits. Crisp standaway collars dressup tailored and sport styles.

From maternity tops, duster coats, ensembled outfits to swim suits, shorts, pedal pushers and a wide assortment of separates — maternity wear takes on more individualized sizing, styling and detailing for smarter looks and better fit.

At no other time is it so important for a woman to be comfortable, yet neat looking. That's why the emphasis in maternity fashions this spring is on classic styles in washable, crease-resistant fabrics.

Countryside Hardly Dry Yet Fire Season Already Here

With the weather acting up in such a way that it's hard to decide whether or not to take a raincoat when you leave the house in the morning, the start of the fire danger season may seem far away. But it is not.

Fire season, in practically all parts of Marin County, start today.

After today permits will be required for all open burning from now until the rainy season comes again. That includes open incinerators and garden cuttings.

There is adequate reason for these regulations. All you need to do is look to the East, where rainfall has been sparse this year. There have been several serious fires which have wiped out acres of brush and forest lands and have leveled several resort areas. Many homes burned and a number of persons have been seriously injured already this year.

Marin's extended rainy season has had one result. There is abundant, high growth over much of the unoccupied portions of the county (and in more than a few back yards). This heavy grass and brush will now dry into a serious fire menace. As it dries, it will become a threat not only to the open areas, but to many of our summer homes, subdivisions and even cities.

Marin County has been lucky in the past few years. Our fire loss has been held low. We can give part of the credit to active fire protection teams in the county, the cities and the various fire districts. We also can give credit to the general public who have been extremely cooperative in preventing fires.

It is to this latter group that we appeal again this year:

Be careful when you are out driving, picnicking, hiking, beach-walking, horseback riding or just sight seeing. Don't toss matches and cigarette butts on the ground. Be careful about backing a car into dry grass, a spark from the exhaust can become a holocaust. If you should build a camp fire, and you shouldn't without a permit, make sure it is safely away from grass or brush. Then, when you're through with it, make sure it is completely out, down to the last spark.

And parents, please talk to your children about matches. About half of the grass fires which start in Marin County are started by juveniles playing with matches.

In the past we've had tragic and expensive fires in Marin County. Let's not do it this year.

THE MAD WASHINGTON TEA PARTY

THREE MINUTES A DAY

By JAMES KELLER

GREATEST INDIAN HELPS MANY

An American Indian's gift of land to the U.S. Government over 25 years ago is now providing college educations for 15 Indian youngsters.

The unusual transaction had its origin in 1901, when Willie Taggart of California's Mad River Tribe was given the use of 160 acres of forest land by the government. This was common practice for those whose tribe had no reservation. Later it was deeded to him.

The land had little value at the time of his death in 1937, but the grateful owner had willed it to the government.

Years passed, during which the grant was passed from one department to another. Finally it went to California's Department of Education. It was subsequently sold to a timber concern for $125,000. Interest on the money is financing scholarships for Indian students in such subjects as journalism, engineering, agriculture and medicine.

"Freely you have received, freely give."

(Matthew 10:8)

Let me show generosity, O Lord, in serving You, my country and my fellow man.

THE LIGHTER SIDE

Light Type Booze Not Necessarily Light Colored Or Less Intoxicating

By DICK WEST

WASHINGTON (UPI) — A large segment of the population still accepts as gospel truth three proven fallacies. They are:

1—That you can always be sure of getting good meals during cross country trips if you stop at the places where the truck drivers eat.

2—That if you fill up on Chinese food you will be hungry again in half-hour or so.

3—That stimulating and enlightening commentaries on world affairs are provided by New York cabdrivers.

To this treasure of folklore there has lately been added a fourth great myth:

4—That if you drink a "light" type of booze, you won't get stoned so fast.

We had here recently a coincidence of events that my friend "Diamond John," last of the big freeloaders, described as a twi-night double-decker.

In the late afternoon the French National Association of Cognac Producers gave a brandy tasting reception, and in the early evening the California Congressional Delegation gave a wine tasting reception.

Needless to say, French brandy was served at one and California wine at the other. "Diamond John" was beside himself with glee.

"This is what has been missing in my life," he chortled. "Dramatic conflict. The importers and the domestics pitted against each other in a battle of the freeloads."

AT THE BRANDY freeload, the host was I. M. (Tex) Bomba, a New York importer who was pointed out to me as an authority on American drinking habits.

"Bomba is an expert on the subject of getting bombed," my tipster reported.

I approached the elixir oracle and requested that he elucidate. He responded with a stimulating and enlightening commentary on Myth No. 4.

"The trend nowadays is toward lightness," Bomba said. "A lot of people are buying brands that are advertised as 'light' without even knowing what the term means.

"THERE IS A widespread impression that liquors are 'light' if they are pale in color. That is not necessarily true. Good cognac, for instance, is 'light' but has a dark color.

"It also is widely believed that light liquors are less intoxicating. That is nonsense. The percentage of alcohol is the same whether they are light or heavy."

I thanked Bomba for the information and I pass it along on the chance that it might keep some misguided tippler from going out like a light.

POP ART!!!

10 YEARS AGO

On motion of Chairman William D. Fusselman, county supervisors passed a motion to legalize delays—the board needn't act until one week after presentation of any matter, unless emergency exists.

Belvedere's city council dropped plans for possible purchase of the Hilarita housing project. Councilman John J. Wiley reported the site couldn't be annexed to the city because it is not contiguous to any city property.

Buses Proved Need Is Here

EDITOR,
Independent-Journal:

We wish to express our gratitude for your complete assistance in regards to coverage of the Marin Transit San Rafael bus system. No one could have possibly received as much favorable publicity, and news aid as Marin Transit. We sincecrely do appreciate your efforts.

The effort was not unrewarded. The need was definitely proved, that some type of transit service is necessary, and how, or when, it comes about, the future will tell.

Again, thanks to the complete staff of the Independent-Journal.

Swim Coach Deserves Praise

EDITOR,
Independent-Journal:

Attached is an article clipped from the April 26 edition of the San Rafael high school paper. It is eloquently written and true in every respect (regarding San Rafael's undefeated swimming season).

Coach Larry Lack, in his brief two years at San Rafael, has won the unqualified respect of not only the students but the parents of all children who have trained under him. His unselfish work and interest in the young people of the community extends far beyond the requirements of his high school position.

This young man is a definite credit to your town and community and should be encouraged in his efforts. It would be a considerate and worthwhile gesture on your part to let him know that his dedicated work has not passed unnoticed.

If he has not already been chosen for recognition as "coach of the year," a special editorial commending his outstanding service is certainly in order.

Don't Fear Your Hospital

EDITOR,
Independent-Journal:

The Emergency Medical Service offered to this community by the members of the Marin County Medical Society is available 24 hours a day, seven days a week. It is listed in the familiar yellow pages of your telephoned irectory under "Physicians."

In using this service, although a patient's first impulse may be to request that a doctor come to the home, there are some occasions when a patient can obtain quicker, more adequate medical care for a particular condition, at the emergency room of a nearby hospital than can be delivered in a little black bag to the home.

When a patient is ambulatory, and has a condition that requires hospital facilities, the interest of the patient will be served by following the doctor's advice as to the best means of securing prompt and adequate treatment.

If a patient should choose not to follow medical advice, then they must make some other arrangement for care. Again, more time is lost.

Very few people (unless it's another doctor) think they know more than the doctor about medical advice. Most of this resistance comes from the patient being a little afraid of the hospital.

Newspaper articles, such as have appeared in the I-J in the past, describing our hospitals as the friendly helpful places they are, tend to reduce this fear. I hope you will continue to print them.

Swim Victory Was Not Fair

EDITOR,
Independent-Journal:

I am writing in reference to the decision on the outcome of the Tam-San Rafael standingsin the M.C.A.L. Swim Meet.

I, being a member of the Tam swim team, am very disappointed in the ruling that the San Rafael relay team would be eligible, even though San Rafael had an ineligible man entered in that event.

The fact that the M.C.A.L. Board of Managers had to meet to decide whether or not the event would be disqualified comes as a shock to me. I feel that the decision should have been one to be made by the meet officials and that the decision should have been automatic.

If everyone could "get away" with entering illegal men, the spirit of competitive sportsmanship would die.

BENNETT CERF

A minister dropped into a strange barber shop for a quick shave and had the misfortune to choose a chair presided over by a barber who was suffering from an acute hangover. His breath nearly asphyxiated the poor minister, and then, to cap the climax, he took a huge nick out of the minister's chin. "You see," said the minister reproachfully, "what comes from drinking intoxicating liquor?" "Yep," agreed the barber cheerfully. "It sure makes the skin tender."

V. S. Pritchett tells of a jaywalking young lass who darted through the traffic of Dublin and halted beside a policeman half-way across. "That's a terrible risk you took, ma'am," said the policeman. "The traffic's desperate this morning, Officer," gasped the lady. "I figured I'd be safest with you in the middle of the street." "With me, ma'am," the officer assured her gravely, "you'll only be middling safe."

A vain young creature in Wilkes-Barre, Pa., craved a pearl necklace. One dark night a genie appeared before her and said, "Make one wish. It will come true by morning."

The young creature murmured ecstatically, "Give me what I need for my neck." When she awoke she found next to her pillow a box containing six cakes of soap.

I-J REPORTER'S NOTEBOOK

Switch In Bridge Board's Vote On Buses Makes One Believer

Lo, the poor Marin commuter! That other well-known Lo, the poor Indian, had nothing on him except wider open spaces.

But even the commuter can have something happen to cheer him up a little, if not immediately, and materially to improve his lot. This was proved Friday when the Golden Gate Bridge Board executed a remarkably spectacular and amusing flip-flop.

I saw it happen, but just how it happened I know not. The vote was quicker than the eye.

PERHAPS PERSONS who are able to keep the bridge board chappies under steady surveillance can contemplate their moves with less amazement. My trips down to observe board meetings are only now and then, which has its points.

But during several meetings of the past, I had watched apparently foredoomed efforts by Marin's Thomas D. Hardcastle to lead the board into a spirit of amiability toward improvement of bus service across the bridge.

Hardcastle, it seemed to me, had an idea. He'd figured that with an average of little more than one occupant per automobile, crossing the bridge four and one-half car lengths apart if they obeyed safety rules for a 45-mile speed limit, the bridge will reach its saturation point quite soon. Yet actually it will be carrying a pitifully small number of humans as compared with what might be done if, say, you laid 'em end to end.

LAYING BRIDGE crossers end to end would not be practical, nor would it be the ultimate in efficiency. Hardcastle calculated that the proper way would be to carry them vertically and close together, as in a bus.

If everybody who went across the bridge went by bus this should give about a 50-time multiplication in maximum number of people crossing, according to a special calculation of my own on which I refuse any audit. But anyhow, not everybody would go by bus; let's be reasonable and just send quite a lot more by bus than presently and you would still get a big increase in humans transported.

Of course it is arguable as to whether any Marin citizen who can help it should ever go across the bridge. But quite a lot, like Hardcastle, toil in the big city and bring their loot home to spend it in Marin, which latter is to the good.

Thus let us do what we can to promote bus traffic. Maybe more buses, better buses, more bus stops, even a new bus line. Worth looking into, anyhow.

HARDCASTLE AND Peter Behr fixed it so the Marin County Board of Supervisors suggested formation of a three-way committee to study ways of improving the bus situation. Then you should have heard the hollering begin among the bridge boys. Their kicking was scandalous to watch.

A motion to table the whole thing nearly went through. Hardcastle held the line. He claimed committee jurisdiction and demanded that fellow-directors keep hands off.

Time passed. The San Francisco supervisors decided Marin had a good idea and voted to join up. And somehow The Word began to penetrate to the formerly stubborn bridge directors.

SO HARDCASTLE'S commuter committee unanimously recommended that the bridge board follow San Francisco's lead. Then in sweetest amiability, the bridge board did just that, with nary a dissenting vote.

It really made a believer out of one spectator, I can tell you. I'm not quite sure what I believe, but I do believe. Most anything, now.

Nixon Moved To New York To Separate Himself, Elective Politics

WASHINGTON — Why did Richard Nixon, who came within a thimbleful of votes of being President of the United States, abandon his residence in California? Why did he transfer his law practice from Los Angeles to New York and thereby totally remove himself from elective politics?

The truth is that this is exactly what he wanted to do. He did it deliberately.

This is not a political deduction; this is not just a columnist's guess. This is Nixon's own view of his own actions which he expounded in a wide-ranging, unusually revealing, two-hour interview.

"I will not again be a candidate for anything," he told me. "Under no circumstances whatever. That is categorical."

NIXON WAS answering the questions almost before one could ask them. He was direct and explicit. It was clear that he was anxious to put on the record the whole story of his move to New York.

"I came to New York," he said, "not for political reasons, but for private and legal reasons. I want to make it clear that under no circumstances do I contemplate at any time entering New York politics. That means not as a candidate for governor, not as a candidate for senator, not as a candidate for Congress, not as a candidate for anything, not now and not in the future. I make this statement ont only because New York has a good governor and two good senators, but primarily because running for any office has no place in my plans."

DOES THIS mean that, after 16 years in public life, Nixon at one stroke is wiping politics completely off his slate? His answer:

"No, that's something else again. In cosidering what contribution I could make politically in the years ahead, I have made the determination that that contribution can better be made in the area of ideas than in the area of elective politics.

"I do not want anybody to get the impression that I am ceasing public activities. I believe it is a responsibility of citizenship for any individual who has had the experience I have had to continue to share that experience to the extent he can with the nation.

"As I see it, my role is not that of a candidate, not that of a party leader in the sense of being a political organization functionary, but that of being a conscious leader of thought in the party and in the exposition of policy and philosophy.

"That's why I make it absolutely clear that I am not going to run for anything. But I plan to have a lot to say about the issues and I plan to have something to say publicly about whom the Republicans ought to run. I think I know what a candidate requires and what the presidency requires."

WHAT PART does Mr. Nixon see himself playing in choosing the 1964 Republican nominee? Does he expect to be a delegate to the convention from New York?

"No," the former vice president replied, "I will not be a delegate. I would expect to be invited to speak. All previous candidates are invited to speak. I do not intend to influence the choice of the convention except in so far as my public appearance might influence it. I do not rule out the possibility of indicating my support if I feel that one of the candidates on the Republican side is the best candidate."

HOW TO PLAY WINNING BRIDGE

By ALFRED SHEINWOLD

Don't Commit Yourself Before You Have To When Playing Game

A successful bridge player, like a determined bachelor, must avoid committing himself.

There will be temptations on every side, but the secret of success is to yield only to those temptations that leave you some freedom.

South could see 11 easy tricks and noted that he had some kind of finesse in each of the red suits. Which should he try?

TEMPTATIONS

As a happily married man South kept his eyes away from these temptations. He ran four rounds of clubs then three rounds of spades. Finally, he tried the heart finesse.

West won with the king of hearts and returned the jack of hearts to declarer's ace.

South struggled on for a few more tricks but finally gave up the last trick to East's queen of diamonds.

WRONG QUEEN

South's trouble was that he thought about the wrong queen. Any bachelor could have told him that the queen of diamonds was more important than the queen of hearts.

After winning the first trick South should lead a spade to dummy and return a low diamond. If East has the queen of diamonds, South's jack will win a trick.

What if East doesn't have the queen of diamonds? Then South will still have freedom of action. He will be able to try the heart finesse later.

TROUBLE

The trouble with trying the heart finesse first is that it committed South.

After the finesse lost he could not try for a diamond trick.

Whenever you have more than one play for a contract, arrange your tricks in sequence that doesn't commit you until the latest possible moment.

Try to begin with the plays that leave you in position to go on to something else.

ALMANAC

Today is Wednesday, May 15, the 135th day of 1963 with 230 to follow.

The moon is approaching last quarter. The morning stars are Venus, Jupiter and Saturn. The evening star is Mars.

On this day in history:

In 1765, Parliament enacted a statute making it mandatory for American colonists to supply housing and supplies for British troops.

In 1930, the first stewardess was employed on a United Air Line flight from San Francisco to Cheyenne, Wyo.

A thought for the day: Patrick Henry said: "I have but one lamp by which my feet are guided, and that is the lamp of experience. I know no way of judging of the future but by the past."

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

It Is Possible To Remove, Replant The Germ Of Tooth

VAN DELLEN

Can a completely developed tooth be removed from one person and transplanted in the gum of the same or another person? This procedure rarely is successful as, in time, the roots are absorbed and the tooth falls out even though it appeared to have taken hold.

On the other hand, it is possible to remove and replant a healthy tooth germ which takes root like a seed and grows into a normal tooth. The germ forms in the gum long before birth and is the forerunner of the tooth. But the germ must be transplanted immediately because it is extremely sensitive to lack of blood and nourishment. It takes the seed two to six months to erupt into a firmly embedded tooth.

THIS TYPE of replantation has been done in several dental clinics, according to Dental Abstracts. The technique is tricky and it is difficult to predict when it will work. A two to three year follow-up by a group of Czechoslovakian dentists showed it was most successful in children and less so in adults. It worked in 30 per cent of 25 patients in one group and was unsuccessful in 42 per cent. In the remainder the results were fair.

CANCER IS NOT a single disease and no one knows how many different kinds there are. According to Dr. George E. Moore of Buffalo, N.Y., there are at least 100 varieties. Our ignorance along this line stems from the fact that each is derived from a single cell and the body contains a wide variety of cells.

The mother cancer cell multiplies and, in time, there are many offspring. There is nothing to prevent some of these new cancer cells from mutating, which changes them from their original type. This is one of the arguments used by those who believe that a patient with cancer does not have one but several malignancies of the same general type.

Cancers are difficult to classify according to site of origin and cause. Most of the responsible agents are not known. If there were a single cause we might be able to find a single magic curative drug. Meanwhile, we must rely upon early detection, followed by surgery or radiation.

(Dr. Van Dellen will answer questions on medical topics if stamped, self addressed envelope accompanies request.)

LIVER AND HEART

H. S. writes: Is it safe for a person with heart trouble to eat liver? I hear it is high in cholesterol.

REPLY

Liver contains almost as much cholesterol as butter and American cheese but much less than egg yolk. There is no need to be concerned if your blood cholesterol level is not elevated.

HIATUS MEANS GAP

B. M. K. writes: How did the medical profession arrive at the name hiatal for this type of hernia?

REPLY

The stomach forces its way upward through the hiatus (opening) of the diaphragm. This is the area in the diaphragm where the esophagus passes through the stomach.

CIRCULATION

J. B. writes: Does the blood go around in circles or does it come back in the same channels?

REPLY

In a circle, as Harvey demonstrated in the 17th century. The blood goes to the tissues via the arteries and capillaries and returns to the heart by way of the veins.

ICE FOR BURNS

W. W. writes: Is immersing a burned finger in cold water immediately the best treatment?

REPLY

Yes, because cold water soothes the burned area. Ice water is preferred; keep the lesion chilled until pain subsides.

Today's Health Hint—Overweight? Acquire new eating habits.

Booklet Is Being Published On Wildflowers Of Tiburon

"Tiburon Flora," a 75-page booklet on the wildflowers of the Tiburon Peninsula, is being published for distribution in July through the Belvedere-Tiburon Landmarks Society in cooperation with the California Academy of Sciences and University of San Francisco.

Names of those who have assisted the society in its effort to save a portion of the peninsula's flora through purchasing the unusual section adjacent to Old St. Hilary's will be printed in the booklet, which will be limited to an edition of 1,000 copies.

Those who wish to contribute to the wildflower fund and be listed in the publication should send checks to the Landmarks Society, P.O. Box 134, Belvedere-Tiburon, to be received not later than Saturday, said Mrs. Robert Bastian, president.

Contributions have been received from more than 300 persons, the majority of whom live outside of Marin County, according to Mrs. Bastian.

The study of Tiburon flora was made possible through a special grant to the California Academy of Sciences, which designated the Tiburon area as the most important section to be documented. The work was done under supervision of John Thomas Howell, curator of botany. It will be published in the spring issue of the Wassman Journal of Biology at USF, edited by Dr. Edward Kessell of Novato, professor of biology.

Photographs, some of which were taken by Anna-Jean Cole of Tiburon, will illustrate the volume.

Included in the study is an introduction on the geology and terrain of the Tiburon Peninsula, an alphabetized list of the flowers with both common names, the areas in which they are to be found (or could have been found before subdivision), an anecdotal description, and a short coded section of particular interest to professional and amateur botanists.

Straight Highway 1 Is Urged

Highway 1 through Southern Marin County should be straightened for the safety of the motorists, Frank Meyer, member of the executive board of the Redwood Empire Assn., told the Novato Chamber of Commerce board Monday night.

Meyer said a straight wide highway would serve the public much better and not detract from the scenery of the area.

The chamber, however, withheld action after county Supervisor William Gnoss told the board a study is being made for a West Marin master plan and the highway will be included in that plan.

Raymond Head and Jerry O'Shea of the State Division of Highways briefly discussed signs to be placed on the new interchanges being constructed on Highway 101. They recommended the chamber appoint a committee to work with the city on recommendations for the signs.

Chamber President Wayne Womack was absent so no committee was named.

The board voted to place the chamber airport committee under the industrial committee, with Ralph Briggs as chairman.

Exploring Mental Health To Be Topic

"Exploring Mental Health in Our Community" is the theme for the second annual community workshop of the Marin Assn. for Mental Health, scheduled for May 23 in Alexander Hall of San Francisco Theological Seminary, San Anselmo.

The workshop, divided into two parts, will start at 7:30 p.m. The first part will be a film, "Angry Boy." A panel discussion on the film and the theme will take the rest of the evening.

Dr. Roy W. Fairchild will introduce the film. Panel moderators will be Helen Jambor of College of Marin and Dorothy E. Gibson of University of California School of Social Welfare.

Cooperating organizations include Sunny Hills, American Assn. of University Women, Junior League of San Francisco, Marin Aid to Retarded Children, and Family Service League.

On the panels will be Dr. Gerald Hill; attorney Leland H. Jordan; Walter Busher, chief county probation officers; Mrs. Emma Gilman, of the county health department; Celia Walker of the Family Service Agency; Rev. Edward S. Dingberg of St. Isabella's Church, Terra Linda; Francis Parks, counselor at Sir Francis Drake High School; Dr. John J. Preisinger; attorney Ben Barton Jr.; Paul Dowdell of the county probation department; Florine Miller of the county welfare department; Jeanne Knakel of the Family Service Agency; Rev. Charles B. Gompertz of St. John's Episcopal Church, Ross, and Mr. James Norton, head of counseling and guidance at San Rafael High School.

Staff Hired For School This Summer

Twenty teachers, five student aides, a nurse, librarian and a secretary were approved for employment Monday night by the Mill Valley School District for the four-week summer session starting July 1.

Additional persons will be hired, Principal Joseph K. Womack said, if enrollment increases.

Also hired were 16 classroom teachers for the 1963-64 school year.

The board accepted resignations of Leonora Wright, second grade teacher at Park School; Linda Farrell, fourth grade, Alto, and Leonard Dickinson, custodian at Marin Terrace. Mrs. Dennis Hecht, Strawberry Point fourth grade teacher, was granted a year's maternity leave.

Cost of installing stage equipment and lighting at Edna Maguire School was estimated at $3,575. The board awarded a $4,963 contract to L. H. Leonardi Electric Construction Co., San Rafael, for rewiring the Old Mill School auditorium.

County Employee Medical Group Plan Due Survey

Harry C. Duncan of Belvedere was approved by county supervisors yesterday as a consultant to survey the medical group program for county employees.

This involved appropriation of $250, matching a similar sum to be provided by the County Employees Assn.

The board was told that there was no complaint about California Physicians Service but that some changes as to coverage or on other points may have to be made.

Duncan said the service is paying "142 per cent of its income" meaning a need for some sort of correction to avoid major raise in rates. One way to change, he suggested, would be to eliminate maternity benefits.

Bolinas Fire Unit Budget Meet Set

Bolinas Fire Protection District commissioners will meet at 7:30 p.m. today to draw up the district's 1963-64 preliminary budget, said James Dougan, chairman. The commission meets in the community center.

The commission has set June 30 for the annual clean-up day. Clean-up of brush, grass and rubbish will start at 9 a.m. A lunch, prepared by wives of firemen, will be at noon in the center.

Volunteer firemen have appointed a nominating committee to recommend officers for 1963-64, Dougan said, and an election will be held June 10.

$276 Fine For Drunk Driving

Willie Johnson, 54, of Vallejo, a quarry worker, must pay $276 fine and spend five days in Marin County Jail for felony drunken driving.

Judge Joseph G. Wilson of Marin Superior Court sentenced Johnson Monday for driving while intoxicated along Highway 101 near Marin City last Jan. 26. Johnson was arrested after an injury accident.

The judge also ordered that Johnson must make restitution for damages he caused in the accident.

Novato Pigeons Get Home Fast

For the third successive week, pigeons flown from Don Larroche's Gypsy Loft, won first and second place in Sunday's Tamalpais Homing Pigeon Club race from Fernley, Nev.

Flying 1,310 yards per minute the winning pigeon from Novato averaged 48 air miles per hour.

Third place was won by the Galaxy Loft of San Rafael.

The next race will be Sunday from Imlay, Nev., a distance of 300 air miles to Marin.

Officers Flush San Rafael Bad Check Suspect

Two San Rafael police sergeants flushed a bad check suspect Monday night in a house to house search of his former addresses.

William Harrison Andrews, 32, of San Francisco was booked in the county jail on charges of passing seven bad checks, totaling $262.50, in San Rafael from March to May 1.

Sergeants Lincoln Borba and Earl Christensen went to four places in San Rafael where Andrews had lived and told occupants he was wanted.

The officers returned to the police station after their efforts seemed fruitless. But Andrews surrendered himself to police at the station at 9:30 p.m. Christensen said Andrews apparently got word of the police search.

Andrews told Christensen that he had passed about 15 worthless checks, seven of which are accounted for.

Young GOP Set For Island Picnic

A picture on Angel Island for the Young Republicans of Marin will be held Saturday.

A special Harbor Tour boat, arranged for by state Sen. John F. McCarthy of San Rafael, will leave the pier at the Dock Restaurant, Tiburon, at 10:30 a.m. Saturday and will return at 4 p.m.

Reservations chairman are Mrs. Donald Black, Terra Linda; Mrs. William D. Keeler, Mill Valley, and Mrs. Gayle Shotwell, Novato.

Six Months Given In Morals Case

Lester Paul Frease, 47, a Bolinas milker, must spend six months in Marin County jail for indecently exposing himself to women motorists on Shoreline Highway near Point Reyes Station last July.

Judge Thomas F. Keating of Marin Superior Court sentenced Frease Monday to one year in county jail. The judge suspended the jail term and put Frease on three years probation on condition he serve one half year in jail.

Frease has a previous record of indecent exposure.

Variance For Duplex Due Corte Madera Unit

Application for a variance to build a duplex on property near a six-unit apartment house with substandard land space and reduced clearance between buildings will be discussed by the Corte Madera Board of Adjustments at 7:30 p.m. today in town hall.

By adding new land to the present site, W. L. McCormick of Kentfield would have a total of 22,833 square feet for eight dwelling units, 967 square feet less than required. He also asks a variance for a clearance of seven feet between structures instead of the required 13 feet.

Marinwood Fire Unit Considers Applications

Marinwood fire commissioners Monday night reviewed some 50 applications for the new fireman's position in the Marinwood Fire Department and adjourned until May 27 to consider final applicants.

James McElhattan, commission chairman, said a decision on the hiring of a third paid fireman may be made in two weeks. The new job was authorized by the community services district board two months ago after the discharge of Fire Chief John G. Unsworth.

Artists To Show

Marin County painters and sculptors will be among those from throughout the United States whose works will be shown in a rental show at Quay Gallery in Tiburon for one week starting tomorrow. The works will be available for three-month rental.

OFFICIAL NOTICE INVITING BIDS FOR THE PURCHASE OF BONDS OF THE CITY OF SAN RAFAEL, COUNTY OF MARIN, STATE OF CALIFORNIA, ISSUED UNDER THE PROVISIONS OF THE MUNICIPAL IMPROVEMENT ACT OF 1913 AND THE IMPROVEMENT ACT OF 1911

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the City of San Rafael at the meeting place of the City Council located in the City Hall, San Rafael, California, on Monday, the 3rd day of June, 1963, at the hour of 8:00 o'clock P.M. of said day, for the purchase of $112,898.57 principal amount of bonds of the City of San Rafael, designated "Improvement Bonds, Chula Vista Assessment District, City of San Rafael, Marin County, California, Series 1963-1," at which said time and place said proposals will be publicly opened, examined and declared by the City Clerk of the City of San Rafael. Said bids will be calculated and the results thereof will be reported to the City Council of the City of San Rafael.

These bonds are authorized to be issued under the provisions of Resolution of Intention No. 2467 as amended, of the City Council of the City of San Rafael, adopted on the 3rd day of April, 1962, and proceedings subsequent thereto. The Resolution of Intention provides with relation to said bonds as follows:

NOTICE IS HEREBY GIVEN that serial bonds shall be issued in the manner and form provided in Part 5, Division 7, of the Streets and Highways Code of the State of California (Improvement Act of 1911) to represent unpaid assessments of Fifty Dollars ($50.00) or over, which said bonds shall bear interest at the rate of 6% per annum and the last installment of which bonds shall mature fourteen (14) years from the 2nd day of January next succeeding the next September 1st following their date. Said bonds shall be payable to bearer, and there shall be added to the redemption clause in said bonds the following words:

". . . . . together with a premium of five per cent (5%) of said unpaid principal."

DATE OF BONDS AND INTEREST RATE: Bonds are to be dated June 10, 1963, and will bear interest from said date. Interest is fixed in the Resolution of Intentio at six per cent (6%) per annum.

PURPOSE OF ISSUE: Said bonds are authorized to be issued by the City Council of the City of San Rafael by Resolution of Intention No. 2467, as amended, and proceedings prior and subsequent thereto. The purpose is to construct sewers and street improvements in the area as described and shown on the plans and as required in the specifications. The assessment district is designated as "Chula Vista Assessment District, City of San Rafael, Marin County, California", and reference for all details is made to the proceedings for the formation and completion of said assessment district.

The original amount of the assessment was $121,512.14. The sum of $8,613.57 has been paid in cash, leaving unpaid in bonds to be issued the sum of $112,898.57.

DENOMINATIONS: Bonds vary in amount from $346.27 to $7,259.61. Most of the bonds are less than $1,500.00 in amount. Average assessments are not applicable because the assessments vary with the size of the properties. This is all acreage property. The purpose was to construct streets, and bring them up to city standards, and sanitary sewers. This is a substantially developed part of a residential area.

PAYMENT: Both the principal and interest are payable in lawful money of the United States at the office of the City Treasurer of the City of San Rafael, located in the City Hall, San Rafael, California.

CALLABLE BONDS: All bonds are subject to redemption pursuant to the provisions of the Improvement Act of 1911. Any property owner may redeem any bond at any time by paying the then unpaid principal, 5% of the then unpaid principal as premium, and interest to the next succeeding interest coupon date.

AUTHORITY FOR ISSUANCE: Said bonds were authorized to be issued by the proceedings in said assessment district, and said assessment district was organized and consummated and bonds provided to be issued under the provisions of the Municipal Improvement Act of 1913 of the State of California and the Improvement Act of 1911 of the State of California.

SECURITY: Said bonds are secured by real property against which each bond is a lien, as provided for by the Improvement Act of 1911.

LEGAL OPINION: The unqualified legal opinion of the law firm of Sturgis, Den-Dulk, Douglass & Anderson, 1322 Webster Street, Oakland, California, approving the validity of said bonds will be furnished to the successful bidder without charge.

HIGHEST BID: The bonds will be awarded to the highest bidder considering the price offered and premium offered, if any. No bid will be considered which is less than par of the bonds. All bids will also provide that accrued interest will be paid from the date of the bonds. Cost of printing the bonds will be borne by the assessment district.

PROMPT AWARD: The City Council of the City of San Rafael will take action awarding the bonds or rejecting all bids not later than forty-eight (48) hours after the expiration of the time herein prescribed for the receipt of proposals.

PROMPT DELIVERY: Delivery of the bonds will be made to the successful bidder at the office of the City Treasurer, located in the City Hall, San Rafael, California, on June 10, 1963, or as soon thereafter as said bonds are ready. The successful bidder is to deposit the purchase price and take delivery of said bonds within 48 hours after notification of their readiness for delivery to them. The amount of deposit of the successful bidder will be deducted from the purchase price of the bonds.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale. Each bid, together with the bidder's check, must be enclosed in a sealed envelope addressed to the City Council of the City of San Rafael and endorsed, "Proposal for City of San Rafael Bonds, Chula Vista Assessment District, Series No. 1963-1."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $2,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of the City of San Rafael, to secure the city from any loss resulting from the failure of the bidder to comply with the terms of his bid. Checks of the unsuccessful bidders will be returned by the city by mail upon the award of the bonds. No interest will be paid upon the deposit made by any successful bidder.

OFFICIAL STATEMENT: The successful bidder will be furnished with a no-litigation certificate certifying that there is no controversy or litigation pending or threatened concerning the validity of the bonds as of the time of the delivery of the bonds.

DATED: May 6, 1963.

PERFECTION
This is the most perfectly, immaculate, newly decorated 2 bedrm. "PLUS PLUS" family room home that we've seen in ages! It's located in a most sought after area, close to everything, on a delightful 54-ft. x 140 ft. lot, that, too is perfection in every detail! The floors are hardwood, there's a large cheery separate dining alcove, a huge sturdily built workshop that could be a guest house if one needed extra space. Yes, this darling white house with shuttered windows & all its beautiful landscaping is really the buy of the year. Only $18,950 to a qualified vet — or a small down on FHA! Better grab this quick, it's a steal!

Reed Summer School

Application blanks for attendance at the Reed Union School District summer session are available at the district office, according to Harold Bickel, summer school principal. Any child resident in the Reed District is eligible to attend but priority in class assignment will be given those enrolled in the district's schools, Bickel said.

Tense Nerves Block Bowels

Your colon has nerves that control regularity. When you are tense or nervous, normal bowel impulses may be blocked—and you become constipated. New COLONAID tablets relieve this misery with a new principle—a unique colonic nerve stimulant plus special bulking action as recommended by many doctors. Result? COLONAID puts your colon back to work—gently relieves constipation overnight. You feel great! Get clinically-proved COLONAID today. Introductory size 43¢

Overtime Parking Device Is Topic Of KTIM's Panel

The proposed meter device to control overtime parking in the San Rafael downtown area will be discussed from 9 to 10 a.m. tomorrow on the radio "Marin KTIM Sounding Board."

Panelists will be Mayor John F. McInnis of San Rafael; Richard Cuthbert, a San Rafael businessman; Fred E. Jensen, San Rafael city councilman; Pat Kavanaugh, executive vice president of Traffic Control Inc., the firm installing the overtime parking device, and Paul Michaelson, public relations man for the firm.

Questions directed to any of the panelists may be telephoned to KTIM. The program, which is moderated by Kitty Oppenheimer, will be repeated by tape recording at 12:30 p.m. Sunday.

In time of nuclear attack, canned and packaged food, and anything you can peel, is safe from radiation.

Film Classic Due College Of Marin

The College of Marin Art Club will present the silent film classic "Greed", the fifth offering in its "Profile" film series Saturday at 8 p.m. in the college's Olney Hall.

Also on the program will be a short film, "March of the Movies," featuring selected parts of films in the history of cinema.

The feature film "Greed" depicts the effect of greed on the lives of four people.

The college club will present two British comedies June 1 as the last offering in its series this school year.

Drake Junior Gets Honor For Music

Tim Cain, junior at Sir Francis Drake High School, has been judged to be "the most passionate musician" in Drake's band.

After hearing several people play solo renditions of "Maria," from the movie, "West Side Story," the members of the band voted for who they thought played most passionately.

Tim plays the tenor sax.

In Dance Festival

Eighteen Marin County youths will participate in the division dance festival of the Latter-Day Saints Church Saturday at 8:30 p.m. in Bailey Field Stadium, Santa Rosa. Sharon and Cecil Cooney of San Rafael are the dance directors of the youths from the Greenbrae and San Rafael wards.
